Colorado County Sheriff R.H. Wied (pictured with Santa), announced that the "Deputy Santa Program" for 2007 is getting underway at the Colorado County Sheriff's Office with a little bit of a change. Sheriff Wied announced that this year the Deputy Santa Program's focus will be a bicycle drive.

Deputy Santa Program Gearing Up

Colorado County Sheriff R.H. Wied, announced that the "Deputy Santa Program" for 2007 is getting underway at the Colorado County Sheriff's Office with a little bit of a change. Sheriff Wied announced that this year the Deputy Santa Program's focus will be a bicycle drive.

In the past year's the Deputy Santa Program has collected toys of all kinds for children ranging from the ages of ten and under, but this year we are striving for a new ambition. The Deputy Santa Program will be collecting bicycles (20-inch and smaller), tricycles, wagons, big wheels, scooters, and safety helmets only.

The Deputy Santa Program has already purchased 60 bicycles to kick off this year's event. Sheriff Wied has set our goal high, so let's see just how many bicycles can be collected during this time for distribution to our needy children throughout Colorado County.

Sheriff Wied is asking local businesses and citizens to please donate new and unused items only.

The drive will be for one wekk only. It will begin on November 26 and end on December 1. These items, assembled or unassembled, may be dropped off at the Colorado County Sheriff's Office, 215 Walnut Street, in Columbus.

Last year, over 300 children in Colorado County were provided toys to brighten their holiday season. Without help from you, the citizens and local businesses, they would have had a less fortunate holiday season.

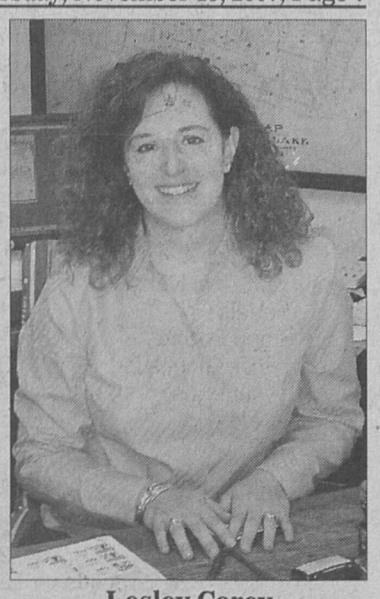
The Deputy Santa Program has an account at the Columbus State Bank for individuals or businesses interested in making a cash donation. Please be sure to include your name and address on the deposit slip when making your donation.

Remember that the items needs to be dropped off the week of November 26 to December 1. This ensures adequate time for Deputy Santa helpers to assemble, organize and determine whether additional items need to be purchased by the Deputy Santa Program.

The items will be distributed by Deputy Santa himself during the week of December 17 through the 21 to selected needy children.

Should you have any questions concerning the "Deputy Santa Program," or contributions, please feel free to contact Karen Schobel at 979-732-2388 ext. 224.

Sheriff R.H. "Curly" Wied is aiming to make the Deputy Santa Christmas 2007 another overwhelming success with this bicycle drive, and wants to thank everyone in advance for your support towards the Deputy Santa Program.



Lesley Carey

Carey Presents Program For DAR Meeting

The John Everett Chapter DAR heard some interesting information from Lesley Carey on the possibilities of growing switchgrass for ethanol.

Lesley, daughter of Joan and John Matthews of Eagle Lake, grew up learning about rice growing while she worked in a rice dryer during high school.

She has become very concerned about the agricultural economy in her home county. Although she is co-owner of Trafco, a company that makes highway signs and other products, she has developed a side line, that of growing an alternative to gasoline.

Switchgrass, she explained, grew here centuries ago and is happy and well suited in this area. She has a four-acre field growing very well and brought a sample to the meeting. Quail and other wildlife have returned to her field because they are well suited to the grass.

Switchgrass has a 15-year life and it needs no attention. It will fertilize the soil in which it grows. Parts of the grass can be processed and converted into ethanol.

More ethanol means less dependency on gas from foreign countries. Lesley hopes to continue her research, work with others interested, and create a more profitable crop for many rice farmers who are struggling to make ends meet.

Ms. Laura Ann Rau conducted a business meeting as the Chapter Regent. Vice Regent Fair Wells presented a humanitarian award to Lyle and Dana Anderson for their dedicated work at the Lighthouse with at risk teens of Eagle Lake. Their story is in another article in this paper.

Grandma Moses was a member of DAR. Clara Barton, founder of the Red Cross, was the first Surgeon General of the National DAR. Others include first female astronaut Rhea Seddon, Janet Reno and Laura Bush.

If you are interested in researching your family tree to find someone who aided in the cause of the American Revolution, and you are a female 18 years or older, call 979-732-6566, or 732-6848.
