"Not a Man in the House" was the attraction at Frazar's opera house Thursday night rendered by local talent from Weimar, under the direction of Mrs. W. A. Baar of that city. A large audience greeted the visitors and the entertainment was a success in every way. The members of the cast were familiar with their parts and were perfectly at ease on the stage and every part was well rendered. Mrs. W. A. Baar played the part of "Mrs. Maria Bings," the leading role, and did justice to the character she represented. She brought down the house on several occasions during the play. "Little Miss Irma Chapman sang a pretty song between the acts. The little lady was just as sweet and cute on the stage as could be. She was heartily applauded and it was easily seen that she was a most favorite with the audience. Miss Annie Baar, the popular and talented daughter of Mr. and Mrs. W. A. Baar, rendered a beautiful recitation in a most charming manner which received loud applause from the audience. Miss Sallie Bock as "Miss Lucy Rider" the timid maiden sister, played her role to perfection, and Miss Verne Burford as "Jessie Ray" the pretty niece, in every way suited her representation. Miss Verna is a most beautiful young lady. She has often visited this city and has always been a favorite with the people of our town. Miss Emmie Van Alstyne, with powdered hair and the old time spectacles was a correct representation of an "old-fashioned elderly lady." Miss Vida Herder, the charming daughter of Mr. George Herder who is well known in Eagle Lake, as "Kate," the servant girl, by her ease of manner on the stage and her typical Irish brogue, rendered her lines in a most life-like manner. Miss Herder is one of Weimar's prettiest young ladies. The team of Arc de la Reine and tabeaux by twelve of Weimar's most charming young ladies were pretty and pleasing to the audience. The receipts of the entertainment will be used for the benefit of the Confederate Old Woman's Home. Mrs. Baar, in behalf of the company, asked the HEADLIGHT to thank the people of Eagle Lake generally for their liberal patronage, and to especially thank Mr. Fritz Emschhoff for favors and the Eagle Cornet Band for the sweet music furnished during the evening. After the entertainment a pleasant dance was enjoyed, the music for the occasion being furnished by Prof. Hilden on the piano. The verdict of the people of Eagle Lake is that Weimar is the home of the prettiest girls in Southwest Texas. We hope our fair visitors from the Prairie City will repeat their visit to our town at a far distant date.

There will be services at the Methodist church Sunday (tomorrow) morning at 11 a. m., at which service those who united during the protracted meeting will be received into the church. The sacrament of the Lord's supper will also be administered at this service. Everyone is invited to attend.

During the last few weeks the weather has been discouragingly dry. The usual March winds have been strong and very disagreeable. The crops, while not yet suffering, have begun to need rain badly. The pastures are also reported to be in need of rain in order that the grass may come out heavy enough to withstand the usual long dry summer.

City Marshal Abe Beakes went to Houston Wednesday morning to secure the custody of Jim Harris, alias Charlie Jackson, a negro who was arrested on a charge of burglary and who made his escape from the calaboose here several weeks ago.

Gro was arrested in Houston by Chief of Police Edlis of that city. Marshal Beakes conveyed the prisoner to jail in Columbus on the noon train Wednesday.

The smallpox excitement here seems to have about died out. All the negroes afflicted with the disease have been taken to the pest camp, about a half mile from town where they are being properly taken care of. In all twelve cases have been in the camp, but two have fully recovered and there are now only ten. It is only a mild form of the disease, and no one here seems to feel the least uneasiness about the situation.

J. E. Bowman, wife and three sons of South Center, Kansas, will arrive in Eagle Lake on April 5th to make this place their home. Mr. Bowman will take a position with the Tatters Gas company. He and his three sons are fine musicians and will be a great addition to the local band.

Cashier M. E. Guynn of the Eagle Lake State Bank informs us that his bank will move into Calvert's drug store during the first part of next week where it will have temporary quarters during the construction of its new building.

The following beautifully engraved invitations have been received in Eagle Lake. "Reverend Wallace Carnahan requests the honor of your presence at the marriage of his daughter Annie Sue, to Mr. Robert Moore Middlebrook, Wednesday evening, the third of April, nineteen hundred and seven, at half after seven o'clock, Saint Mark's church, San Marcos, Texas." Both Miss Carnahan and Mr. Middlebrook are well known and popular in Eagle Lake, and the large number of friends here of this most estimable young couple join the HEADLIGHT in extending in advance very best congratulations.

The next attraction on the by-come course for Eagle Lake is that Garber-Hoxon concert company which will appear at the opera house next Tuesday night, April 2nd. This will undoubtedly be one of the finest high-class entertainments to visit our city this season. The program will consist of banjo solos, violin solos, saxophone solos, twenty minutes of magic, vocal solos, banjo and guitar duets and other instrumental combinations and the playing of novelty instruments, including imitations of all sorts. Don't miss this concert next Tuesday night.

The protracted meeting at the Methodist church was brought to a close Wednesday night and Bro. Webb who has been conducting the services left the same night for his home in San Antonio. Bro. Webb is a fine preacher and has done a great deal of good in Eagle Lake. The church has been greatly revived by his preaching and six new members were added to the Methodist church during the meeting. Isabel Watson, Edith and Francis Hanley, Sophie Luedecke, Lonie Waddell and Sue Webb.

A wreck occurred on the Sunset in this city at the switch near the Aransas Pass crossing Wednesday night. Some cars were left on the side-track not entirely clear of the main line. A freight train on the main line backing down the track struck the cars a side-slick, turning over the caboose and considerably damaging two of the cars on the siding, one of which was loaded with wheat and the other with railroad ties. Fortunately no one was hurt.

Mrs. R. T. Westmoreland of Egypt is spending the week in the city with relatives.

Mr. J. M. Everitt of Lissie was in the city last Saturday and let the contract to Contractor Jackson for a handsome six room cottage to be erected at Lissie. Four nice two-story residences are now under construction at that place.

Bro. J. B. Armstrong of Kyle will conduct the dedication services in the new Baptist church tomorrow morning and Bro. W. T. Canner of Waco will fill the pulpit at that church at the evening service. Everyone is invited to attend.

We are requested to announce Easter services at the Episcopal church as follows: Preaching Saturday night, Sunday school Sunday morning with special children's service, diving service Sunday morning and night, conducted by Rev. Dr. Hart.

Elder G. N. Weaver of Timpson will preach at the Christian church tomorrow morning and night. All are invited to attend the services. The Sunday school children of that church will enjoy an "Easter egg hunt" on Mrs. McCarty's lawn after Sunday school tomorrow morning.

We are indeed sorry to learn that Mrs. S. J. Calvert, mother of our popular townsman, Mr. Mont G. Calvert, is dangerously ill with pneumonia. Miss Schultz, a trained nurse from San Antonio, arrived Thursday morning to assist in nursing Mrs. Calvert during her illness. Our earnest wish is that Mrs. Calvert may soon be well again.

Thinking to Death. Thousands of people actually think themselves to death every year by allowing their minds to dwell on morbid subjects. The disease in one's system, the thought of financial ruin, that one is getting on in life without improving prospects—any of these or a thousand similar thoughts may carry a healthy man to a premature grave. A melancholy that fixes itself upon one's mind needs as much doctoring as physical disease. It needs to be eradicated from the mind or it will have just the same result as a neglected disease would have. Every melancholy thought, every morbid action and every nagging worry should be resisted to the utmost, and the patient should be protected by cheerful thoughts, of which there is a bountiful store in every one's possession. Bright companions

are cheaper than drugs and phis-

ters. The morbid condition of mind produces a morbid condition of body, and if the disease does happen to be in the system it receives every encouragement to develop. We need more mental therapy. Suggestions.

MERIT WINS. TO WHOM IT MAY CONCERN:

The visits of Santa Claus generally occur about Christmas time, but Eagle Lake is always ahead in good things. Wednesday morning we found a lovely box of elegant strawberries on the back porch, this being the second visit of Santa Claus this spring. But we always hear from some one that Mr. C. H. Allison has been seen on our premises about the time these visits occur.
