## Cotton Mill Fever.

The cotton mill fever has hit Texas good and hard. The live towns are raising funds in a hurry for industrial plants. Only last week Dublin raised \$125,000, three of her citizens subscribing \$25,000 each. This week an additional amount was subscribed to make the total \$150,000. Outside capital takes \$50,000, and a cotton mill is assured for Dublin. That's the way to make a town. Keep the money busy.—McGregor Mirror.

## Quick Cure Effected.

Saturday afternoon an Atchison young lady complained of sore and throated feet. She was so crippled that he father carried her upstairs. A few hours later she was invited to attend a dancing party that night. She not only went, but danced until three o'clock Sunday morning.—Atchison Globe.

## Given up to Die

B. Spiegel, 1204 N. Virginia St. Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle, I was entirely cured. Why not let it help you?—Eagle Lake Drug Co.

America is the only Nation which has no National flower. England has the rose, France her "fleur-de-lis," Scotland the thistle, Ireland the shamrock, Japan the chrysanthemum, Greece the violet, Germany the cornflower, Egypt and India the lotus, Italy the lily, Mexico the cactus and Spain the pomegranate. There have been efforts to establish the carnation as the National flower, in honor of President McKinley, and as much as possible has been done toward that by the National legislators.

A severe cold that may develop into pneumonia, may be cured quickly by taking Foley's Honey and Tar. It will cure the most obstinate croup and strengthen your lungs. The genuine is in a yellow package. Eagle Lake Drug Co.

The Kansas legislature has abolished capital punishment and Arizona makes gambling a felony.—Eagle Lake Headlight.

And the legislature of Texas would apparently desire to make it a felony for a citizen of this State to be found with a newspaper plant, concealed about his person, by means of which he makes a living.—Bellville Times.

Mrs. Reginald White went over to Houston this morning to submit her eyes to the treatment of a specialist.—Bay City Tribune.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Eagle Lake Drug Co.

Mr. and Mrs. Ed. Hoover of Eagle Lake were in the city last week on a visit to Mr. and Mrs. Adolph Weishuhn.—Sentry News.

## Listen

and remember the next time you suffer from pain—caused by damp weather—when your head nearly bursts from neuralgia—try Ballard's Snow Liniment. It will cure you. A prominent business man of Hempstead, Texas, writes: "I have used your liniment. Previous to using it I was a great sufferer from rheumatism and neuralgia. Now I am pleased to say that I am sure I owe this to your liniment." Sold by Eagle Lake Drug Co.

A well known Philadelphia rector having a parishioner of great fluency of speech an also somewhat addicted to profanity, considered it his duty to talk to the man about his fault. The man listened for a while respectfully, and then seriously replied: "I know it's a bad habit, but you see, my words flow so rapidly that I have to throw in a 'dah' once in a while to prevent a flood."—Lippincott's.

Quino Laxative Fruit Syrup is a new remedy, an improvement on the laxatives of former years, as it does not gripe or nauseate and is pleasant to take. It is guaranteed. Eagle Lake Drug Co.

Here is an excellent paragraph from the Monroe County (Ark.) Citizen: "One of the ways to become independent is to stop buying things that you can do without on credit. The ease with which things may be secured on credit is the undoing of many a fellow who would have been all right if he could not have gotten credit. No merchant is going to fall out with the farmer who pays cash as he goes. It is the fellow who is always wanting credit that the merchant is afraid of, and the man who pays cash has to help carry the credit man."

Miss Annie Estlingbaum of Eagle Lake is in the city, guest of Mrs. Adolph Weishuhn.—Sentry News.

## Don't Complain.

If your chest pains and you are unable to sleep because of a cough, buy a bottle of Ballard's Horehound Syrup, and you won't have any cough. Cuts the cough and that cough will not last long. A cure for all pulmonary diseases. Mrs. J. J. Galveston, Texas, writes: "I can't say enough for Ballard's Horehound Syrup. The relief it has given me is all that is necessary for me to say." Sold by Eagle Lake Drug Co.

Blessed is the man who has the gift of making friends, for it is one of God's best gifts.—Thomas Hughes.

Alice Roosevelt's Wedding was something to be recorded in the annals of history. Herbine has been acknowledged the greatest of liver regulators. A positive cure for bilious headaches, constipation, chills and fever and all liver complaints. J. C. Smith, Little Rock, Ark., writes: "Herbine is the greatest liver medicine known. Have used it for years. It does the work." Sold by Eagle Lake Drug Co.

Work is being pushed rapidly on the cottage that is being erected by Jno. Norris of Glen Flora.—Bay City Tribune.

This Is Worth Remembering. Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. Do not risk your health by taking any but the genuine. It is in a yellow package. Eagle Lake Drug Co.

A preacher who used for his text, "The world, the flesh and the devil," said he would make only a few remarks on the world, touch lightly upon the flesh and hurry on to the devil.—Garland News.

## No Case on Record

There is no case on record of a cough or cold resulting in pneumonia or consumption after Foley's Honey and Tar has been taken, as it will stop your cough and break up your cold quickly. Refuse any but the genuine Foley's Honey and Tar in a yellow package. Contains no opiates and is safe and sure. Eagle Lake Drug Co.

Mr. Will Hermann of Brenham, of the firm G. Hermann & Son of this city and Brenham, came in Sunday on business connected with the new brick building which his firm will begin erecting in this city very shortly.

The fire alarm was given just about noon last Monday, the fire being a small blaze at the home of Miss Mildred Thatcher, now occupied by Mr. and Mrs. P. H. Burger. The fire boys were "Johnny-on-the-spot" and the hose cart and the entire fire company were at the scene within a very few minutes after the alarm had been given. The blaze, which was in the roof of the house, having caught from the stove, was soon extinguished, but the fire company was handicapped in its efforts to put out the fire owing to the fact that no fire pressure was on.

Master James Cox, the nine-year-old son of Mr. and Mrs. R. S. Cox of Houston, was drowned in Buffalo Bayou in Houston near the foot of White street last Saturday afternoon, while in bathing with another small boy. The body was recovered about an hour later and an inquest held by Justice McDonald of that city, whose verdict was accidental drowning. After the inquest the remains of the unfortunate child were moved to the home of the parents and were brought through here at noon Sunday en route to Columbus, where interment took place. Mr. and Mrs. L. H. Shinn, Mr. and Mrs. E. S. Winfree and Mr. and Mrs. J. L. Garrison from here attended the funeral.
