PLACED UNDER ARREST ON BURGLARY CHARGE

Deputy City Marshal Shortt Arrests White Man in Connection With Dreeben Burglary.

Deputy City Marshal Howard Shortt last Saturday night arrested a young white man, who gave his name as Thomas McDonald, in connection with the robbery of the E. A. Dreeben show cases in front of that store on Thursday night of last week. McDonald is about twenty-seven years of age, and is a stranger in this section. When arrested, Mr. Shortt says the man had in his possession a pair of shoes answering the description of those taken from the show cases. Mr. Shortt stated that at first the man said he found the shoes and other man for them. There were three pairs of shoes taken from the show cases, one pair having been found hanging up under the shed in the rear of the Dreeben store, which showed that they had been tried on, and evidently proved too small. They were size six. The man when arrested had in his pockets two silver teaspoons. He was turned over to Sheriff E. B. Mayes who conveyed him to jail in Columbus Sunday afternoon.

The FACT

That the wealthy owner of property never allows his fire insurance to expire is a strong hint to the owner of a modest home, who could ill afford a loss, to be equally provident.

LARGE SUM SUBSCRIBED FOR WORKING ROADS

Subscription List Reached Eight Hundred and Fifty Dollars; Road Work Progressing

A rousing big meeting of the citizens and business men was held in the city council rooms last Monday night to discuss and further plan for the good roads which are now being constructed in this precinct. County Commissioner W. J. Wright was present at the meeting and gave some valuable suggestions for the road improvements. Mr. Wright says he is here now with the county teams to give the needed work in this section. The citizens have now on hand about $850 which they collected by private subscription to carry out this work. As the county is paying half of the labor, furnishing the teams and feed and has also agreed to build the ferry boat at the Colorado river between here and Altair this amount of money will obtain a great deal of road work, in fact the citizens having to pay only for one half of the actual labor, it will be the means of getting several thousand dollars' of work on the roads. Special commissioners were appointed to superintend the road work. Mr. G. E. Boothe is to look after the road between here Matthews, Mr. W. S. Campbell, the Chesterville road; Mr. Gus Seaholm the Banning road; Mr. Walter Adams, the cross roads in his section, and others. The road to Garwood is now in shape for travel, and all the roads leading into Eagle Lake will be put in first class condition just as soon as the road force can get around to them. As fast as the work is completed on one road the gangs will begin work on another, which will be continued until all roads are put in good condition.

F. S. Ulery & Son will show you one of those Edison Disc Phonographs.

Peculiar After Effects of Grip This Year.

Leaves Kidneys In Weakened Condition.

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year are often very distressing and leave the system in a run down condition, particularly the kidneys, which seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp-Root is a great kidney, liver and bladder remedy, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who request it. A trial will convince any one who may be in need of it. Regular size bottle 50cts. and $1.00. For sale at all druggists. Be sure to mention this paper.—Adv.

How Is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by all dealers.—Adv.

THE CITY PARK WILL WILL BE IMPROVED

Council Accepts Kolberg's Proposition and Trees Will be Planted and Park Improved.

The city council at its meeting Tuesday morning decided to accept the proposition of the Eagle Lake Nurseries, made through the Headlight in its last issue by Messrs. Kolberg & Anderson, the nursery proprietors, for the furnishing of trees to beautify the city park. The city agrees to turn over the street force to Mr. Kolberg in the planting of the trees and otherwise fixing up the park. The council appointed Alderman W. T. Chester as park commissioner to superintend the improvement work in the park. The park has long been in need of word, and it will be gratifying to all the people of the town to know that it is to receive some attention.
