Gravel Truck Hits Train Early Friday

This large 1968 Mack truck, driven by Claystell Spears of Kendleton and leased to Taylor Bros. Trucking Co., was demolished at 1:06 a.m. Friday when the truck plowed into a southern Pacific freight train at the crossing on FM 1095 on the eastern edge of the city [illegible] the truck and train both were heading toward Eagle Lake. The driver of the truck failed to see the train which was pulling 30 cars and hit the 35th and 23rd [illegible] of the 70-car unit. The driver said the train was stopped when he hit it, said Chief Chisum. The front end and motor of the truck were shoved almost into the driver's lap, but fortunately he escaped without serious injury, although he was taken to the Eagle Lake Community Hospital by the local Emergency Ambulance unit. No damage resulted to the train except the jolt uncoupled the two cars hit by the truck, said the police report.

Stakem, Jr., district director.

Cost of Accidents Local $4,788,000

Do residents of Colorado County lead safer or more hazardous lives than people in other parts of the country?

Are they more liable or less liable to be involved in an accident of some sort--automobile or otherwise--during the course of a year?

According to government statistics, local people seem to be more accident-prone than the average.

The accident figures for the local area and for communities in other sections of the United States were compiled by the Public Health Service as part of its annual vital statistics surveys.

All types of accidents were taken into account, whether they occurred in the home or at work, while driving, swimming, boating or hunting.

Based upon the last three annual reports, fatal accidents in Colorado County have been averaging 19 per year, with 10 of them attributed to automobiles.

Included in the figures are all accidents in which local persons were involved, wherever they happened. Excluded were those affecting non-residents.

Related to population, the toll in the area was at the rate of 110 fatalities per 100,000 people during the three-year period.

It was a higher rate than was found in most other communities in the United States, where the average was 58 per 100,000. The rate in the West South Central States was 70.

Throughout the country, according to the National Safety Council, about 1,000 fewer persons died in traffic accidents in 1973 than in 1972.

It attributes the unusual drop to the fact that people did less driving and traveled at reduced speeds toward the end of the year, because of the energy crisis.

Accidents have been responsible for a huge economic loss in recent years, it finds. The average over the last three years is placed at $29 billion a year. This takes into account loss of wages, medical expenses, insurance payments, reduced production and property damage.

Colorado County's proportionate share of this cost, applying the average loss per accident locally, is approximately $4,788,000 a year.

Homebuilders S.S. Class Has Costume Party

Mrs. Arthur Anderson, Mrs. Dan Gertson and Mrs. Paul Wallace were hostesses for a back-to-school costume party for the Homebuilders Sunday School Class of the Lizzie United Methodist Church. The party was held at the Gertson home in Lizzie Saturday evening, August 24.

Following a delightful supper of chicken and spinach noodles, green beans, fruit salad, relishes, and home-made bread, the Rev. Walace acted as school master for a nostalgic visit back to grade school. The party goers were dressed as they would have been dressed on their first day in school. Class for the 22 students was begun by singing "My Country 'Tis of Thee" and reciting the pledge of allegiance to the flag and the Lord's Prayer. The students' papers on identification of the smells of common spices were graded. Next, the geography lesson was conducted by identifying pictures relating to Texas cities. Recess was called for banana and chocolate cake. After recess the ancient history class revealed what actually happened to some of the students when they were in school. Class was dismissed.

A short business meeting of the Homebuilders Class followed. New officers elected were: Mrs. Joe Hlavinka of East Bernard, president; Mrs. Othel Pirtle, Jr. of Eagle Lake, secretary; Mrs. Ike Etheridge of Chesterville, scholarship committee for a 2-year term; and Joe Hlavinka of East Bernard, scholarship committee for a 3-year term.

Attend Graduation At Galveston

Mrs. Arzuit Thomas and Mrs. Simon White were in Beaumont last week visiting with Mrs. Thomas' son, Mr. and Mrs. Edward Turner and family.

They went especially to accompany them to Galveston for the graduation exercises of the Turners' daughter Terry (also Mrs. Thomas' granddaughter), who received her Bachelor of Science Degree in Physical Therapy and a Certificate of Proficiency from the University of Texas Medical Branch. There were 141 who received degrees in five different categories.

Following the graduation exercises Mr. and Mrs. Turner entertained 20 guests with a dinner party in honor of their daughter. The guest list included the honoree's family, a number of her college friends, Mrs. Thomas and Mrs. White.
