NEXT SUNDAY IS GO TO CHURCH DAY FOR CITY

Church People of Eagle Lake are Making Active Campaign to Get Large Attendance.

An active campaign has been made by the local pastors and all church people of this city to make "Church-Going Day" in this city on next Sunday, January 25th, a big success. A great many people who are not in the habit of attending any church, have given their promise to attend services at some one of the churches in this city on next Sunday morning and night. There will be special services at every church in the city, and you will be heartily welcomed at any of the churches. Be sure and attend some church next Sunday, and make Eagle Lake's "Church-Going Day" one long to be remembered in this city. If you have no special church to attend, then attend services at one church in the morning and go to a different church in the evening, but be sure you go to some one of the churches. The church people are anticipating a large attendance at every church in town Sunday, and it is hoped that not only the people living here in town will attend, but that all the people living in the country around Eagle Lake will come in for services on this day. Your presence is wanted in some church next Sunday. The church people have worked hard to make this day a success, and they sincerely hope that you will visit some one of the churches on this day. The campaign has been made to get all the people to attend church. It is not a church for you to attend—but they want you to attend any church in town that you prefer to go to. If you have never attended church before in your life, or if you have not been in a church in many years, you are expected and will be welcomed in any church in the city next Sunday. Don't disappoint the church people, but attend some church next Sunday, for all the members of the various churches have worked hard and faithfully to make "Church-Going Day" in Eagle Lake a big event, and a day long to be remembered as a day of banner attendance at all the churches.

The first application caused instant relief, and now except for a little stiffness, I am almost well."—Frasher Sherman, Fulmor, Calif.

FOUR CANDIDATES HAVE ANNOUNCED FOR MAYOR

Mayor's Race is Getting Warm But Poll Tax Payments Are Coming in Rather Slowly.

With the announcement of A. M. McCarty for mayor in this week's issue, there are four candidates in the field for mayor, Messrs. N. W. Callison, H. S. Strickland and W. M. Williamson having previously announced. There is a great deal of interest being taken in the coming city election, which gives promise of being warm ere the close. All candidates, in our opinion, are in the race to stay and we do not believe that any of them will get "cold feet" before the day of the primary, so with four candidates it is a hard matter for the "book-makers" on the outside to center on the winning candidate. In the opinion of this paper the mayor's vote is going to be so divided, that it is going to be a hard matter to tell who will be the winning candidate until every ballot is counted. No other candidates for alderman have announced, leaving up to this time three candidates and two offices to be filled. The marshal's race is unchanged since last issue of this paper, only the two candidates that have previously announced, Messrs. N. W. Callison and H. S. Vineyard. The marshal's race, in our opinion, is just about an even break. Both are fine men and both very popular. We have heard men say that they liked both men so well that they expected to flip a coin, "heads I vote for Ned, tails I vote for Harvey." And that's just the way this race is going to be on election day—its going to be nip and tuck until every ballot is counted, and every vote is going to mean something in this race. City poll taxes are being paid slower than was anticipated in this campaign, but it is believed that the payment of poll taxes will be brisk during the few remaining days in which to pay them. It would be a wise idea for you to pay your poll taxes now. Do not wait until the very last thing. You might forget it at that time and you'll regret it all the next year, for this is state and county election year, and there is lots of voting to be done. From the manner in which the political year is starting off, you'll get your money's worth.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio, Has Found a Remedy.

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen of Sidney, Ohio, says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without Vinol."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

M. T. Calvert, Druggist, Eagle Lake, Texas.
