CITY ELECTION NOTICE.

Eagle Lake, Texas, May 29, 1907.
(MAYOR'S OFFICE.)

By virtue of the authority vested in me as acting mayor, I do hereby order an election to be held in the city of Eagle Lake, Texas, on Tuesday, the 2nd day of July 1907, for the election of a Mayor to serve out the unexpired term of J. C. Reister, mayor, whose resignation has been accepted, to take effect July 4th 1907. I hereby appoint J. S. Woodward presiding judge of said election.

J. E. Robertson,
Mayor, Pro. Tem.

Attest: W. E. Davis, Clerk.

Pleasant to take

The new laxative. Does not gripe or nauseate. Cures stomach and liver troubles and chronic constipation by restoring the natural action of the stomach, liver and bowels.

Refuse substitutes. Price 50c.
EAGLE LAKE DRUG CO.

Catarrh

To prove unquestionably, and to avoid any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am certain that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real genuine merit. But that article must possess true merit, else the test will prove disastrous instead of helpful. Dr. Shoop's Catarrh Cure is a snow white, lasting, antiseptic balm, put up in beautiful nickel-capped glass jars at 25c. Such soothing agents as Oil Eucalyptus, Menthol, etc., are incorporated into it, making it a most agreeable, healing remedy. Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means have laxative Dr. Shoop's Aperient for Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc., surely call for Dr. Shoop's Restorative.

For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but Dr. Shoop's Catarrh Cure.

Dr. Shoop's Catarrh Cure
EAGLE LAKE DRUG CO.

ANNOUNCEMENTS.

The HEADLIGHT is authorized to announce Mr. E. S. Winfree as a candidate for Alderman of the city of Eagle Lake to fill the unexpired term of Mr. J. E. Roberts, at the election to be held on the 2nd day of July.

Pure corn chops for less at Landa's than elsewhere.

GOINGS

Summer Tourist Rates

are now in effect. Tickets on sale daily until Sept. 30, 1907. Final limit Oct. 31, 1907.

COMMENCING June 15, 1907, we will operate a Thru Sleeper to DENVER which affords those going West this Summer the most convenient and comfortable service operated from Texas.

For detail information see agent Santa Fe or address the undersigned. Our booklets on California are free. Ask for them.

Santa Fe

W. S. Keenan,
G. P. A.
Galveston.

The HEADLIGHT reporter conversed with a number of the gentlemen yesterday about the anthrax situation and learned from them that the disease is not as bad as reported. A number of cattle have died from the disease, but the report as to the number has been greatly exaggerated. We are reliably informed that not to exceed fifty head have died from the disease within the whole country around during the last three or four weeks.

Building and Loan Association.

The Building and Loan Association organized on the 26th will be a great help to the town, and will be ready for business on July 15th. They will be ready to make loans to their members on approved real estate security at once, payable in monthly installments of one per cent of the amount borrowed each month, together with interest. The interest will be calculated on a basis of about 5 per cent on the whole amount for the entire time and will be about 45c per month on the hundred dollars.

If a member owns a lot, with a good title, he can borrow, for the sake of illustration, one thousand dollars to build a cottage. With this he can put up a home that would cost, if he had to rent it, at least fifteen dollars a month. Under the plan proposed, he will pay monthly $14.50, and in one hundred months he will own the home, and have no more rents to pay.

From a civic view, we have the benefit of a neat and attractive home where now a vacant lot is accumulating rubbish and weeds; we have a home owner, anxious to make it attractive and pleasant by planting trees and ornamental shrubs; we will soon be a city of homes in place of rent shacks.

When finally launched the subscriptions exceeded the most sanguine expectations of those who first talked it up by 100 per cent, and they are still coming in. Anyone who can save a dollar a month, irrespective of age or color, is welcome to membership, and it is thought the loaning ability of the company will start at about $700 per month; this will increase gradually from payments on stock in addition to the payments on loans until it will soon reach $1,000 per month.

At yesterday's meeting the following officers were elected for the ensuing year: E. O. Norris, president; J. B. Westmoreland, vice president; W. E. B. Wicker, secretary and treasurer, W. S. Strickland, attorney. The authorized capital is $50,000, which will have to be increased as the stock matures.

To Our Friends and Customers:

In regard to the Anthrax epidemic among the cattle in this section of the State, we will say that it seems to be very general. The cattle around all the neighboring towns are affected as well as those here, and it is very difficult to obtain cattle for butchering purposes that have not been exposed to the disease. However, in defense of our business, we state that our slaughter pens, death pill and all parts of our business are subject to public inspection—in fact, we invite inspection. We kill only the most choice beef obtainable and assure our friends that no beef is killed that shows the least symptom of any disease. If you intend to give up beef as a part of your diet that's your business—if you are just simply afraid it "might" be diseased, why then it is our business to dispel your fears. Our beef will bear inspection and we guarantee it to be free from disease.

Sincerely,
SMITH & WALKER.

Miss Ida Mae Ernst gave a "linen shower" at her home last Tuesday evening in honor of Mrs. Will Beard. The bride received lots of linen, presents of all kinds and a great many handsome gifts, of cut glass and other wares. Delightful punch was served.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes that has any such professional endorsement worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients, sent free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Disastrous Fire at Rock Island.

Two of Rock Island's business houses were destroyed by fire Wednesday night. The fire originated in the store of Mr. M. C. Kelly, dry goods and groceries, and the origin of the fire is unknown. The supposition is that the blaze started from a cigarette or cigar stump thrown carelessly on the floor sometime in the evening before closing up time, and burned gradually until the whole building was in flames. Mr. H. Cheetham's hardware store caught next and was completely destroyed. We have been unable to learn whether Mr. Kelly carried any insurance. He had just recently purchased the stock of goods from Mr. T. F. Chrane and was selling same off at cost at the time of the fire. Mr. Cheetham, so we learn, had only $2,500 insurance. He carried a big line of hardware and this amount will not sustain half his loss.

A Happy Mother.

will see that her baby is properly care for—to do this a good purgative is necessary. Many babies suffer from worms and their mothers don't know it—if your baby is feverish and doesn't sleep at nights, it is troubled with worms. White's Cream Vermifuge will clean out these worms in a mild pleasant way. Once tried always used. Giveita trial. Price 25 cents. Sold by Eagle Lake Drug Co.

To Keep Plows From Rusting.

An Iowa farmer makes this suggestion:

I have had trouble in keeping plows from rusting in winter, but have found by burying in grain all shovels, colters and plows that need a bright polish, they can be kept an indefinite length of time. I have shovels that have been in oats three years and they are as bright as the day I put them in. My riding plow always scours in the spring as though I had only gone to dinner.

In ante-bellum days, old negro preachers often got things rather mixed in their interpretation of the scriptures. An old darkey quoted: "And these eight sons did Milcah bear."

"Now, Breddern," he explained, "dis old Israelite take a notion he want some milk, and dey ain't no cows for to milk, so what he do? He jos sen' his eight sons out an' dey kotch a a ba'ar and milk her. Dat what the scripture say, 'An' dese eight sons dey milk a ba'ar.'"
—Glassburr Gladiator.

CHESTERVILLE CULLINGS.

Mrs. O. E. Linderholm chaperoned the Misses Linderholm, Johnson and Jackson to Galveston and Houston Saturday afternoon.

Mrs. Bernard Atcheson and children and Miss Josephine Atherton, sisters of Mrs. Charles Salladay, who have been visiting her for two months, left Friday for Alvin.

Mrs. L. W. Kellison was pleasantly surprised last Friday afternoon at the residence of Mrs. George Gray, by the Ladies Aid and a few invited guests. The ladies presented Mrs. Kellison with a black leather hand bag and pocket-book combined. Miss Hilda Johnson of Chicago, niece of Col. John Linderholm, entertained the guests by several vocal selections, after which ice cream and cake were served.

Mrs. Kellison expects to leave Thursday for an extended visit to Kansas City, Mo., and Marion, Kansas.

Mr. O. E. Linderholm had business in Houston and Wharton Thursday.

Mr. C. H. Fetral was in Houston on business Thursday.

Mr. George Gray chaperoned a party of excursionists around the Chesterville prairies the first of the week.

Mr. P. A. Linebarger and sister, Mrs. Luella Connelly, drove to Eagle Lake Friday.

Our popular blacksmith, Mr. H. M. Fulford, has just received a new lathe, which, in connection with his gasoline engine and power drill, will enable him to turn out any kind of work in his line. This will be a great convenience for the rice farmers, and Mr. Fulford will doubtless have all he can do, as his reputation as a skilled mechanic is well known.

Weather Like This in 1858.

Colonel Lamar Fontaine, in the Delta Register, says that in looking over some old plantation records in Yazoo county he finds the weather of the present year, 1907, thus far to be exactly like that of the year 1858. The spring of 1858 was almost an exact counterpart of what we are now having. Cotton was replanted several times up to and including June. On the Fourth of July the farmers gathered their corn to feed to their stock. As there was, over the entire Delta, a general overflow of the Mississippi river, they had to gather the corn in flat-boats. "July 16, as the waters receded, they again planted corn and cotton, and made a full crop of each. No frost appeared that fall, and they gathered from their fields and gardens cantaloupes and watermelons for their Christmas dinners. The cotton stalks of 1858, were left in the fields, were not hurt by the frosts of the spring of 1859, but continued to grow, and as much as 900 pounds of 'lint' cotton was gathered from this second growth. The largest crop ever gathered around Yazoo City was from the planting made July 16, 1858. No frost appeared that fall and none until a small light one in March 1859."—Meridian (Miss) Dispatch.

Get a free sample of Dr. Shoop's "Health Coffee" at our store. If real coffee disturbs your stomach, your heart or kidneys, then try this clever coffee imitation. Dr. Shoop has closely matched old Java and Mocha coffee in flavor and taste, yet it has not a single grain of real coffee in it. Dr. Shoop's Health Coffee imitation is made from pure toasted grains or cereals, with malt, nuts, etc. Made in a minute. No tedious wait. You will surely like it. Sold by E. L. Mooney.
