Editor Enjoys Reminiscences.

This paper is in receipt of the following letter from Editor J. C. Habermacher of the Shiner Gazette:

I have been reading with much pleasure the reminiscences of Mrs. Dilue Harris in your paper, and she certainly has drawn a faithful picture of the early days in Texas, and I shall await with renewed interest the future installments of her experiences. The Mr. Habermacher mentioned in one of her papers was my grandfather and the Mrs. Kokernot and wife were the parents of Mr. Lee Kokernot, the wealthy stockman living near Shiner in Gonzales county. The elder Kokernot served as an aid to General Houston during the Texas-Mexican war.

The Kind We Like to Get.

Herewith my check for $1.50, with which to push forward my subscription another year. The HEADLIGHT is a welcome visitor, as we are all deeply interested in everything that pertains to the welfare of that community.

Rev. Ham Coming to Eagle Lake.

Through the efforts of the resident pastors and many of the leading laymen of the different churches of Eagle Lake, Rev. M. F. Ham of Anchorage, Kentucky, has agreed to come to our city to hold a union meeting for all the churches represented here. The hearty co-operation of the entire membership and friends of all our churches is predicted and promised to the evangelist. His services could not be secured on any other terms. Evangelist Ham is a Baptist, but his evangelistic work co-operates easily and favorably with all Christian churches. His object is the salvation of the people and the upbuilding of Christ's kingdom without partiality. And in answering this call from all the churches from our town, he could not afford to do otherwise. So every Christian and every [illegible] should be at home in this meeting. A large tent has been secured and will be comfortably seated, and the meeting will be conducted on liberal terms and open fellowship towards all. The meeting will open on the evening of the first day of July to continue ten days or more. It is earnestly hoped that every citizen of Eagle Lake will turn out from the first service as never before. We are growing steadily and permanently in every other branch of our civil and social life as a city and community. Let us lay our hands and hearts together now for a phenominal spiritual growth. Since God has prospered us in all the temporal aspirations of our hearts, let us now manifest our gratitude to Him by lifting up heart and hand together for greater spiritual development. A union prayer-meeting was called at the Methodist church Wednesday night and every church in Eagle Lake was represented. At that prayer-meeting organization for the campaign was begun. Several committees were formed representing the different churches, but none of these were completed because the meeting had not been sufficiently advertised. Another union service will be held at the Baptist church Sunday afternoon at 5 o'clock at which the organization will be completed. All Christian people are requested to be present at this meeting.

FREE REMEDY HELPS CHILDREN

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

Dr. Caldwell's Syrup Pepsin is truly wonderful as it is especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is not dynamic-like salts, pills and powerful cathartics, which should not be given to children under any circumstances.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again—wonderful results have been secured with Syrup Pepsin over night.

You can buy it at any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

For the free sample address him, Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

Comforting Words.

Many an Eagle Lake Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Eagle Lake readers.

Mrs. S. Garmon, Main St., Eagle Lake, Tex., says: "There was a sensitiveness in the small of my back for a long time, accompanied by a dull, nagging ache over my kidneys. At night I could not sleep well and resulting from this, was a feeling of languor and an inability to do my work properly. I was unable to obtain permanent relief from the remedies I tried and hearing of Doan's Kidney Pills, I procured a box at Calvert's Drug Store. Through their use I was benefited in every way. My back and kidneys were strengthened and my health improved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Eagle Lake Was Shut Out.

The Eagle Lake baseball team went to Wharton last Friday afternoon in automobiles and suffered a shut out at the hands of the Wharton team, the score being 2 to 0. Being defeated is bad enough, but that shut out Wharton gave us was the "most unkindest cut of all." Wharton made her two runs in the fourth inning, neither being earned runs and both were made on rank errors. Vann for Eagle Lake pitched good ball, getting sixteen strike-outs, but rotten errors by the Eagle Lake team and our lack of being able to connect with the sphere lost the game. Wacey, the Wharton left handed pitcher was simply too much for us. He didn't give us a single hit; he got eighteen strike-outs and our nerve, but we can "come back" and what we want now is revenge.

Mr. Allen Conner who for some time has been making his headquarters in Wichita, Kansas, traveling for a lumber company, will shortly return to Texas, and will make Waco his headquarters. He expects to visit Eagle Lake sometime during the first week in July.

Home Destroyed by Fire.

The home of Mr. J. F. Fairbanks, about two and a half miles north of Eagle Lake near the old Henry Nelson place, was destroyed by fire at about 8 o'clock last Saturday night. The house, a five room cottage, was completely destroyed, with all the household furniture. Mr. Fairbanks saved only a few clothes. He had built a fire in the kitchen stove and had gone to his watermelon field about 300 yards from the house to get some melons when he discovered the fire. Mr. Fairbanks carried $500 insurance on the house and $200 on the furniture. We learn that he intends to rebuild.

May God send each one in the fulness of his Spirit.—OSCAR FERRELL, Pastor.

Matthews, John Matthews, Vance Duncan, Burger, Dromgoole and the Misses Smith and Thatcher.
