Unquestionable.

The pop-eyed darky on the witness stand had been content during his examination in chief to answer Yes or No to all questions, but a controversy now arose between his lawyer and the lawyer for the other side.

Wide eared, he listened while they hurled long, jawbreaking words and impressive-sounding Latin phrases between them.

The opposing counsel turned on him suddenly:

"Gabe," he demanded, "you have followed carefully this intricate discussion touching on the various aspects of medical jurisprudence involved in the issue we have here before us for adjudication; and in view of that I now desire to know whether you do or do not find that your evidence still coincides with the theory advanced by my learned brother."

The witness cast a triumphant side glance at his own attorney. Then he puffed out his lips and his chest.

"Most doubtless!" he answered.

EASY TO PUT LIVER "TO RIGHTS" NOW

Constipation Can Now Be Easily and Safely Overcome Without Use of Dangerous Calomel

Americia's best known and highest priced physicians—seven of them—were paid very large fees to pass on the formula of Dodson's Live Tone, and all of them heartily endorsed this remedy as a perfectly safe and reliable one. It takes the place of dangerous calomel in case of constipation and torpid liver.

Dodson's Liver Tone has none of the disagreeable after-effects of calomel, which is in fact a poison, a mineral, a form of dangerous mercury.

On the other hand, Dodson's Liver Tone is a strictly vegetable liquid, containing nothing harmful. It acts pleasantly, easily and naturally, without pain or gripe, and without disturbing you in all with your regular habits, diet or occupation.

Dodson's Liver Tone is guaranteed by Calvert's Drug Store who will cheerfully refund purchase price (50c.) at once if you are not entirely satisfied with it. A trial has benefited many people and probably would help you.

Brought In "Pa's Prayers."

Once upon a time sickness came to the family of the poorly paid pastor of a country church, says the Omaha World Herald. It was winter and the pastor was in financial straits. A number of his flock decided to meet at his house and offer prayers for the speedy recovery of the sick ones and for material blessings upon the pastor's family. While one of the deacons was offering a fervent prayer for blessings upon the pastor's household there was a loud knock at the door. When the door was opened a stout farmer boy was seen, wrapped up comfortably.

"What do you want boy?" asked one of the elders.

"I've brought pa's prayers" said the boy.

"Brought the prayers? What do you mean?"

"Yep, brought his prayers, an' he sent me an' he said you folks kept him a-prayin' for material help, an' I'm here with the prayers. Let me help me an' we'll get 'em in."

Investigation disclosed the fact that pa's prayers consisted of potatoes, flour, bacon, corn meal, turnips, apples, warm clothing and a lot of jellies for the sick ones. The prayer meeting adjourned in short order.—Ex.

Take Plenty of Time to Eat.

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in sickness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many users report not enough trouble. Constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.—Adv.

FOLEY BROS. BALL TEAM DROP TWO GAMES HERE

Houston Ball Team Lost Two of the Three Games With Local Team Here This Week.

The Foley Bros. baseball team of Houston arrived in Eagle Lake Tuesday afternoon from Schulenburg for a three days' series of games with the local team. The first game was a close one, the Houston boys at no stage of the game showing that they were in Eagle Lake's class. The final score was 11 to 2 in favor of Eagle Lake. The game was later than usual in getting started, and a shower during the game necessitated the calling of the game after Houston had played eight innings and Eagle Lake seven, though all the spectators were satisfied, as they were out of their class and made a mighty poor showing against the home team. If the Houston boys could play ball half as well as they can kick at every decision of the umpire, they would make a fair aggregation of ball players.

The Houston boys showed up better on the second day, and trimmed the Eagle Lake team to the tune of 2 to 0. The game was well played and was an interesting one from the very first inning. Simpson, who came to Eagle Lake team last week from Sealy, was in the box for the locals and pitched a fine game, and his work was entitled to a winning game, but some errors at critical stages of the game caused him to lose his game. The following is the score by innings:

Foley Bros	0	0	0	0	0	1	0	1	1	—2
Eagle Lake	0	0	0	0	0	0	0	0	0	—0

The third game between Eagle Lake and the Foley Bros. team of Houston was played yesterday afternoon and resulted in a victory for Eagle Lake in a score of 7 to 4. Boatright worked for Eagle Lake, but at times was given rather poor support. The whole game yesterday lacked the vim and snap necessary to a good game of ball. The players on neither side seemed to take much interest in the game, making it, to the onlookers, appear a drag game. Score by innings was as follows:

Foley Bros	0	2	0	0	1	1	0	0	0	—4
Eagle Lake	0	4	0	0	0	3	0	0	x	—7

Had a Poor Memory.

"Beg pardon, sir" observed the toughlooking waiter, suggestively. "Gentlemen at this table usually—er—remember me, sir."

"I don't wonder," said the customer, cordially. "That mug of yours would be hard to forget."

And he picked up his bill and strolled leisurly in the direction of the cashier.—Exchange.

CITY MARSHAL AGAIN WARNS AUTO DRIVERS

City Marshal H. S. Vineyard asks the Headlight to tell the owners of automobiles that they had better have their lights in front and in the rear lighted after dark. Many of the auto owners persist in running their machine after night without their lights, endangering the lives of people in doing so. Mr. Vineyard says this is the second time he has given warning through the paper. He says this is absolutely the last warning he is going to give, and if some automobile owners would rather pay a fine than to obey the law it is all right with him. But he says after this is printed he expects to arrest every auto owner caught running his car without both headlights and tail light burning after night.

MRS. KOLBERG GAVE BEAUTIFUL DINNER

Mrs. O. G. Kolberg entertained delightfully at her home at Satsuma on Wednesday in honor of Mrs. W. S. Tomlinson of Marietta, Georgia. The guests assembled at the Kolberg home at 9 o'clock in the morning, playing forty-two until the noon hour, when a dainty luncheon, of ham, pimento and cheese sandwiches, pickles, pineapple and pear salad, pineapples ice and chocolate cake were served. The house was beautiful decorated in yellow, the color scheme of yellow and green being carried out in decorations and through the menu. Shaster daises and golden glow were the flowers used. Those enjoying the delightful occasion were Mesdames. B. H. Daily, John Matthews, M. G. Calvert, N. W. Callison, A. M. McDow, Misses Kate Pegram and Jane and Lou Es Cross and the honor guest, Mrs. Tomlinson.

One Word

One word brings to mind sacrifices that has been made in smoothing for us the rough places in life. This word suggests the sleepy prayers of innocent childhood. It is synonymous with patient administration at the bedside of loved one. It is the equivalent of self imposed slavery, in far too many instances, in order that necessities may be provided. It is the secret of nine-tenths of all the success that are worth while. It is but another name for the inexhaustible store of love accessible to every one who has the slightest need of the heart treasure. This word invested with sacredness and thrown on the screen of memory is a more beautiful picture than any other word in one's vocabulary. In the language of every Nation that bestows upon woman the deference to which she is entitled, the word that represents the maximum of unselfish self-denial and love is—Mother.—James Lee Baldwin.

Mrs. Walker Lowrey writes us this week to change the mailing address of their paper from Katy to Elena, at which place, they are now making their home.

JOHN McCLANAHAN IMPROVING NICELY

The Headlight editor is in receipt of a letter from Mr. John F. McClanahan who is in Woodmen, Colorado. He encloses a picture of a group taken in the "Garden of the Gods" in which he is shown. He looks fat and well in the picture, he says: "Just a line to let you know that I am still in the land of the living, and you will note by the enclosed picture that I am getting fat and have outgrown all of my clothes." John says that he is getting along so well he believes he will be able to return to Texas about the first of January, 1916. It will be with much pleasure that this article will be read by John's many friends in this section, who join the editor of this paper in wishing that he may continue to improve until he is entirely well and strong again.
