Announcements.

The HEADLIGHT has authority to announce the following gentlemen as candidates for the respective offices, subject to the action of the White Man's Primary:

FOR COUNTY SUPERINTENDENT.

To the Electors of Colorado County.

The county school superintendent law passed by our last legislature has precipitated a great educational revival having for its object the betterment of our public schools. Long neglected rural districts, the home of our greatest work, are benefited by the constitutional amendment which will place the children of the country and of the city on the same educational footing and in placing in charge of your schools a man of unquestioned ability, I feel justified in announcing my candidacy for this very important office and ask your support, my endeavors, time and attention to the duties of the office.

Very respectfully,
THOS. M. COULSON.

There will be preaching at the Baptist Church both morning and evening Sunday, March 29. The morning subject will be "The Death of Christ the Means of Redemption in All Ages," Heb. 9:15. In the discussion of the above theme, it will be shown that there has never been but one plan of salvation; that the gospel was preached before Christ came, and that the conditions by which the people were saved under the Old Dispensation are the same by which we are saved under the New. The evening subject will be "The Invitation Refused," Matt. 23:37, 38. There will be special music. Everybody cordially invited to attend these services.
OSCAR FERRELL.

Mr. W. Y. Westmoreland, who has rented the lake for this season, has had ten new flat bottom boats made which he had hauled to the lake yesterday. Mr. Westmoreland says the walk from the shore to the pavilion will be repaired next week and that the pavilion will be open to campers.
