ALL EAGLE LAKE STORES TO CLOSE AT 7 O'CLOCK, COMMENCING ON 15TH

The HEADLIGHT is requested to state that all the stores in Eagle Lake have entered into an agreement that they will close their places of business at seven o'clock each evening, with the exception of Saturday evenings. This early closing will commence on March 15th and will continue until the 15th of August. This advance notice is printed at the request of the business men that the people of Eagle Lake and the Eagle Lake trade territory may post themselves and do their trading accordingly. The HEADLIGHT takes this occasion to congratulate and commend the business men on this move of early closing, which enables them and those in their employment to enjoy a rest from the day's business on each evening during the dull summer season. Where all the business houses go into an agreement of this nature as they have in this instance, then no one loses anything by the early closing, and it works to the mutual advantage of all.

In the HEADLIGHT today will be found the announcements of Messrs M. G. Calvert, E. L. Mooney and C. H. Brosig, who announce for the office of alderman of Eagle Lake. Messrs Calvert and Mooney are now serving in this capacity and have made the city splendid officers and they stand for re-election on their past record. Mr. Brosig is in every way qualified to make the city a good alderman. He has the best interests of the town at heart and promises, if elected, to discharge the duties of the office to the very best of his ability. The HEADLIGHT is informed that Mr. Alex Callison, whose term as alderman expires next month, will not be a candidate for re-election. "Uncle Alex" has made an able officer and we regret very much that he will not be a candidate for re-election.

Mr. James Earthman, manager of the Draughon's School at Houston, and Mr. G. W. Earthman, manager of the Draughon school at San Antonio, are here in charge of their Eagle Lake school. They are well pleased at this place.

Three trains of soldiers, infantry from McPhearsons, Ga., mules and wagons, passed through here on the Sunset yesterday evening en route to Fort Sam Houston, San Antonio.

The Draughon's Business College gave a delightful informal social at their school in the Norris building last night, about one hundred being present. The Eagle Lake orchestra, of which the people of Eagle Lake feel justly proud, rendered sweet music after which refreshments were served. We present return a vote of thanks to the popular managers of this school for the pleasures of a most delightful evening.

The "Hog Special" on the San Antonio & Aransas Pass will arrive in Eagle Lake next Sunday afternoon at 3:51 o'clock and will remain here until the following day at 12:45 p. m. All business men and citizens, and especially the farmers, are invited to visit the train. Come early and be prepared with questions in any manner relating to hogs. They will be cheerfully answered by one of the most practical hog men in Texas.

Friday afternoon Mrs. T. W. Oliphint, assisted by Mrs. M. E. Oliphint and Miss Davis of Eagle Lake, entertained the Ladies' Reading Club. No home in Huntsville is more suitably arranged for dispensing hospitality than the Oliphint residence. The guests were met in the reception hall and the session held in the colonial white and gold parlor, which, in addition to being restful and artistic, is full of interesting things. A delightful dinnette gave opportunity to chat the hours away. Mrs. Oliphint has but recently entered the club as a member and it is to be congratulated on adding so gracious and desirable a hostess to its roster of charming hostesses.—Houston Post, Sunday.
