### Stafford Estate Contest.

Hon. T. T. Vander Hooven of San Antonio, who is temporary administrator of the estate of the late Mrs. Sarah E. Stafford, accompanied by banker J. D. Oppenheimer, came down this week to get the data necessary for making an inventory of the Stafford property in this county. The appointment of Mr. Vander Hooven as temporary administrator in this estate was brought about on account of the contest filed in the probate court of San Antonio by Mrs. Whit Boyd of Houston, R. E. Walker of Fort Worth, and Joe Stafford, Jr., grand children of Mrs. Stafford, who are seeking to set the will aside. Warren D. and Miss Myra Walker of Eagle Lake, also grand children, did not join in the contest. Mrs. Stafford bequeathed to each of her grand children, except Mrs. Boyd, ten thousand dollars, and gave the remainder of her state to her daughter, Mrs. Jno. T. Pryor of San Antonio. The will provides that if any of the heirs shall contest the same, they shall forfeit their bequests. Consequently, if the contest proves unsuccessful, R. E. Walker and Joe Stafford, Jr., will forfeit their right to the amount bequeathed them in the will. Mrs. Boyd, not having been remembered in the will, has nothing to lose by the contest. Both sides in the contest are represented by able counsel, the contestants by Carter and Lewis of San Antonio and Mayor Strickland of Eagle Lake; and Mrs. Pryor, who is named as executrix by will, is represented by Denman and Franklin, and Hon. M. H. Townsend.—Citizen.

Mrs. H. W. Rayner left Tuesday for Michigan where she will spend the remainder of the heated season.

### Be A Booster.

Do you know that there's lots o' people
Settin' round in every town
Growin' like a brood o' chickens
Knockin' every good thing down?
Don't you hate that kind of cattle,
'Cause they ain't no use on earth.
You just be a booster rooster,
Crow and boost for all you're worth.

If your town needs boostin', boost 'er,
Don't hold back, an' wait to see.
If some other feller's willin
Sell right in this country's free;
No one's got a mortgage on it,
It's just your's as much as his.
If your town's short of boosters,
You get in the boostin' biz.

If things don't just seem to suit you,
An' the world seems kinder wrong,
What's the matter with a boostin
Just to help the thing along?
Other folks don't want your grouse
We'd be in a sorry plight
You just keep that horn a blowin'
Boost 'er up with all your might.

If you see some feller trvin'
For to make some project go,
You can boost it up a trifle.
That's your cue to let him know
That you're not a goin' to knock it—
Just because it ain't your "shout."
But you're goin' to boost a little,
'Cause he's got the best thing out.

Just forget them, maybe you know
That feller's got some good points,
Them's the ones you want to show
"Cast your loaves upon the water,
They'll come back," 's a saying true.
Maybe they will come back buttered,
When some feller boosts for you.

Our congratulations are extended Mr. and Mrs. Ben Brothers of Paquin on the arrival of a pretty little blue eyed daughter at their home. Ben writes that [illegible] or Algernon Harbert for the sake of "Auld Lang Sine"—and their hard luck.

We are in receipt of a pretty souvenir card showing the handsome depot at Stuttgart, Ark., sent from that place by Capt. John J. Raezer. Mr. Raezer says the Sunset should give Eagle Lake a better depot than we have here. He says Stuttgart is not much larger than Eagle Lake but has a depot of which its citizens are justly proud.

Miss Campbell, graduate of elocution from S. A. F. C., and late from "School of Expression" in Los Angeles, California, will give a recital at the opera house Tuesday night, August 1st, for the benefit of the Lakeside Cemetery Association. All are cordially invited to attend.

Messrs. Bob Keith, J. C. Stewart, night operator for the Sunset, and [illegible]n McCarty left the first of the [illegible]k for Del Rio. From that place they will go by private conveyance to the Devil's River where they will spend a month camping, fishing and hunting.

Mr. C. S. Durham and little Miss Nina Durham returned Wednesday from a visit to South Carolina. Mr. Durham's visit was cut short owing to the accident last week in which his son, Homer, was so unfortunate as to break his leg. Mr. Durham has been appointed by the Santa Fe as agent in Eagle Lake, and will be in charge of the handsome new brick depot.

We are in receipt of a pretty souvenir card showing the principal business street in Kingsville, from Mrs. S. P. Damon of that city, saying that she missed the last copy of the HEADLIGHT. She says it's like missing a friend to miss an issue of the HEADLIGHT, as it gives her all the news of her old home town.

We thank Mr. L. F. Schultz of Chesterville for a bountiful supply of vegetables which he presented the editor on Wednesday. Mr. Schultz is one of the best truck growers in this section. He bring only the choicest of vegetables to town and says he always finds a ready sale here for his truck.

The local prohibitionists held a meeting at the Methodist Church Tuesday night, at which Dr. F. O. Norris and W. M. Williamson, Esq., were selected as delegates to the called meeting of prohibitionists which convenes in Fort Worth tomorrow. Both Dr. Norris and Mr. Williamson will attend.

Mrs. May Dobbins is suffering with a broken leg which she received some ten days ago while stepping out of a buggy into a ditch. It was at first thought the limb was not broken and it was a week after the accident that it was ascertained the bone was broken. Mrs. Dobbins is still confined to her bed, but we hope she will soon be able to be out again.

Mrs. W. C. Mersfelder returned last night from Houston where she has been in Dr. Norsworthy's hospital for some days. We are glad to note that she is greatly improved in health by her visit there.

Millie Gordon, living on the McCarty place in the bottom, was seriously cut last Friday evening by another nego woman, Lou Gray, who lives on the I. V. Duncan farm. The Gray woman used a razor, and the Gordon woman was cut in the head, on the arm and in the side. Dr. Fitzgerald was called and took thirty stitches in sewing up the wounds. Constable J. M. Callison arrested the Gray woman, who was released on bond.

VOTE IN COLORADO COUNTY

Colorado County voted strong against the statewide prohibition amendment. The election, as far as we have been able to learn, was held quietly and without dis[illegible]ty. While the Eagle Lake box was warmly contested for by both sides, it was carried on with the best of feeling, there being not the slightest difficulty during the day. Bernardo with a vote of 132 against and 1 for, Frelsburg with 3 for and 195 against, and Mentz with 0 for and 79 against, are the banner anti boxes in the county. Rock Island is the only prohibition box in the county, having voted dry by almost two to one. Weimar polled the largest vote, 520; Eagle Lake next with 381 and Columbus third with 351. Following is given the complete Colorado county vote:

| Precinct | Pro | Anti |
|---|---|---|
| Columbus | 132 | 210 |

Mr. Joe Pinchback and Miss Ada Griffitts, both popular young people of Garwood, drove to this city last Sunday and were married at the Methodist parsonage at three o'clock in the afternoon, Rev. J. T. Tracy officiating. After the ceremony Mr. and Mrs. Pinchback returned to Garwood where they will continue to make their home. They are both very popular and have a wide circle of friends throughout the Garwood community who join this paper in extending congratulations and best wishes.

A new cotton pest has made its appearance in the section around Weimar. It in appearance resembles a moth or cotton miller. It attaches itself to the leaf and sucks every particle of life from the same, the leaf falling to the ground, leaving the stalk entirely denuded of foliage. Hundreds of stalks are to be found in almost every field, without a leaf remaining, and the work of destruction goes on uninterrupted, the farmers not knowing what remedy to apply. This new insect, through its foliage of the plant, will cause cotton to die very rapidly in the fields.

The Eagle Lake ball team defeated the Liverettes of Houston here last Friday evening in the fastest, snappiest game ever played on the local diamond, the score being 1 to 0, Eagle Lake scoring the winning run in the last half of the eighteenth inning. Batteries for Houston, Holloway and Wenterman; for Eagle Lake, Vann and Vann. Strick-out by Holloway 11, by Vann 30.
