ALL WINTER STOCK
OF GOODS MUST GO

January Clearing Sale

Commences

Saturday, Jan. 17th

And continues until we are rid of every article of winter merchandise in stock. This is not a time for profit making! It is not even a time for counting the cost! It is the time for clearance—and that is the one sole object toward which we are bending our energies. If you have been waiting until January to buy some article you need, then tomorrow is your day. The sooner you can come, the better. Through the very nature of things stocks are not complete. Some lots are small and will go quickly; others are too large and they, too, will go quickly—by the magic of greater than usual reductions. Not all the things on sale are mentioned in this ad. A sale so general in character would require several pages to exploit every article. Whatever your need, it will be safe to try Nussbaum's first. :: No doubt you will find it with a reduction tag attached.

THESE PRICES ARE A CRITERION AS TO WHAT YOU WILL FIND THROUGHOUT THE HOUSE

DANGER AFTER GRIPPE

Lies in Poor Blood, Cough and Worn-Out Condition.

Grippe, pleurisy, pneumonia are greatly to be feared at this season. To prevent grippe from being followed by either pleurisy or pneumonia, it is important to drive the last traces of it out of the system.

Our advice is to take Vinol, our delicious cod liver and iron preparation without oil, which will give you strength and vitality back quickly.

W. W. Lake of Aberdeen, Miss., says: Grippe left me weak, run-down and with a severe cough from which I suffered for a long time. I tried different remedies, but nothing seemed to do me any good until I took Vinol from which I received great benefit. My cough is almost entirely gone and I am strong and well again."

Try Vinol with the certainty that if it does not benefit you we will give back your money.

WELFORD SAYS PAPER IS ADVERTISING MEDIUM

Mr. W. E. Welford says he can truthfully say that the Headlight is a fine advertising medium. He advertised that he wanted to buy two Emerson gang plows in good condition. He says he had offers to sell from six people, and while he advertised that he wanted to buy only two, he purchased three. He says since he bought them offers to sell have still been coming in, and he says he saved them he could have bought a dozen or more. This week he is offering for sale two good second hand McCormick discs.

Deputy Sheriff H. P. Hahn returned Wednesday from Houston where he has been visiting relatives since Christmas.

The Old Standard general strengthening tonic, GROVE'S TASTELESS chill TONIC, drives out Malaria and builds up the system. A true tonic and sure Appetizer. For adults and children. 50c.

Mr. Wm. Weishuhn of near Bernardo was a business visitor in the city Wednesday. He stated that the farmers of his section are getting well up with their work.

Go to church Sunday, January 25th. Everybody else's going—why not you? This is Eagle Lake's grand "Church-Going Day." Attend any church you want to—but GO—Sunday, January 25th.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

COLUMBUS PEOPLE REPAIR EAST BRIDGE

The east wagon bridge over the Colorado river at Columbus, which was greatly damaged by the flood, has been repaired and was opened to the public last Saturday. A ferry boat is being constructed to be used temporarily near the damaged bridge on the north side of that town, which will be in operation in a day or so. The bridge repairs are repairs of a temporary nature for immediate use, and the funds to make the repairs and build the ferry boat were made up in subscriptions by the people of Columbus.

HAYES STEPHENS IS BANK DIRECTOR

The annual meeting of the stockholders of the First National Bank was held in the offices of that bank on Tuesday of this week. The same officers were re-elected, as follows: R. T. Whatley, president; Fox Stephens, active vice president; W. E. Lenhart, cashier and H. A. Douglass, assistant cashier. The same board of directors was re-elected, with the exception of J. B. Stewart, who is succeeded on the board of directors by Hayes Stephens, of the Frank Stephens Company.

EAGLE LAKE WILL GET THIRD BAKERY SHOP

Mr. John Lafenburg will shortly establish another bakery business in the Brosig building on Main Street. Mr. Lafenburg is well known, having been baker at the Farmers Supply Company for several years. With the addition of the Lafenburg bakery Eagle Lake will have three bakeries.

MRS B. H. McELHINNEY ENTERTAINS PHILATHEA

Mrs. B. H. McElhinney entertained the Baptist Philathea Class in a very charming manner on Tuesday afternoon. It was a social meeting and the ladies played "hearts" all afternoon. The hostess served delicious refreshments of ham sandwiches and hot chocolate with whipped cream. The next meeting will be at the church for Bible study.

SOCIETY HOLDS MEET WITH MRS. FRAZAR

The January meeting of the Eagle Lake Christian Missionary Society met Tuesday, the 6th, with Mrs. J. U. Frazar. Eleven members were present. The name of the pastor's wife was entered as No. 16 on the society's roll. Mrs. Deats resigned the presidency and Mrs. Middleton was elected to succeed her. Next meeting will be with Mrs. Dunovant Newsom. Mrs. Frazar, although not at all well, and so hoarse as to be scarcely able to speak, served a salad course and chocolate in her pretty dining room, with all the Chaistmas decorations still in evidence.

Mr. and Mrs. John Slutter, former Eagle Lake citizens, now of San Antonio, stopped over here the first of the week en route home from a short visit to Houston. Both Mr. and Mrs. Slutter are enjoying the best of health and are delighted with the climate at San Antonio.

Mr. Sol Hirsch was a visitor to Houston last Sunday afternoon.

There will be a lecture on "The Episcopal Church" at that church next Sunday afternoon at three o'clock. All are cordially invited.

LOCAL DENTISTS FORM PARTNERSHIP BUSINESS

Dental Offices of Doctors Gordon and Beck To Be Consolidated, Beginning Next Monday.

Eagle Lake's two dentists, Dr. P. T. Gordon and Dr. E. C. Beck, have formed a partnership in the practice of dentistry, the consolidation of the two offices to take effect next Monday. The new firm will be Gordon & Beck, and their offices will consist of three rooms on the second floor of the Norris building, which are now being remodeled for their convenience. They will occupy the two rooms formerly occupied by Dr. Gordon and also the adjoining room, which has been occupied by Dr. Doole, and which is now being made with connections to the dental offices and reception room. Dr. Doole has moved into the room formerly occupied by City Attorney Emanuel Roos, he moving to the former Abney & Mitchell office. Dr. Gordon and Dr. Beck are both fine dentists. Search Texas over and you will not find two more capable dentists. They are both excellent gentlemen and splendid citizens, and the consolidation of the two offices is going to make an exceptionally strong dental firm. Each Dr. Gordon and Dr. Beck will operate a chair, in different rooms, both rooms opening into the reception room.

Mr. Malcolmson not having come home at the usual time, a search was made for him and he was found in a room in the Eagle Lake Motor Car Company, in a serious condition. He was taken at once to the Fitzgerald Sanitarium, where he is receiving every attention. Mr. Malcolmson's condition is considered serious.
