THE IDLEHOUR THEATRE OPENED LAST SATURDAY

The "Idle Hour" Theatre opened in the Franz building last Saturday afternoon with a matinee. Although the afternoon was cool and crisp, a good crowd was in attendance. Since that time they have been showing nightly, giving fair programs.

Ex-Congressman John M. Moore of Richmond was a business visitor in the city Monday.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

A REMEDY FOR SMALLPOX

While so many people are excited over the smallpox situation, and others of the more conservative class, giving the scare but little concern, we are giving space to the following "Remedy For Smallpox." The clipping was preserved from a newspaper by Mrs. A. R. McCreary a number of years ago, and she sends it to us for publication. Mrs. McCreary says she knows nothing of the merits of the remedy herself, but is handing us the article to print for what it is worth:

REMEDY FOR SMALLPOX.

A correspondent of the Stockton (Cal.) Herald writes as follows:

I herewith append a recipe which has been used in hundreds of cases. It will prevent or cure the small pox though the pittings are filling. It is as unfailing as fate and conquers in every instance. It is harmless when taken even by a well person. It will cure scarlet fever. Here is the recipe as I have used it and cured my children of scarlet fever; here it is as I have used it to cure small pox: when learned physicians said patient must die, it cured,

"Sulphate of zinc, one grain; fox glove (digitalis) one grain; half a teaspoonful of sugar; mix with two tablespoonfuls of water. When thoroughly mixed add four ounces of water. Take a spoonful every hour. Either disease will disappear in twelve hours. For a child, smaller doses according to age."

If countries would compel their physicians to use this there would be no use for pest houses. If you value advice and experience, use this remedy.

Just recieved our Spring and Summer samples. Big display.

TWO HUNDRED ACRES PUT IN FIG ORCHARDS

Messrs. Kolberg & Anderson, the enterprising Eagle Lake Nursery men, just completed setting out a hundred acres in fig orchards out in the Satsuma Ridge vicinity. This makes about two hundred acres in fig orchards in that vicinity. The past season has been a very favorable one for figs, and the trees have not been killed back by the last cold spells, and there were no blizzards during the winter to injure the trees. Fig trees are now beginning to leaf out, and the prospects for a good crop of figs is very promising. Messrs. Kolberg and Anderson state that they believe the fig crop in this section this season will be the heaviest that has ever been grown here.

YOUR MONEY BACK IF YOU WANT IT

Leading Druggists Will Refund Purchase Price of Dodson's Liver Tone if You're Dissatisfied.

Calvert's drug store may not be willing to guarantee the safety and reliability of calomel for constipation and sluggish liver, but this store will and does stand back of Dodson's Liver Tone with an unconditional guarantee to refund the full purchase price (50c.) instantly without question if you are not satisfied in every way with Liver Tone and its results.

If you take calomel, perhaps you will seem to get temporary relief, but it often happens that the after-effects are at least unpleasant and sometimes dangerous. Calomel in large doses is a poison and actually deadly to some—perhaps to you—and hence its use means taking chances.

With Dodson's Liver Tone you are always safe. Its reliability is so certain that it can be sold with the money-back guarantee. It is a vegetable liquid, pleasant to take, and it cannot harm. It clears up the dulled and aching head and cleans out the clogged system in what many have found to be a wonderful way. Dodson's Liver Tone will do for you what it has done for thousands—and you run no risk in trying it. Ask Calvert's drug store about Dodson's and the guarantee.

Vice President Fox Stephens of the First National Bank, Alderman Wm. T. Chester, Rev. J. A. Stephens, the Baptist pastor, and Civil Engineer T. L. Smith attended the funeral of Rev. G. W. Story in El Campo Monday.

Mr. David Gorman of Cuero spent Sunday in the city, the guest of Mr. and Mrs. J. A. Dromgoole.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.—Adv.

FOR DELICATE CHILDREN

A Mother's Letter to Mothers.

Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee.

LEAGUE AWAKENS FROM VAN WINKLE SLUMBERS

Business League Revived and New Officers Were Elected for the Present Year.

At a meeting of the citizens in the city council rooms, at which there were about thirty of the representative business men of Eagle Lake present, Wednesday night the Eagle Lake Business League was revived. Our business men see the urgent need of a live business league, and all at the meeting entered with enthusiasm into the move to revive the business league. Officers for the league were elected as follows: E. Middleton, president; A. H. Koennecke, first vice president; Hayes Stephens, second vice president; E. L. Mooney, secretary. The following were elected directors, on Saturday, April 4th, to wit: M. G. Guynn, R. L. Westmoreland, H. Nussbaum, Dr. T. P. Doole and A. R. Pierce. The league will continue to meet on the first Thursday night, in each month. The dues will be the same as before, one dollar per month. The secretary will begin collecting dues with the first of April, and no back dues, during the time the league has been "napping" will be collected. The league will be actively behind the Business Mens' Automobile trip, and is arranging for some kind of novelty advertising caps to be worn on the trip by all in the party. There is no getting around the fact that every town needs a business league, and there are many important subjects right now to be taken up by such an organization in Eagle Lake. As long as such an organization does not undertake to do too big things (as has been the case with past organizations here) the business league will live and prosper, but when we undertake to revolutionize the world on a small scale, then the league is going to take another nap. But a live business league in Eagle Lake can be made to go and to accomplish much good for our city, and with the officers elected Wednesday night, we feel safe in saying that the league will prosper and its affairs will be conducted on business principles.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
