Death of Miss Daisy Lane.

Flaton, Texas, January 24.—Died, at the Rice Hotel, Houston, Texas, January 23, 1907, at 11 o'clock p. m., Miss Daisy Lane, only child of Hon. Jonathan and Mrs. Alma Lane. Miss Daisy was a lovely young lady, loved by all who knew her. She was born in the town of Flaton, where her parents resided for a number of years, and had a host of relatives and friends. Her grandparents, Mr. and Mrs. J. M. Harrison, who reside here, were summoned to her bedside. She will be buried in the Flaton Cemetery this afternoon at 4 o'clock. The bereaved family have the sympathy of the entire town.

The other day Frank Auerbach, H. Montgomery, Jack Wadsworth, Ben Stephenson and J. W. Stafford took to the forest in search of small game. Frank and Henry usurped nearly all the glory, slaughtering 75 fowls. Frank killed one so far off that he had to promise Joe he would not kill any more to get Joe to go after it. The gang enjoyed a magnificent collation at Mr. E. E. Spencer's hospitable hacienda. — Colorado Citizen.

Mr. Marcus Truitt, of Houston, formerly an Eagle Lake boy, stopped off here last Friday afternoon to visit his mother and other relatives while en route to Houston from a business trip to Hallettsville. Marcus holds the responsible position of superintendent of construction for the Farmers and Bankers Warehouse Building Association, and left Houston the first of this week for Cheburne to handle a \$10,000 contract for his company.

Hurrah For Kindred.

In the senatorial election, Colorado county's representative, Hon. J. C. Kindred, cast his vote for Sam Greer. In our opinion we have never had and fear as to how Mr. Kindred would vote. We knew he would vote for what he thought was right and just, and in casting his vote against Bailey we believe he has expressed the wishes of the majority of the people of Colorado county. Following is Mr. Kindred's statement as it appeared in the Galveston News:

MR. KINDRED.—I am not voting against Mr. Bailey, but for a principle involved which is more ancient than the "Golden Fleece" or the "Roman Eagle." There are grave charges preferred and now pending against the Senator. A full, fair and thorough investigation has been ordered by unanimous vote of the House, which is now being prosecuted by a committee of seven members of the House, appointed for the purpose. Mr. Bailey is represented, as is right, by at least three eminent and capable lawyers, while it has been substantially denied the State and Representative Coker of Bexar, who filed the said charges, the privilege of representation by counsel to be chosen either by the House or by Representative Coker. I did not come here irrevocably committed to vote for or against Mr. Bailey, but I came believing that such an investigation as has been ordered would be had and concluded before election day, and hoping that Mr. Bailey might be honorably discharged of all pending charges against him. This has not been done, hence my conscientious vote to postpone.

Mr. Francis Potter, editor of the Sun at Herington, Kansas, was a pleasant caller at our office yesterday afternoon. Mr. Potter is down in this country on a pleasure trip.

Miss Bessie Smith of Palsbear spent several days here this week visiting her sister Miss Eileen Smith.

Shelly Montgomery of Columbus, a popular young traveling man, was in town calling on the local merchants last Saturday.

Miss Fannie Rauh of Columbus was here for the ball Tuesday night and spent a few days in the city visiting friends.

A postal from our friend, Capt. R. H. Underwood, instructs us to forward his HEADLIGHT to him at Huntsville after February 1st, where he will be assistant superintendent of penitentiaries. Mr. and Mrs. Virgil Oden and children of Texarkana are spending a while in the city visiting relatives. Their little daughter, Mabel, has been quite sick, having taken ill while in Bellville attending the Eldridge trial, but she is improving nicely now and will soon be well again.

Used Once Used Always.

The HEADLIGHT is making special efforts to give the people of Eagle Lake a first-class local paper and our efforts should merit more advertising than we are carrying. The paper's advertising columns should represent every business in the town, but we are sorry to say they do not. Every merchant, professional man, or real estate dealer should be represented by his home paper. Those of you who have not heretofore been advertising your business, suppose you turn over a new leaf and try the HEADLIGHT's columns awhile anyhow, and see if it doesn't pay you to advertise.

Miss Gladys Johnson, one of Columbus' charming young ladies, visited her sister Mrs. L. V. Hahn of this city for a few days the first of the week and was in attendance at the sugar boys' ball Tuesday night.

The revival services at the Christian church, conducted by W. A. Boggess, State Evangelist of Texas, and his singer, Mrs. Cox, have been well attended. The music has been excellent and promises to be an attractive feature of the meeting. The cooperation of the singers of the various churches and the Christian workers of the town has been encouraging and has been very much appreciated by the Christian church people. The good people of Eagle Lake are earnestly solicited to assist in the meeting and everybody is cordially invited to attend services every evening at 7:30 o'clock.

The farmers are rejoicing over the fine rain which fell here throughout Thursday evening, softening the earth for plowing and putting a fine season in the ground.

The Sugar Boys' Ball.

The ball given at Frazar's opera house Tuesday night by the young men of the Lakeside Sugar Refinery complimentary to their young lady friends was decidedly the crowning social event of the season.

The large hall was crowded with dancers and spectators and at 9 o'clock the grand march was formed, led by Mr. and Mrs. M. E. Gaynn, in which more than forty couples participated. During the march the handsome yellow-colored embossed programs given out, which were soon again the music being furnished by the "Nobody" band of Houston.

Refreshments of fruit punch, lemonade, sandwiches, pickles, olives and various kinds of cake were served at intervals during the evening.

Among the many handsomely gowned ladies present the HEADLIGHT reporter noticed the following:

Miss Letty Lewis—white crepe de chine over white taffeta, pink carnations.

Ray will be greatly missed by his associates here.

Nothing Like It in Years.

Anomalous weather conditions are prevailing here at present. We have so far had practically no winter and warm south winds blow continually. All vegetation is budding out and the earth wears a perfect green mantle. Every uncut cotton stalk shows new green leaves near the ground. The oldest inhabitant says it has been many years since similar conditions prevailed in this county. Rain is badly needed for stockwater and to soften up the unplowed ground. Practically all the fruit trees have budded out, which, it is feared, will cause a scarcity of fruit next season, for in case there is any cold weather, which is more than probable, all the fruit prospects will be destroyed.

Killed Forty Ducks.

Dr. B. F. Forrest and another gentleman went out on the lake for a few hours Monday morning and succeeded in bagging forty ducks. Ducks have been scarce in this section this winter but the cold snap of the first of the week brought them in great numbers. Dr. Forrest is one of the best hunters in the State and usually gets his share of game every time he goes out. He is a crack shot and as a general thing every time he fires a cartridge "there's a dead duck."

An Impromptu Dance.

A very pleasant dance was enjoyed by several couples of Eagle Lake's young society people at the opera house last Friday night. The ladies orchestra, composed of Mrs. J. J. Whately, violin, Miss Jacquelin Bruce, violin, and Miss Mary Thatcher, piano, furnished the splendid music for the occasion. This is the first dance for which the ladies have furnished the music. The boys were recipients of many compliments from the dancers.

Struck With an Axe.

Tuley Gilbert was arrested and carried to jail in Columbus Tuesday by Deputy Sheriff Harvey Vineyard on a charge of striking Thornton Jackson, another negro, in the head with an axe. The difficulty seems to have been the termination of a drunken row at Matthews. Dr. Norris was summoned to Matthews to see the injured negro and extracted several small bones from his head and face, and he seems to be getting all right again.

Moving Some.

Mr. and Mrs. Horace McRee have moved to Matthews and Mr. and Mrs. Calvert are now occupying their house. Mr. W. H. Korthauer's family have moved into their new home recently purchased from Mr. and Mrs. J. T. Westmoreland, who have moved to their old place near the standpipe which has been occupied by Mr. Joe Archer who has moved to the house vacated by Mr. Calvert.

Advertiser Changed Hands.

A change was made in the management of our contemporary, the Advertiser, Thursday, when the plant has been leased to Mr. E. B. Rowland who will continue the publication in future. Mr. Rowland for sometime has been connected with that paper. He is an all-around newspaper man and proposes to devote his whole time and attention to the paper. May his efforts be both pleasant and profitable is the wish of the HEADLIGHT.

R. Brown, Mr. and Mrs. Glenn Harbert, Misses Fannie Rauh and Gladys Johnson, Messrs. Henry and Leland Montgomery and Harry Cotton of Columbus, Mr. and Mrs. Hawthon Lewis of San Antonio and Messrs. FOX STEPHENS, Cashier.

Mr. W. A. Green of Matthews was in town on business Tuesday and called at our office to renew his subscription to the HEADLIGHT for another year. He also ordered the paper sent to his father, Mr. J. H. Green in Fall River, Tenn., for a year.

Arrested for Robbery.

Deputy Sheriff Harvey Vineyard last Saturday morning arrested two negroes, Robert Flowers and Boyd Hughes, charged with entering the house of Aaron Flowers, a negro tenant living on Mr. F. P. Herbert's place, and stealing a Winchester rifle, which they brought to Eagle Lake and sold to George Katawar for \$1.00. Mr. Vineyard recovered the rifle and also most of the money which the two negroes had divided between them. The Hughes negro had a pair of brass knuckles in his possession when arrested. The two prisoners were conveyed to jail in Columbus on the noon train Saturday. Harvey continues to keep up his record as one of the best peace officers in Southwest Texas, and the law breakers in this "neck of the woods" have a hard time evading him.

Mr. Roy Martin, who has been

living at Chesterville, was a pleasant caller at our office Monday morning and instructed us to change the mailing address of his HEADLIGHT from Chesterville to Eagle Lake. He and his family have moved nearer town and he is engaged in putting in a rice crop of two hundred acres on the Eagle Lake Irrigation company's canal. Mr. Martin is a most pleasant young gentleman and we hope to see him here again soon. He has a fine rice crop even beyond his own expectations.
