Requirements For 1981 Crops Changed By USDA

The County ASCS office has just received the following FLASH on the 1981 Farm Program: "Compliance with the NCA, cross compliance, and offsetting compliance will not be requirements of the 1981 Wheat, Feed Grain, Upland Cotton and Rice programs. The MCA limitation is not applicable for the 1981 crop year. Any increase in acreage in 1981 shall not be used in determining normal crop acreage in future years," said County ASCS executive director D. C. Streckfuss.

"For further information of the above statements please come by or contact this office," he added.

1981 Cotton Program

The Secretary of Agriculture announced that for the third year in a row there will be no set-aside, voluntary diversion under the upland cotton program.

Form COC-182 showing payments earned in 1980 will be mailed to producers during the last part of January, 1981.

Measurement Service

"This office is prepared to furnish Measurement Service for any purpose to anyone that makes application and pays the normal fee set by the County Committee. We guarantee our measurements for any program purpose, you can't go wrong in reporting acreages," added Streckfuss.

To order rubber stamps, call The Headlight, 234-2783.

Conservation On The Farm In 1981

[By Joe Reeves, CSCD Conservationist]

The new year has begun. It is a time for new things. It is a time for change. New thoughts, actions, and outlooks are important; to accomplish new 1981 objectives.

It is a time for renewing, expanding, or implementing those things that are important, "down on the farm". Let's take a new and refreshing look at those Soil and Water Conservation practices that haven't been gotten around to yet, but are needed and wanted.

Take a look at what would be so good to do in 1981, for the farm, the soil, the wildlife, and livestock, and the crops! Have you been wanting to construct a pond to provide water for livestock and wildlife; and to stock with fish?

Have you been wanting to construct more crossfences to provide for better rotation of livestock; so better quality and greater quanity of grass can be available? This would help higher weaning and sale weights become a reality.

Have you been wanting to plant more permanent grass to fit into your present grazing system, to give more production and variety of grasses for your livestock? Have you been wanting to terrace sloping cropland? Have you been wanting to reduce tillage operations, save fuel costs, and adapt some kind of conservation tillage operation?

Do you have top soil loss? It needs to stay on the farm. It is valuable. It takes almost 400 years to build an inch of topsoil from scratch. Valuable topsoil can be washed downhill in just one flood if steps are not taken to prevent this.

Lets take a new and refreshing look at Soil and Water Conservation in 1981. Contact your local Soil and Water Conservation Service or District for their help. They are also taking a new, expanded and refreshing look at how they can get soil and water conservation on the ground in the year ahead.

Soil Conservation District News

The regular monthly meeting of the Colorado Soil and Water Conservation District directors was held on Dec. 16. Those attending were: Herbert Engstrom, chairman; Melvin Albright, secretary-treasurer; and Theo Schultz. Others attending were: Allen Sheppard, Field Representative for the State SWCD Board; Connie Fair, SCS, and Beckey Zajicek, bookkeeper-secretary.

The conservation plan of Arthur Leopeld, Jr. has been updated to show changes in his conservation cropping system.

RAIN OR SHINE

TEXAS SALE OF FARM MACHINERY

RAIN OR SHINE

FRIDAY, JANUARY 16, 1981 10:00 A.M.

ONE ESTATE SELLOUT! ONE LARGE FARM REDUCTION SELLOUT!

SALE LOCATION: 25 miles south of Houston, Texas on Hwy 288 or 2 mi north of Rosharon on Hwy. 288 at Sandy Point. Watch for sale signs. Right on highway.

Winners In Chili Cooking Contest

Eight teams participated in the First Annual Broesche Chili Cooking Contest held New Year's Day at the home of Frank and Annie Broesche. Winners pictured above are [Left to right] David Pavlicek, first place; Laverne Obenhaus and Margie Tate, second place; and Jerome and Betty Zahradnik, third place.

Broesches Open New Year With Chili Cooking Contest

Eight Teams Compete In First Annual Event

The Rose Bowl, Cotton Bowl, Sugar Bowl and Orange Bowl attracted most of the attention on New Year's Day, but in Eagle Lake it was the "Chili Bowl" that was the real "hot" spot.

Frank and Annie Broesche hosted the event, the First Annual Broesche Chili Cooking Contest, with eight creative teams trying their 'pot luck' to be named the best.

Despite the wide variety of ingredients, the unique strategies and the sometimes crude rumors being spread, the final decision of the five judges chose "Plain O' Chili, cooked by David and Carol Pavlicek as the champion of the 1981 contest.

It was a tough decision, according to the judges, with all eight entries getting some favorable comments. But, the "Plain O' Chili was the clear winner, gaining the top honor without a runoff.

When asked what they put in their chili, the Pavlicek's refused to comment. However, one contest official speculated that "they don't really know."

Other Winners

Voting for second and third place in the contest ran a little closer with a runoff for those spots needed. But in the final tabulation it was "Beg, Borrow and Steal" Chili cooked by Laverne Obenhaus and Margie Tate taking second place and "Jay's" Chili, cooked by Jerome and Betty Zahradnik winning third place.

Laverne and Margie, who entered the contest late, admitted that they did as their name indicated, beg, borrow and steal to put their runner-up pot together. A few of the generous contestants who were victimized by the "beggars", reported that the two ladies did not return the generosity when dividing their second place prize money.

Other Entries

Other entries in the first annual contest that were a little disappointed, but admitted enjoying the competition, were "Greebo" Chili by Pete and Janette Casaris, "Sweat Sock" Chili by Butch and Charlotte Broesche, "Dead Man's Curve" Chili by Bubba and Bonnie Broesche, "Mouth of Hell" Chili by Mike and Penny Henske and "Red-eye Chileye" Chili by Don ("Red" Miculka.

The competition, made up this year of mostly family members and friends from Eagle Lake and Hungerford, was held on the spacious covered patio of the Broesche home. Despite the "chili" breeze during the beautiful day, the aroma, flavor and heat of the chili helped to make the setting ideal.

Preliminary plans were made for the second annual contest at which more entries are anticipated.

Monday Nite Mixed

In Monday Nite Mixed League on Jan. 5 at the Skull Creek Lanes in Altair, the Pearl Lites bowled a 829-2377 to capture the high team game and series. Rolling a 215-594 Freddy Pelts won the men's high game and series. In the women's series Dorothy Seiph scored a 497 and high game went to Sandy Schneider with a 195. Other high rollers were Gayle Gertson 525 and Donald Obenhaus 513.

G. C. O. C. is holding the lead with 42 wins. Following behind are the Longhorns 40, A's with 39, Lost And Found with 36, Team No. 9 with 35, and in sixth Pearl Lites with 31.

Doves, Ducks, Geese Still In Season

The second half of the 1980-81 season on mourning doves in the South Zone of Texas, including this county, opened last Saturday, Jan. 3rd, and remains open through Sunday, Jan. 18, 1981.

The limit on doves is ten per day and possession limit is twenty.

Ducks and geese continue in season through Sunday, Jan. 18th, also, with legal shooting hours from one-half hour before sunrise until sunset daily.

The limit on ducks continues on the 100-point basis. The possession limit is the number of ducks that would be legal in two days of kill.

The limit on geese is six, but the daily bag limit can not include more than one dark (Canadian or Speckled Bellied) goose. The possession limit is two days' kill or a maximum of two dark geese and ten snows or blues.

Deer Season Ended

Deer season came to a close last Sunday, Jan. 4th, 1981.

- Squirrel remain in season all year long in Colorado County.
- Quail are also in season and remain in season through Feb. 15, 1981, with a daily bag limit of 12 and possession limit of 36.
- Woodcock remain in season from Nov. 15 through January 18, 1981, with a daily bag limit of five and possession limit of 10.
- Jacksnipe are in season through Feb. 15, 1981, with a daily bag limit of eight and possession limit of 16.

Raider Girls Whip Waller In District Opener Tues.

The Rice Raider girls basketball team, opened its bid for the District 22AAA crown winning in Waller on Tuesday night of this week.

The league schedule continues for the Raiders this week as they travel to Hempstead on Friday for two games beginning with the junior varsity at 6:00 p.m. followed by the varsity game at about 7:30. On Tuesday night of next week the Raiders will host Sealy for three games in Raider Gym starting with the freshmen contest at 5:00.

The Raiders, coached by Reuben Wunderlich, upped their season record to 13-4 with the win in Waller Tuesday night and are showing signs of being a strong contender for the district title. Their non-district schedule was one of the toughest among district schools and included some strong competition from several Class 5-A schools in the Houston area.

Beat Stroman Last Tues.

On Tuesday night of last week the Raiders picked up win number 11 in the season with an easy 61 to 30 win over Victoria Stroman. Yolanda McTear led scoring in that contest with 26 points for Rice with Joyce Clayton adding nine.

The Raider freshmen were also victorious beating Stroman 47 to 22. Pam Banks and Rosharon Foster each scored 16 points in the win with Sheryl Hemphill adding 12.

In the JV contest it was Rice losing 39 to 32. Angie McGrew, Joyce Parker, Pam Black and Charlene McGrew each had six points for the Raiders.

Win In Wharton

In Wharton last Friday the Raiders upped their record to 12-4 by beating the Tigerettes 63 to 35. Yolanda McTear with 18 points and nine rebounds and Mabel Bluntson with 18 points and 12 rebounds helped lead Rice to the easy win. Kim Wunderlich, who hit four of five shots, and Joyce Clayton each added eight points in the victory with Mary Ann Becak adding eight rebounds.

Both the freshman and JV Raiders came away winners in Wharton also. Foster and Hemphill combined for 31 points to lead the freshmen to a 43 to 31 win, while Angie McGrew poured in 26 points to lead the Raider JV to a 54 to 26 victory. Eve Thomas and Joyce Parker each added eight points in the JV win.

Win Three In Waller

The Raider girls breezed to three easy wins in Waller on Tuesday night of this week making a strong showing in their Dist. 22AAA opening game.

The varsity Raiders, led by Sharon McTear with 17 points and Joyce Clayton with 15 won handily over Waller 64 to 34. Patricia Fields also aided in the win with 10 points.

In the JV game it was Rice taking an 11 to 0 lead after one period as they coasted to a 54 to 22 win. Charlene McGrew and Joyce Parker combined for 36 points with Sue Perdue and Angie McGrew each adding eight.

In the freshmen contest Rice held on to a 22 to 0 lead at half on their way to a 30 to 4 victory. Sheryl Hemphill and Pam Banks combined for 18 points in the win.

Raider Boys Open Dist. Cage Play In Sealy Tues.

The Rice High School Raider boys cagers, having won seven of their last eight games, will close out their non-district schedule this Friday night hosting Royal and will open their bid for the District 22AAA title on Tuesday night of next week (Jan. 13) playing in Sealy.

Two games are on tap for this Friday in Raider Gym against Royal with the junior varsity opening action at 6 p.m. with the varsity game being played at 7:30. The Raiders will play three games in Sealy next Tuesday with the freshmen starting play at 5:00 p.m.

Despite the recent success of Coach Jack Grammer's varsity Raiders, the team is still below the .500 mark with a disappointing 8-9 record. But the Raiders appear to be on the right track and should go into the league race as one of the favorites for that title.

Lose To Wharton

The Raiders had a five-game win streak end on Tuesday night of last week losing to Wharton 51 to 41. It was a tough loss for Rice but somewhat indirative of the type of year it has been, since they had ripped Wharton 70 to 44 in the finals of the Needville Tournament three weeks ago. Victor Davis scored 21 points in that game to lead Raider scoring with Larry Haynes adding 12.

The game was the first for Rice since the holiday break and the 10-day layoff was evident. However, the Raiders, trailing 11 to 6 in the first quarter, pulled to a 19 to 19 tie at halftime and remained tied at 30 going into the final period. The score stayed close until about three minutes left in the game when three straight Raider turnovers resulted in Wharton baskets and decided the low-scoring battle.

The Raider junior varsity suffered its seventh loss of the season to Wharton last week by a score of 73-56. Ronald Dawson with 17 and Ed Thomas with 14 led scoring for Rice.

Beat Brenham

Four Raider starters in double figures helped lead Rice to a 56 to 48 win over Brenham last Friday night in Raider Gym. Haynes scored 15, Davis 12, Kenneth Bluntson 11 and David Grammer had 10 in the Raider victory.

In the JV game it was Rice losing a close one to Brenham 42 to 41, Dawson led Raider scoring with 18 with Thomas adding nine.

Win 2 of 3 in La Grange

The Raider boys managed to win two of three games played in La Grange on Tuesday night of this week with the freshmen suffering the only loss.

In the varsity contest, the Raiders found themselves trailing early in the fourth quarter but took advantage of several good bounces and several La Grange miscues to rally for a 61 to 51 win. Earnest Fields led the way for Rice with 17 points, Larry Haynes added 16, Vic Davis had 10 and Rob Johnson added nine.

The Raider JV picked up their second win of the season in their contest, whipping La Grange 61 to 38. Ronald Dawson led scoring with 11 with Wayne Dabney adding 10 in the Raider win.

It was a disappointing return to action for the Raider freshmen as they lost their game 86 to 54. The game was the first for the Raiders since Dec. 9th. Delbert Jarvis and Tony Long led scoring for the Raiders with 12 each, with Cedric Pope contributing 10 points in the loss.
