Announcements.

The HEADLIGHT has authority to announce the following gentlemen as candidates for the respective offices, subject to the action of the White Man's Primary:

To the Electors of Colorado County:

The county school superintendent law passed by our last legislature has precipitated a great educational revival having for its object the betterment of our much neglected rural schools. We hope the friends and readers of this paper will make use of our telephone by calling up the office and telling us of any local items of which they may know. We want to give all the local news and we will appreciate your help in this way.

Lieutenant Chamberlain of Galveston is in Columbus, to which place he was ordered to open a temporary recruiting station for two weeks.

The Eagle Lake band received $100.75 as its portion of the proceeds of the carnival last week. We are glad indeed that our band received such a nice sum, for the mission of a brass band in a community is for good. Perhaps no other single feature contributes so much to a town's life and pleasure. This being a fact it is but just that a band should be looked upon in a measure as a public institution, and this view makes its success a matter of interest to every citizen. Glance for a moment at the usefulness of our band. A celebration of any kind is lame indeed without its inspiring strains. Not only does every public gathering and church festival receive benefits from the band, but other occasions as well. Its mission may truly be said to express in musical tones the voice of the people.

Mr. M. C. Yates was called to Runge last Friday night by a telegram announcing the death of Mr. J. C. Mayfield, father of Mrs. Yates, who was at her father's bedside when death came. Mr. Mayfield was for a time a resident of Eagle Lake, being engaged in rice growing, and his death will be regretted by many here.

The HEADLIGHT returns thanks to Prof. and Mrs. Z. A. Hall for an invitation to attend their play "Texas," which was so successfully put on at Columbus Thursday.

The Ladies' Literature Club met Thursday with Mrs. Frank Causey. Three new members were received. The club now numbers twenty-five. J. G. Holland was the author under consideration. Punch and cake were the refreshments served.

Mrs. H. W. Rayner sang "Lead Kindly Light" at the Episcopal church last Sunday morning. The audience was charmed with her beautiful rendition of the old favorite.

Tickling or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's; take no other. Eagle Lake Drug Co.

Mr. John Tatters writes us from Houston enclosing amount for another year's subscription to this paper. He says since he has moved away from Eagle Lake he appreciates the HEADLIGHT's weekly visits more than ever. Mr. Tatters says they are well pleased with their new home, but that he and his family will always have a tender feeling in their hearts for the people of Eagle Lake, and we can truthfully add that the people of Eagle Lake will always have the same feeling for this most estimable family.

In the HEADLIGHT today will be found the announcement of Hon. C. A. Allen of Shimek, who announces as a candidate for representative of Colorado county in the next legislature. Mr. Allen is familiar with the legislative duties, having represented this county in the 24th and also the 26th legislature, and in 1896 he arrested the county from negro representation. Mr. Allen is well known throughout the county, and if elected he will make our county an able representative, as he has done in the past. He will appreciate your vote and your support.

Mr. J. C. Reister of Houston, formerly of this place, who has been traveling freight agent for the San Antonio & Aransas Pass railroad since leaving here, has again been promoted by the railroad, this time being made commercial agent for the Sap in Houston. A. R. Cranfield of the office of commercial agent of the Rock Island-Frisco system, is to be assistant commercial agent under Mr. Reister. Mr. Reister is a fine railroad man and a splendid citizen. He entered the service of the Sap in 1896 as telegraph operator, and as a reward for faithful service he was made agent at this place in 1903, and in 1907 was promoted to the position of traveling freight agent, with headquarters at San Antonio. Mr. Reister is popular with the people of this place, having been elected mayor without opposition, resigning to take up his duties as traveling freight agent. The HEADLIGHT congratulates him upon his rapid promotion in railroad circles. Mr. Reister is now making his headquarters in Houston.

This paper is, indeed grateful for the manner in which its subscribers are sending in their subscription amounts, and also for the many cheery letters received with them.

At the special session of the commissioners court last Monday an order was passed directing the county treasurer to pay off and cancel twelve courthouse and jail bonds of $1000 each. Two years ago the court paid off $10,000 of bridge bonds and this, being followed so soon by the payment of $12,000 more, seems to be extinguishing our county indebtedness in a hurry.—Colorado Citizen.
