Mr. J. C. Fink, who owns and conducts a large department store in Austin, Dr. J. M. Caver and Frank Allen of San Antonio were in the city yesterday. A hand car jumped the track in the Sunset yards here at the switch below the water tank at noon yesterday and hurt one of the section hands, Robt. Smith, a negro who works on section 66 at Ramsey's Point. The car was coming into town, and seeing that the switch was open, the brakeman suddenly applied the brake which caused the lever to break, throwing Smith under the car. One leg and shoulder were badly sprained but no bones were broken.

A deal was consummated this week wherein Mr. J. W. Schneider sold his tailoring business to Mr. W. C. Sanders, who re-sold the business the following day to Mr. J. G. Traylor. Mr. Traylor will continue the business at the same stand, having employed expert tailors. Mr. Clarence Harris will be in charge.

The many friends of Bro. J. B. Armstrong of Kyle, who preached in the Baptist church here last Sunday, were indeed glad to see him. Bro. Armstrong has for nearly thirty years preached to the people of Eagle Lake, and he is loved by them, especially those who know him best, for his true Christian character. He is now preaching for the churches at Buda and Kyle.

The HEADLIGHT understands that petitions are being circulated over the county, signed by John Armstrong, the negro in the Columbus jail sentenced to death on the gallows on the 26th day of this month for killing his wife, asking Gov. Campbell to commute his sentence from death to a life term in the penitentiary. One of the petitions has been received in Eagle Lake, but up to last Thursday had not been circulated.

We note by our exchanges that the business men of most of the smaller towns are agitating early closing during the summer months. Wouldn't it be a good idea for the merchants to get together on this and all agree to close their business houses at 7 o'clock during the summer every evening except Saturdays? Mr. B. Barr, in speaking to the HEADLIGHT man yesterday, said that he was heartily in favor of the move. In this way the merchants and clerks will be able to secure a good rest during the summer and if all the business houses agree to do it, no trade will be lost by any of them.

The business of the Tatters Gas Co. is increasing daily, and the demand for this company's popular gas light machines is growing all the time. Mr. John Tatters, president and manager of the company, informed us that they shipped out something over fifty machines during last week.

The people of Eagle Lake will be glad to learn that Mr. J. T. McCarty, who is now agent for the Santa Fe at Hitchcock, will be made agent for that road at this place as soon as the new depot is completed and the agency established. Mr. McCarty numbers his friends here by his acquaintances and we will all be glad to have him back with us again.

Jim Harris, who escaped from the calaboose here and was afterwards captured in Houston, charged with burglarizing one of the houses on Mr. J. J. Rager's farm and stealing a pistol, was given a preliminary trial in the Justice court Thursday afternoon, and was granted bail in the sum of \$500 by Judge Davidson and failing to make same was returned to jail in Columbus.

Lee Allen, a negro charged with forgery, having raised the amount of orders given him by Mr. F. P. Herbert to be cashed at the Eldridge store, was given a hearing in the Justice court at this place Thursday afternoon. Judge Davidson granted the defendant bail in the sum of \$500, which he failed to give and was taken back to jail in Columbus to await the action of the next grand jury.

The HEADLIGHT has sent out a large number of statements of subscription accounts to out-of-town subscribers and we hope each reader receiving a statement will make payment to the paper by check or money order by return mail. Subscribers living in Eagle Lake who are in arrears are requested to call at the office and settle their subscription accounts at once, as we expect to go over our subscription books this month and the accounts of all who are in arrears will be placed in the hands of an attorney for collection.

Mr. J. E. Bowman, wife and three sons, V. E. Chas. and Fred, arrived on the early Cane Belt Thursday morning from Smith Center, Iowa, and will make Eagle Lake their future home. He has accepted a position with the Tatters Gas Co. Mr. Bowman and the three younger Messrs. Bowman are all fine musicians and will be great additions to the local band. We are always glad to have such good people settle among us and the HEADLIGHT extends to them a hearty welcome.

Past Praying For.

A prominent politician while visiting in Washington recently took his little son with him to the senate gallery. He seemed especially interested in Dr. Edward Everett Hale and his father explained to him that Dr. Hale was chaplain of the senate.

"Oh, he prays for the senate," doesn't he?" asked the lad. "No," said the politician, "he gets up and looks at the senate and then prays for the country."

Westmoreland-McCampbell.

[Beeville Playmate.]
A very impressive ceremony, performed by Rev. L. T. Morris, pastor of the Methodist church at the home of L. E. Potter, on Wednesday evening at 7:30, made W. Y. Westmoreland and Miss Emily McCampbell man and wife. Only a few friends and the relatives of the contracting parties being present to witness the happy event.

Mr. Westmoreland is a prominent rice promoter and engineer of Eagle Lake, being known as a young man of lofty ambition and through his upright disposition won the friendship of all who had the pleasure of meeting him.

The bride is the oldest daughter of the late Joseph and Emily McCampbell and is well connected throughout this part of Texas. Being of such prominent connections it is unnecessary for the writer to go into further details. Everybody is a friend of Miss Emily and the wishes of all are that the richest blessing of God will rest upon them.

After the ceremony the guests repaired to the dining room where they were served with delicious cream and cake.

At 8:40 the bride and groom boarded the Sap train for Houston and Galveston where they will spend a while before going to Eagle Lake, their future home.

Mr. and Mrs. I. H. Snow and little daughter, Doris, of Laredo, and Mrs. R. R. McCampbell and son, Ralph, of Hebbronville, Mr. and Mrs. W. W. McCampbell of San Diego, relatives of the bride, were present.

Mrs. W. E. Lemhart left yesterday afternoon for a week's visit to relatives and friends in Houston.

The Ladies' Euchre club met Thursday afternoon with Mrs. Paul H. Burger, which was the first meeting of the club since the beginning of Lent. Guests, beside the regular club members present, were Mrs. W. A. Thatcher, Mrs. G. A. Foote and Miss Christine Davis. Delightful refreshments were served, consisting of chicken salad with cream dressing, asparagus tips on toast, cheese sandwiches, olives and iced tea. The club will meet next Thursday with Mrs. W. A. Dallas.

Another hearse was received here this week by Mr. Fritz Emhoff to be used in his undertaking business. While the vehicle was standing on a flat car waiting to be unloaded, a rock was thrown through one of the handsome plate glass sides. The authorities are yet in the dark as to who threw the rock, but it was evidently done at night. Should the person guilty of this low-down act be apprehended no doubt he will be severely punished, as one guilty of such meanness should be.

The new residence of Max M. Landis is just about completed and ready for occupancy, and it is one of the prettiest and most desirable homes in Hallettsville. The design was roughly sketched by Mrs. Landis and the contract was handled by George W. Keith of Eagle Lake, the work being personally supervised by Richard Eggers. It is commodious and comfortable, handsomely finished inside, and with complete sanitary fixtures. A servant's house has been built together with stables and other outbuildings. The home is really a pretty one and adds to our little city's appearance. — Hallettsville Herald.

Mr. W. Y. Westmoreland, accompanied by his brother, Earl, boarded the "Day Crockett" train Tuesday night for Beeville where he was married the following evening at 7:30 o'clock to Miss Emily McCampbell, a popular and accomplished young lady of that city. The ceremony took place at the residence of the bride's brother, Rev. Mitchell, the Methodist pastor at Beeville, officiating. Immediately after the ceremony Mr. and Mrs. Westmoreland took the train for a bridal trip to Houston and Galveston. They are expected to arrive in this city today and will be at home to their friends in Mr. Westmoreland's pretty home on State street. The HEADLIGHT, in common with the groom's numerous friends in Eagle Lake, wishes him and his bride a long life, and may happiness and prosperity ever reign in that home.

A great hue and cry is being made by numerous politicians for more taxes. The politicians are hungry, and the more money they can grind out of the people the more money they will have to spend, more offices created and more berths for their friends. If every taxable article in the state was given in at its full value and the tax rate doubled, it would only be a question of time until some other idea would be evolved whereby more taxes could be wrung from the people. The people are getting exceedingly tired of politicians and politics. A safe, sane, economical, business administration would be a welcome change. — Weimar Mercury.

REMEMBER we have the Pure Food Beans in cans. They are as nice as fresh beans out of the garden. — Burger Bros.
