Jack Largent, the nine year old son of Mr. T. J. Largent who is connected with the light plant, was bitten on the thumb by a moccasin snake last Saturday afternoon while picking wild flowers in company with some of his companions on the creek west of town. The snake held fast to the little fellow's thumb and in throwing it off, the reptile struck one of the little fellows with him. The boy's hand and arm have been awfully swollen, and for a time it was thought that at least the thumb would have to be amputated, but the attending physician, Dr. Fitzgerald, is now of the opinion that the little fellow will soon be all right again.

Mr. Seth Cooper left Tuesday night for a short business visit to Temple.

County Attorney Lester Holt of Columbus was in the city Thursday on business.

An alarm of fire was given about half past nine o'clock last Friday night, the occasion being a small blaze at a servant's house in the rear of Miss Mildred Thatcher's home. The fire boys were "Johnnie on the spot" and soon had the blaze extinguished without damage to any extent.

The Scrap Book Club held its regular meeting on Thursday afternoon with Mrs. Carothers' hostess. "An Afternoon With Japan" was the subject and a subject more interesting could not have been selected on account of its importance among the powers since the Japanese-Russian war. The manners, customs, religion, flora and fauna were fully discussed. An interesting paper on the "Religions of Japan" was ably prepared and read by Mrs. Robinson; also another good paper on the manners and customs as portrayed by Onoto Watanna, by Mrs. Matthews. Delicious refreshments of fruit punch, cake and salted nuts were served by Miss Cora Green and Miss Mary Baker Gordon who were costumed in the National dress of Japan. The next meeting will be held with Mrs. Fell.

The writer was told while in Fort Worth by a man prominent in democratic circles that he understood that some prominent and influential newspaper man of Fort Worth was thinking very seriously of starting a democratic paper in Colorado County, and that he had been advised to locate at Eagle Lake, as that was probably the best place as it supported two papers for quite a while but one had now absorbed the other and that it was the best opening and Colorado County is in need of a democratic paper. Schülenburg Sticker.

"Rib him up," dear Sticker and tell him to come on, that your pipe dream may be realized. The business men, the advertisers, are behind the HEADLIGHT, and we want to see if politics will support a local paper. Why don't you move down yourself, dear Sticker, and we'll make you put out a better paper than you are getting now, people and Sticker enough.

LISSIE NEWS NOTES.

On Wednesday, March 25th, Miss Rhue Richardson passed away after a lingering illness at the home of Mrs. Dora E. Johnson. She had been a sufferer of that dread disease, consumption, for some time, and had been confined to her bed almost continuously for the past five months, until death came as a relief to her poor, tired body. Although Rhue has died with us less than a year, yet we have learned to love her and the memory of her life and patience will help us oftimes. She was but twenty years old and leaves two sisters younger than she, one in Jamestown, Kansas, and one in Kansas City. The many beautiful floral offerings were a tribute to the esteem in which she was held. Mrs. Johnson wishes to express her thanks to the many who so kindly assisted in the care of Rhue and for their help and assistance at her death.

Miss Clara Causey shopped in Eagle Lake Saturday.

Elder Bunsey of the Evangelical Church is expected in tonight to commence a meeting which will last the remainder of the week.

Mesdames Salladay, Maltby and the Misses Linderbook of Chosterville were here Thursday to attend the funeral of Miss Richardson.

Senator Wheeler left Thursday evening for Concordia, Kansas.

Mrs. Johnson and Mrs. Ferrell were in Eagle Lake Saturday.

Mr. J. Atkins who has been very ill is able to be out again.

The Young Peoples' Alliance held a very interesting service Sunday night. The topic was "Workers in His Vineyard," and the leader was Miss Mary Thomas.

Mr. and Mrs. C. J. Lee and children spent Sunday in Galveston.

Our little village was very pleasantly surprised Saturday night by being serenaded by the Eagle Lake band. Their sweet music was enjoyed and appreciated by all. Eagle Lake may be well proud of her band, and we trust they may oftimes pass this way. A hearty welcome will always await them in Lissie.
