

# SPRING TIME IS HERE!

Spring time, the time for new clothes is upon us. We have been busy every day this week opening case after case of new spring goods, goods in the latest spring designs direct from the fashion centers. Our line of spring and summer goods is now complete.

We have one of the most complete lines of American Girl Skirts ever shown in Colorado County. The American Girl Skirt is the Skirt of style and quality and recognized by fashionable ladies as the most popular and most stylish Skirt in the world of fashion. All kinds, all prices. Come in and examine our elaborate and well selected

line of these high grade Skirts before you purchase.

This stock of famous Skirts is complete in every detail. Come in and let us convince you of this fact.

We believe we can please the most fastidious person in the purchase of a skirt from our stock on hand, but should you have in mind something that you want to purchase not carried in stock we will take great pleasure in ordering it for you direct from the tailoring factory without extra cost to the buyer. We have sent in more than two dozen special skirt orders during the past week. Our one great aim is to please and satisfy our customers. Our reputation in your city for honest and fair dealings is too well established for comment along that line. Your money will be cheerfully refunded on every purchase made at our store not entirely satisfactory. The name "B. H. Daily" on a package is an emblem of reliable merchandise.

## OUR CORSET DEPARTMENT.

What is it that appeals most in a corset? SHAPE.

It leads all other corset points, but, when you get it in combination with choice materials, safe boning, with assurance of ease in wear, as you do in W. B. CORSETS, you have a satisfactory shape. Now here are pictured two stylish shapes.

We've many others for your selection, although we pick but two for this corset story. They are typical of the line, have style, a W. B. will do for your figure exactly what you want it to, give it shapely slenderness. This is just what every woman wants for true figure fashion. Come in and see them.

## NOTICE!

I now have in addition to my other tailoring lines—the Meyer & Co. line—one that you all are acquainted with—Mr. Redford, having represented himself for several years past, he having then made for his customers over 1000 suits and anyone who has a Meyer made suit can call and select a new pattern and I'll have the suit made in the latest style from the old measure, if you so desire, as Meyer & Co. keep all their customers' measures and patterns on file; and too, their workmanship speaks for itself. My knowledge of the Meyer & Co. line comes from wearing and selling the clothes, and my brother of El Campo having then made 90 per cent of his customers' suits for the past 10 years. He says a Meyer made suit is the best money can buy and considerably cheaper than one would expect, when the class of merchandise and workmanship is considered. J. G. TRAYLOR, the Tailor.

NOTICE: As I expect to commence the erection of a new hotel building on the lot where my present building now stands and want to commence the work on same just as soon as the present building can be torn down and moved away. I am offering for sale the old building as its stands. Building must be sold at once. For further particulars see MRS. CALVIN BROWN.

## Notice.

As Mr. Redford has left Eagle Lake many persons might think there is no tailor in town. I wish to state that I have bought the stock and fixtures of Mr. Redford and will continue to do tailoring at his old stand. As I have over forty years' experience as a practical tailor I am sure I can give satisfaction. I will also continue to do cleaning, pressing and repairing. When you give an order for a suit or a pair of pants go to the "only" practical tailor in Eagle Lake. J. W. SCHNEIDER.
