The best proof. Read it.

G. J. Shortt, Prairie St., Eagle Lake, Tex., says: "I was in a bad way with my back, and I had sharp twinges shoot through it if I attempted to move or turn in bed. My kidneys didn't act regularly, and I was obliged to get up at night. An acquaintance, learning that I was so seriously [illegible] of a box of Doans Kidney Pills, said he had been using, saying that they were the best things for lumbago he had ever found. I used them and finding that I was improving, I procured a supply from Calvert's Drug Store. They permanently cured me, and I have had no lumbago since. There is nothing I can say too strong for Doan's Kidney Pills. I willingly confirm my former endorsement."

Senator Clark's Reply to C. J. Von Rosenberg.

Schulenburg, Tex., June 29, '14

Hon. C. J. von Rosenberg,
LaGrange, Texas.

Dear Sir:

I am very sorry you refuse to meet me in joint debate, over the 18th Senatorial District, but instead of meeting me, you write a long letter of villification; which is neither a surprise to me nor my friends. You had no sooner announced as a candidate to oppose me for the nomination, before you told on the streets of LaGrange before some of the best citizens in LaGrange, that you would beat me at Flatonia, because I had assisted a certain criminal to escape Justice, who committed an unmentionable crime upon a white lady.

And in your answer, you say you found out afterwards it was not true. You found this out, after I had denounced you as circulating a most malicious false hood. Who did you get certain [illegible] before you circulated it? Before I heard of this malicious falsehood, that you were circulating, I thought I had a gentleman as an opponent, but after I was told by some of the best men in LaGrange, that they had heard you tell that falsehood on the public street, then I knew I was dealing with a man that would do anything viscous; and after you say you found out it was not true, if you had been the gentleman you pretend to be, you would have come to me and apologized. Did you do it? No. Why? The voters of this District can answer. You refuse to meet me, because you say I made a Socialistic speech at Cat Spring and Schulenburg. I only told the truth on you, and you know, "Mr. von Rosenberg," the truth is what hurts as "Sam Jones said, "The dog, is the one to howl."

Am I a Socialist, because I said you were worth anywhere between $200,000.00 and $2,000,000? That is the estimate that your friends who know you, tell me, that you are worth. Some say $200,000.00, some say at least 2 millions. I said you made most of it in the Cotton seed Oil Mill Trust, that Cotton seed Oil Mill Trusts divided territory, and regulated price of cotton seed; that you only paid the farmers $18.00 and $20.00 per ton, when you should pay them from $30.00 to $35.00 and then could make from 20 to 30 per cent on the investment.

I see in last week's papers, that the Attorney General, will shortly file suits against all the Cotton seed Oil Mills in Texas, alleging the facts as stated above. Am I a Socialist, because I am one of the Common people, that I have no title to my name, and that you sign your name von Rosenberg, that said title in Germany, makes you just a little better than the Common people? I know lots of Germans that come to this country, who are vons, but when they come here to a free country, they are too intelligent to keep up that von, and they cut that prefix off, and become one of the Common people; but not so with von Rosenberg, who still thinks he is a little better than we Common people. No, Mr. von Rosenberg! You do not know what Socialism means, you think it means a plug man. You think that only the rich should be vons as it is in the Old Country, and that the poor people are Socialists. No, Mr. von Rosenberg, that is not the meaning of Socialism. The poor people are just as good as the rich; I have never seen or heard of any man, whom I thought was better than I am, and I never think that I am better than any good honest [illegible]

The trouble, I said I would send my representative to you, was because, when you were so nice to my face at LaGrange, behind my back you were circulating a falsehood about the negro case. I never did like to deal with a two face man. A gentleman, von Rosenberg, does not mean one thing to your face, and another thing to your back. You have affiliated so long with Trust Makers and Trust Barons, that you have lost all interest in we Common people, who know the meaning of a gentleman.

Respectfully,

DR. I. E. CLARK,
Senator 18th Senatorial District.

Mesdames M. E. Guynn, W. C. Guynn, W. E. McRee and Misses Bessie Lena Yates and Edith Frick visited Houston yesterday, going down in the Guynn car.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.

WHY WEAK LUNGS?

The toll of tuberculosis is claiming more than 350 victims every day in the United States, yet few realize their grave condition until the critical period arrives.

Overwork, worry, weakness after sickness, catarrh, bronchitis, tender throats—all exert the weakening influence that invites consumption.

To guard against consumption, thousands of people take Scott's Emulsion after meals because its rich medicinal nourishment strengthens the lungs, puts vigor in the blood, and upbuilds strength to resist tuberculosis. Scott's Emulsion is nature's strength-builder. Refuse substitutes.

The Big Saving with a

DE LAVAL

A De Laval will save enough over any gravity setting system in quantity and quality of cream, sweet skim-milk, labor, time and trouble to pay for itself every six months under ordinary conditions.

A De Laval will save enough over any other separator in closer skimming, in running heavier and smoother cream, skimming cool milk, greater capacity, easier cleaning, easier running and fewer repairs to pay for itself every year under ordinary conditions.

An up-to-date De Laval saves enough over De Laval machines of five, ten, fifteen or twenty years ago in closer separation under all conditions, greater capacity, easier running and greater mechanical perfection to pay for itself every two years under ordinary conditions.

Remember that these are not mere claims. We are always willing to let you try out a De Laval for yourself on your own place.
