PROTEA SPECIAL REELS WAS SPLENDID PICTURE

"Protea" the five reel feature picture at the Dixie Tuesday night, was undoubtedly the best picture that has ever been shown in Eagle Lake. The picture was interesting and exciting from the first reel to the last. A large crowd was present to see the picture and every one was well pleased. "If the Dixie gets a few more pictures like that they'll get my twenty cents every night," was the general expression heard on the streets the following day. In addition to this there were three other reels, and all three were good.

FIG PRESERVING PLANT PRESERVING FINE FIGS

The Eagle Lake Fig Preserving Company's plant has been running full time the past week, boiling down and preserving a quantity of figs that were canned during the past fall season. These figs are making most excellent preserves, and are highly commented by all who eat them. The fig preserves put up by this company are indeed of an extra quality and are finer than any fig preserves we have ever seen, regardless of where or by whom they were put up. If Eagle Lake people would send a jar of these most excellent preserves to their friends living in other states it will be a fine advertisement for Eagle Lake of what is being done in the fruit and preserving lines.

Master Otto Breitkreutz is working as assistant baker at the Eagle Bakery. Otto is one of the best and steadiest working boys of his age in Eagle Lake. He is rapidly learning to be a baker, and is one of the few boys of his age that isn't afraid of work.

EAGLE LAKE HIGH SCHOOL BALL TEAM

The Eagle Lake High School baseball team has been organized for the season, with Maynard Landa captain and Carrol Stephen manager. The high school team made quite a record for itself last season, and this year the team is going to be better than ever. The boys are getting in shape and have begun practice, and in a very short while will be ready to take on any team in this section of the country in their class. The high school boys say they are going to give the first team just all the practice work they want.

BOND ELECTION CALLED TO REBUILD BRIDGES

County Judge J. J. Mansfield of Columbus was here Monday and met with the citizens of this city same night in reference to rebuilding the bridges of the county. It is understood that there will be a bond issue election held on Saturday, May 2nd, the day of the county white man's primary, to determine whether or not an additional tax of 5 cents on the hundred dollars valuation shall be levied for this purpose. Something will have to be done to rebuild the bridges, and as the county has no funds, it seems that the bond issue election is the only solution.

SAYS MANY SILOS WILL BE ERECTED

A well posted man tells us there will be lots of silos built in this vicinity the coming summer, if crops prospects look good. The drouth last year taught us a lesson that we will not forget soon," he said. "Our farmers could have saved hundreds of dollars the past winter by having silos."

EAGLE LAKE, TEXAS.

FUNERAL OF MR. STORY WAS HELD IN HOUSTON

Remains Will Be Shipped to Brooklyn, New York, For Final Resting Place.

The remains of the late G. W. Story, who died suddenly at the Drummers' Home in this city last Sunday, were shipped to Houston yesterday afternoon from El Campo, and were removed immediately to the Westheimer Undertaking parlors, where a short service was held, after which the body was committed to the company vault to await preparation for final interment in Brooklyn, N. Y., the former home of the deceased. Members of the Odd Fellows lodges of Houston met the remains on arrival at the depot in that city and accompanied it to the undertaking parlors, where they took the [illegible] services. Short services were also held over the body at El Campo, before it began the journey to Houston. Dr. William States Jacobs, pastor of the First Presbyterian Church of Houston, represented the Presbyterian church at the services. Owing to sickness in the family of the daughter of the deceased, Mrs. Alpha Leonard, of Freeport, Illinois, she was not able to attend the funeral, and only the widow and one son were relatives in attendance. Mr. Story was one of the best known ministers of Houston, having resided in that city for about twenty years, until two years ago, when he removed to El Campo. He was founder of the Hardy Street Presbyterian Church of Houston, and for eight years was its pastor. He was known as an energetic, vigorous and wise church worker and he has built numerous Presbyterian churchs in Brazoria, Matagorda, Wharton and Harris counties, and the Presbyterian church at this place was under course of construction at the time of his death. He took especial delight in this pioneer work, and was one of the moving forces in establishing the Presbyterian church in South Texas counties.

FIFTY ACRES OF SPUDS PLANTED ON PRAIRIE

The Frank Stephens Company in trying a new experiment in farming this year, having planted fifty acres in potatoes on prairie land. This land is located near the Chas. Banning place. Messrs. Gus and Ernst Seaholm are putting in the crop, and the potatoes are up to a good stand and are looking as healthy and as promising at this time as the bottom potatoes. This land was well fertilized, a thousand pounds of commercial fertilizer to the acre having been used. Should the prairie land potato growing experiment prove a success, and from present indications it will, there will no doubt be considerable acreage planted to potatoes on prairie land during the next year or so.

Messrs. Will McCormick, Will Turner and B. F. Turner spent several days in Galveston this week sight seeing.

NOTICE—I have put on a bread wagon which will make the rounds to all parts of the city every morning between the hours of 9 and 12 o'clock. You can do your own selecting and buy anything in the bakery line, freshly baked, right out of the wagon. Look for our wagon.

THE EAGLE BAKERY,
John Laughenberg, Prop.

CITY WILL ENFORCE OBSTRUCTION LAWS

Ordinance Prohibiting Throwing Trash in Streets Will Be Enforced to the Letter.

Alderman H. E. Carey, who is serving on the street committee, and who, by the way, is doing some mighty fine work for our city in that capacity, asks the Headlight to call the attention of the people of Eagle Lake to an ordinance pertaining to the filling up or obstructing ditches. This ordinance is numbered LI on the city's books, and reads as follows:

"Be it ordained by the city council of the city of Eagle Lake: That whoever shall fill up or obstruct any sewer, drain or gutter in this city so as to prevent the free flow of water therein, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than one dollar nor more than one hundred dollars."

A gaeat many of the people of the city have been throwing their tin cans, the grass cut from their yards and other rubbish in the city ditches, and on yesterday following the rain the members of the street committee were compelled to open up more than twenty-five places in the city ditches which had become filled up in this manner. The city council is going to look closely after this matter in the future and unless you want to pay a fine you had better be a little careful. The city has gone to considerable expense in digging the ditches over the city and if they are kept open, will afford the town good drainage, and the city is going to see that these ditches are kept open in the future. This is the last and only warning that the city is going to give, but the officers will be instructed to arrest all who violate this ordinance in the future.

CELEBRATES EIGHTY THIRD ANNIVERSARY

Mrs. A. R. Pierce surprised her father, Mr. A. L. Wattles, with a delightful luncheon last Sunday, in honor of his eighth-third birthday. The table was tastefully decorated, the main feature being the large birthday cake, which was beautifully decorated and embossed with the figures "83" in rose color, and the honoree's name around the side of the cake. The invited guests were Messrs. W. H. Griffin, Alex Callison and J. M. Terrell. The occasion was indeed an enjoyable one, and when the guests departed, it was with wishes that they might help to celebrate many more birthdays with Mr. Watties.

Altair Local News

Mr. J. A. Harbert visited in Houston several days last week

Mr. Geo. Walker of Nordheim, formerly of Altair, was the guest of his friends, Messrs. M. A. Reid and Ira Harris, Saturday and Sunday.

Mrs. J. C. Westmoreland and children of Eagle Lake arrived Saturday and were the guests of Mrs. L. P. Bunge and family over Sunday.

Miss Lizzita Walker returned Sunday from a few days' stay with Mr. and Mrs. C. A. Byars.

Mr. and Mrs. L. P. Bunge spent Tuesday with relatives and friends in Garwood.

Mrs. Belle Nail of Eagle Lake visited with Miss Mattie Johnson Tuesday.

Mrs. John W. Walker and little Miss Marjorie spent a few days with friends in Eagle Lake last week.

Mr. Wm. Tait of Columbus transacted business here Tuesday.

Mrs. V. E. Seward and children departed Thursday for their home in Floresville. We regret losing such good neighbors and our best wishes are for their future welfare.

CONSTABLE CALLISON BETTER LAST NIGHT

City Marshal N. W. Callison was called to Temple Wednesday on account of the serious illness of Constable J. M. Callison, following a recent operation at the sanitarium at that place. Mr. Callison's condition was very weakened at that time and his condition was considered serious. News received from Temple last night is that he was a good deal better and resting easy. We sincerely hope he will continue to improve.

We are pleased to add the name of Mrs. E. C. Cassady of Nottawa to our subscription list of readers at that place.

The Mothers' Favorite.

A cough medicine for children should be harmless. It should be pleasant to take. It should be effectual. Chamberlain's Cough Remedy is all of this and is the mothers' favorite everywhere. For sale by all dealers.—Adv.
