BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EAGLE LAKE:

SECTION 1. The City of Eagle Lake, Colorado County, Texas, herein called "Grantor", does hereby grant unto Entex, Inc., its successors and assigns, herein called "Grantee", the right, privilege, and franchise to construct, lay, maintain, operate, use, extend, remove, replace and repair in, under, over, across, and along any and all of the present and future streets, highways, sidewalks, viaducts, bridges, streams, public grounds, public properties, and other public places in the City of Eagle Lake, and in all tracts, territories, and areas hereafter annexed to or acquired by and placed within the corporate boundaries of said municipality, a system of pipes, pipe lines, gas mains, laterals, conduits, feeders, regulators, meters, fixtures, connections, and attachments and other desirable instrumentalities and appurtenances necessary or proper, for the purpose of transporting, distributing, supplying and selling gas (natural and/or artificial and/or mixed) for heating, lighting, power and for any other purpose for which gas may now or hereafter be used, in and to said municipality and its inhabitants or any other person or persons within or without the corporate boundaries of said municipality.

SECTION 2. Grantee's property shall be so constructed and maintained as not to interfere unreasonably with traffic over the public thoroughfares of said municipality and the same shall be laid in accordance with the lines, grades, and conditions established by Grantor.

SECTION 3. Grantee shall not be required to run or extend any gas mains or service lines comprising a part of its distribution system a distance exceeding one hundred (100) feet of pipe, not to exceed a diameter of two (2) inches, in order to bring gas service to the property line of each additional customer.

SECTION 4. The service furnished hereunder to said municipality and its inhabitants shall be first-class in all respects considering all circumstances and shall be subject to such reasonable rules and regulations as Grantee may make from time to time. Grantee may require reasonable security for the payment of its bills.

SECTION 5. In consideration of the rights and privileges herein granted, Grantee agrees to pay to the Grantor annually during the continuance of this franchise a sum of money equal to two percent (2%) of the gross receipts for the preceding year received by the Grantee after the effective date of this franchise from the sale of gas [illegible] small commercial customers within the corporate limits of the Grantor. Payments hereunder shall be calculated on the basis of gross receipts from the sale of gas delivered to residential and small commercial customers within the corporate limits of Grantor during the year next preceding that on account of which the payment is made and shall be payable on or before the first day of February of the year for which payment is made, beginning with the first day of February next following the effective date of this franchise and each and every year thereafter. Upon receipt of the above amount of money, the City Secretary shall deliver to the Grantee a receipt for such amount.
