John B. Braden vs. Samuel Kennelly et al. } In the District Court of Colorado County, Texas, September Term, A. D. 1914.

To the Hon. M. Kennon, Judge of said Court:

Now come John B. Braden, a resident of Colorado County, Texas, styled plaintiff herein, complaining of Samuel Kennelly, F. W. Grassmeyer, F. Scranton, Frederick Scranton, D. C. Barrett, Don Carlos Barrett, Camuel Kennelly, George Barrett, LaFayette Barrett, George LaFayette Barrett, Emily W. Barrett, Eliza C. Barnett, Eliza C. Barrett, Francis A. Effinger, Francis A. Barnett, C. C. Herbert, Phoebe Barnett, Dillwyn Parrish and James Brown Potter, if living, and if any or all be dead, then of their respective heirs, all of which heirs are unknown to plaintiff, hereinafter styled defendants, and for cause of action plaintiff respectfully represents to the court as follows:

I.—That plaintiff is a resident of Colorado County, Texas.

II.—That the places of residence of each of said defendants and of each and all of said unknown heirs are unknown to this plaintiff.

III.—Plaintiff represents that the following described tract of land, situated in the State of Texas, County of Colorado, being more porticularly descibed as follows, to-wit: a part of the lower half of the S. Kennelly League about six miles South of the town of Altair in the county and state aforesaid, beginning at the South-East corner of a tract sold by Walter C. Jones to J. Frnka. Thence S. 650 W., with said Frnka's southern line 806 vrs. to the West side of the public road, said road being reserved for a public road for a width of 21 vrs. running S. 170 W. Thence continuing said line S. 650 W. 1526 vrs. to a point in said J. Frnka's southern line. Thence South 200 E. 543 vrs. to a stake in prairie. Thence N. 650 E. 2360 vrs. for stake set for corner in A. Callison's W. line. Thence N. 250 W. to place of beginning, being, designated as survey No. 1, containing 224 and 9-10 acres of land, less two acres reserved for said public road, and less two acres deeded by said Braden and his wife to the Methodist Episcopal Church at Vox Popoff by deed dated Nov. 23, 1908, recorded in the deed records of Colorado County, Texas, to which reference is here made for description of said two acres of land. For particular description of said 220 9-10 acres of land, reference is here made to the deed executed by Walter C. Jones conveying said land to John B. Braden, said deed being of record in Book Vol. 10, pages 558-60, deed records of Colorado County, Texas, said deed being dated Feb. 1, 1896.

IV.—Plaintiff represents that in addition to his fee simple title, he and those under whom he claims, and whose estate he has, have had and held peaceable, notorious, actual, and adverse possession of said land and premises cultivating, using, and enjoying the same, and paying all taxes due thereon, and having the same actually and entirely enclose by a good and lawful fence, and claiming the same under deeds duly executed, registered, and recorded in the county clerk's office of Colorado County, and in the deed records of said county for a period of more than five years prior to the assertion of any claim or claims to any part or portion of said land and premises by defendants or any of them; wherefore, plaintiff says that he now has good title to said property and premises under the five years statute of limitation of Texas, and he now pleads said five years statute of limitation against any and all claims of any nature whatsoever asserted or that might be asserted by defendants or any of them.

V.—Plaintiff further alleges that in addition to his fee simple title and his title under the said five years statute of limitation, he and those under whom he claims, and whose estate he has, have had and held actual, notorious, peaceable, and adverse possession of the lands and premises above described, cultivating, using, and enjoying the same, and having the same actually and entirely enclosed by a good and lawful fence for a period of more than ten years prior to the filing of this suit, and of the assertion of any claim or claims by defendants or any of them; wherefore, plaintiff says that he has good title to said property and premises by prescription under the said ten years statute of limitation of the State of Texas, and he now pleads said ten years statute of limitation in addition to said fee simple title and said five years statute of limitation, against any and all claims of any nature whatsoever that are or may be asserted by defendants or any of them.

VI.—Plaintiff would further represent that defendants heretofore mentioned are setting up or attempting to set up some sort of claim or claims to said property and premises adverse to plaintiff's the exact nature and character of which is unknown to him.

VII.—Plaintiff further represents that if any of the above named defendants be dedeased then whatever claim or claims their respective heirs may have to said lands and premises accrued to them as the heirs of said defendants, but that plaintiff is ignorant of such claim or claims, but, whatever claim or claims they or any of them may have or had, extends to and is a claim of ownership to said property and premises or to a portion thereof and to the right of possession of said property and premises or to a portion thereof; wherefore, plaintiff says that such claim or claims constitute a denial of plaintiff's title and right of possession, thereby casting a cloud upon plaintiff's title and preventing the free and unrestricted use and alienation of said premises by plaintiff.

VIII.—Wherefore, plaintiff prays that said defendants, and each of them and their unknown heirs be cited in terms of law by publication to appear and answer this petition at the next regular term of this court, and upon a final hearing that he have judgment for the title and possession of said premises and property, for the removal of any and all clouds from said title, and for cancellation of any and all claims that said defendants may have in, to, or against said property and premises, and for costs of suit, and for such other and further relief both in law and in equity that plaintiff may be entitled to.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Columbus, Texas this the 30th day of June A. D. 1914.

W. C. PAPENBERG, Clerk,
District Court, Colorado County.

JIM LOWREY OF HONEY GROVE FOR CONGRESSMAN AT LARGE

It is not often that The Mirror asks its readers to do any certain thing in a political way. Yet this year we feel that we would not be true to the best interest of our State and our knowledge of the man, if we did not commend to the voters Hon. Jas. H. Lowry of Honey Grove, as a candidate for Congressman-at-large. There are two men to be elected as Congressmen-at-large this year. There are several candidates. We say to you vote for Jas. H. Lowry and the other man. It makes no difference to us whom you select as the other man. What we are interested in is that you select Jim Lowry, the buttermilk philosopher, as one of the men. To know Jim Lowry is to love him. He is one of nature's nobleman. His integrity and sound judgment cannot be questioned. He stands four square and always upon the side of justice and right. His heart is tender as a woman's, yet he possesses that stalwart character which makes him a man among men and a man who is recognized as a leading light no matter into what assembly he may be placed. Jim Lowry is fully qualified to represent Texas, in the National congress, and, if he is honored by the people of Texas, will make a record which will reflect credit upon himself and honor to his State. You can make no mistake if you vote for Jas. H. Lowry for Congressman-at-large.—McGregor Mirror.

CALDWELL BASEBALL TEAM COMING HERE NEXT WEEK

The Caldwell baseball club will be here Monday, Tuesday and Wednesday for a series of three games with the home team. The Caldwell boys have been playing some fast games and some fine exhibitions of ball playing are looked for during these games. Our home club is the best that Eagle Lake has had for many years and has been playing some excellent games. They have played so far this season 25 games, winning 16 and losing 9, making a playing percentage of 660. The home club left yesterday morning for El Campo for a four days' series. They will return home Sunday night to meet the Caldwell boys here Monday. The attendance for the games this season has not been what it should be. It costs about $100 to bring a club here for three days. Manager Walker, who has been untiring in his effort to put a good club in Eagle Lake this season, hopes that the games in the future will be better attended, for our team needs not only your financial support but needs your presence which will encourage the boys to harded playing.
