Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop to the crowning achievement of his long career, Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

A Ravenous River.

The Missouri river is the hungriest river ever created. It is eating all the time, eating yellow clay banks and cornfields; eighty acres at a mouthful; winds up its banquet with a truck garden and picking its teeth with the timbers of a big red barn. Its yearly menu is 10,000 acres of good, rich farming land, several miles of railroad, a few hundred houses, a forest or two and uncounted miles of sand bars.—American Magazine.

Notice to our Customers.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Eagle Lake Drug Co.

Cheerfully Recommended for Rheumatism.

O. G. Higbee, Danville, Ills., writes, Dec. 2, 1901: "About two years ago I was laid up for four months with rheumatism. I tried Ballard's Snow Liniment; one bottle cured me. I can cheerfully recommend it to all suffering from like affliction. 25c, 50c and $1.00. Sold by Eagle Lake Drug Co.

Do not feed your oats conspicuously until you have paid the feed store.

Mrs. S. Joyce, 189 Sullivan St., Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Cure. It cured me of a severe case of kidney trouble of several years' standing. It certainly is a grand good medicine, and I heartily recommend it." Eagle Lake Drug Co.

Gross Tax Amendment.

The senate is being applauded generally for its amendment to the gross receipts bill putting a 50 per cent tax on dealers in pistols, sixshooters, etc. The tax is so high that it will prevent the sale of this deadly weapon in Texas, and this fact will be regarded as a monument to the legislature by the good people of the State, and especially by those who have experienced the pain of the deadly weapon evil.

Do You Love

your baby? You wonder why he cries. Buy a bottle of White's Cream Vermifuge and he will never cry. Most children have worms, and the mothers don't know it. White's Cream Vermifuge rids the child of worms and cleans out its system in a pleasant way. Every mother should keep a bottle of this medicine in the house. With it, fear need never enter her mind. Price 25c. Sold by Eagle Lake Drug Co.

If the legislature could make gambling—a crime not comparable to carrying pistols—a felony, why could not it make a felon of the pistol toter? He is the man who causes more sorrow and anguish, makes more widows and orphans, disrupts more families, and disturbs more quiet and peaceable communities than all the other criminalities combined. This menace to the peace of the State should be managed and controlled in some way, and the present law does not seem effective.—Colorado Citizen.

More News From the New England States.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willimantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. Eagle Lake Drug Co.

The Drug Punster.

"I want some consecrated lye," he slowly announced as he entered the drug store.

"You mean concentrated lye?" suggested the druggist as he repressed a smile.

"Well, maybe I do. It does not mean any difference. It's what I camphor anyway. What does it sulphur?"

"A quarter a can."

"Then you can give me a can."

"I never cinamon who thought himself so witty as you do," said the druggist in a gingerly manner; feeling called upon to do a little punning himself.

It is not known just how many new offices the present legislature has created; but, counting the fifty-seven places of county superintendents of schools, the increase in justices of the peace and commissioners, the new judgeships, wardeanships and other ships, it is safe to set it down that it has created more new places than any other legislature since the war.—Galveston News.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative and my book on either Dyspesia, the Heart, or the Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the stomach, heart or kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and the cause. Weak stomach nerves—the inside nerves—means stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free book now. A minister was imploring a friend to repent his sins. "Well," said the sinner, "if you will answer one question I will become a Christian." "What is the question?" asked the man of God. "It is this: Who was Cain's wife?" "My friend," replied the preacher, "you will never be able to embrace religion until you quit bothering yourself about other men's wives."

Drs. Robinson & Foote performed an operation for a large abscess on Simon Grace, a negro living near Ramser's Point, last Sunday. The doctors made an incision over eight inches long and cleared out more than a half gallon of pus. The patient, while yet in a very serious condition, has been getting along as well as could be expected since the operation.

Commencement Exercises.

The opera house was crowded to overflowing Monday night with friends and patrons of our school to enjoy the commencement program—the graduating class consisting of two young ladies, Misses Mary Williamson and Bessie Lena Yates.

The stage was beautifully decorated with pot plants, palms, and ferns and magnolias and other cut flowers were in profusion.

First on the program was a beautiful violin quartette by Misses Jaquelin Bruce, Ruth Westmoreland, Gladys Welford and Helen McCarty, accompanied on the piano by Mrs. M. E. Guynn, after which Prof. C. K. Quin of Columbus, the newly elected county school superintendent, delivered an eloquent address. This was followed by a quartette song beautifully rendered by Mesdames Ives and Dunbar, Messrs. Walter Brown and Carothers.

Mr. W. S. Strickland, president of the school board, made a short talk on the school work, after which he presented the medals given annually by the school to each room for application and deportment. The medals were awarded as follows, the first named for application and the latter for deportment: Prof. Brigg's room—Misses Linnie Stone and Edith Hanley. Miss Davidson's room—Francis Hanley and Katie Landa. Miss Smith's room—Mamie Yates and John Neblett. Miss Lewis' room—Minnie Landa and Alice Putney. Miss Lewis stated that the medal for deportment in her room had been closely contested for and that Autrey Walker, Ruth Haynon, Mary Maud McCarty, Winnie Campbell, Sylvester Smith and Irvin Nussbaum had lost by only a fraction. Miss Buffington's room—Manuel Nussbaum and Flay Mohle.

After the presentation of medals, another lovely violin quartette was rendered by Misses Jaquelin Bruce, Mary Williamson, Zelie Green and Gladys Welford.

Mr. John R. Thatcher, a member of the school board, made a few remarks in praise of our school's able faculty. His talk was followed by loud and prolonged applause.

In a few well chosen words Prof. Briggs presented Misses Williamson and Yates with their diplomas, after which another beautiful quartette song, "Good-night, Goodnight Beloved," by Mr. and Mrs. Ives, Mrs. Dunbar and Mr. Brown, closed the appropriate and much enjoyed evening's program.

Mr. O. E. Linderholm of Chesterville was a pleasant caller at our office while in the city last Monday. He tells us that the independent telephone line between here and Chesterville is now an assured thing. He says the line is being built by Mr. R. E. Henry, who has an independent line completed from Houston to Wallis, and that the poles have been strung from Wallis to Chesterville. Mr. Linderholm says the line will be completed into Eagle Lake in about two weeks. This will give us direct telephone connection with Chesterville, Wallis, Fulshear and Simonton.

A Belated Appreciation.

The HEADLIGHT representative failed to get hold of a program at the band concert. There were several strangers among the performers, whose names could not be ascertained and as they could not be mentioned, the reporter would not be so discourteous as to eulogize our own artists. So she refrained from dilating on the beauty, grace and skill of Miss Jaquelin Bruce, who never looked better or played better, because she was not able to compliment the vocal solo of Miss Marsh of Wharton. Neither was mention made of Mrs. Leo Hahn, who in enchanting tones delivered "The Message of the Rose," (though her jeweled hands clasped a bunch of dainty sweet peas,) because of inability to do justice the singing of Miss Olivia Peine. Margaret Mansfield's charming rendition was not spoken of, because there were the young boys from Wharton who could not be named and who deserved praise. Nothing was said of the perfect accompaniments of that wonderful musician Mrs. Mansfield, whom Eagle Lake claims as "one of ours," because Miss Lillian Oshmann of Wharton who gave a piano solo in fine style would have to be ignored. Admiration for that beautiful quartet Calendula, and the selection from Norma so well rendered, was felt but unexpressed. Even our own always delightful singer, Mr. Walter Brown, whose encore brought down the house, was robbed of his dues, because a stranger with a very fine voice (Mr. Fred Daggett of San Antonio) filled the hall with music when he sang "The Child of the Desert." All this for lack of a program. Finding one in the Eagle Lake society notes, by the Galveston News correspondent, (Mrs. H. W. Rayner) the HEADLIGHT is happy to be able to throw its flowers at the musicians' feet.

The members of the school board met last Monday afternoon and elected teachers for the Eagle Lake schools for the coming year. Prof. J. E. Briggs was re-elected principal, and the same assistant teachers, Misses Mollie Davidson, Eileen Smith and Ruth Buffington—with the exception of Miss Emma Lewis who was not an applicant for re-election—were chosen again. Miss Grace Buffington who has this session been teaching the Garwood school was chosen to succeed Miss Lewis. The teachers for the colored school for next year will be S. L. Jordan, principal, Victoria President and George Stewart assistants.

Mrs. H. C. Walters of Holly Springs, Miss., arrived in the city Monday from north Texas, where she had been visiting for some time, and is the guest of Mr. and Mrs. H. W. Carothers and Mr. Walter Brown. She is the mother of Miss Helen Walters, who is well and favorably known in Eagle Lake. Mrs. Walters will also visit Mr. and Mrs. Hugh Brown in Columbus before returning to her home in Mississippi.

Mr. Walter Adams returned Wednesday from a business visit to Houston.
