

Heart Strength

Heart strength, or Heart weakness, means nerve strength, or nerve weakness. A healthy heart is a healthy nerve. It is the heart that pumps the blood through the arteries to the various parts of the body. If the heart is weak, the blood is not pumped properly, and the body suffers. Dr. Shoop's Restorative is a powerful heart tonic that strengthens the heart and improves the circulation of the blood. It is a safe and reliable remedy for all heart ailments.

Why

have a torpid liver when Herbine, the only liver regulator, will help you? There is no reason, why you should suffer from dyspepsia, constipation, chills and fever or any liver complaint when Herbine will cure you. F. C. Wainwright, Fla., writes: "I was sick for a month with chills and fever and after taking two bottles of Herbine am well and healthy." Sold by Eagle Lake Drug Co.

Up to the present time, the Leader has read of no authentic reports of where anybody has been buried belly down so as the harder they scratch the quicker they will land in hell where they belong, nor of any body being "driven into the Gulf of Mexico." — Hemphill Leader.

How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Erit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Syrup does not nauseate or grip and is mild and pleasant to take. Refuse substitutes. Eagle Lake Drug Co.

Fine Corn

J. D. Morten, one of the "early bird" farmers of the county has one of the finest fields of corn in this section. It has been plowed out once and Mr. Morten says it is ready to plow again. It is planted in such a manner that it can be plowed six different ways. The field contains 40 acres and if we have a favorable season he will no doubt make a large yield. He says he believes the majority of the farmers do not thin their corn enough, which retards the growth of both stalk and ear. — Edna Herald.

Preventives

"Preventives" will promptly check a cold or the gripe when taken early or at the "sneeze" stage. Preventives cure seated colds as well. Preventives are little candy gold cure tablets, and Dr. Shoop, Racine, Wis., will gladly mail you samples and a book on colds free if you will write him. The samples prove their merit. Check early colds with Preventives and stop pneumonia. Sold in 5c and 25c boxes by Eagle Lake Drug Co.

Indigestion

With its companions, heart burn, flatulence, torpidity of the liver, constipation, palpitation of the heart, poor blood, headache and other nervous symptoms, indigestion is a most common and distressing ailment. It is a sign of a weak stomach, heart or kidneys and a legion of other ailments. It is at once the most widespread and destructive malady among the American people. Probably it does. Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. The News—No cure cough cure laws would be needed if all cough cures were like Dr. Shoop's Cough Cure. — and has been for 20 years. EAGLE LAKE, TEXAS, SATURDAY APRIL 27, 1907.

NUMBER 1.

From Other Papers.

Wharton-Spectator. The examining trial of W. D. Clements, charged with the killing of Sam Weaver on the 19th inst., was held at Lane City Tuesday. The defendant was admitted to bail in the sum of \$5,000 which he readily gave.

El Campo Citizen. Mr. and Mrs. Wm. Boyd of Eagle Lake came in Thursday to attend the graduating exercises of their sister, Miss Blanche Sunwall, which occurred Thursday night at the opera house.

Goliad Guard. G. S. Watson of Eagle Lake, Texas, is talking Gas in our section this week. We can back him on the gas question.

Colorado Citizen. J. V. Fruka and family have removed to the Junger cottage in the northeastern part of town, which they have purchased.

Mr. B. B. Zuber (brother of Mr. W. J. O. Zuber of Eagle Lake) was in Columbus talking up the excellencies of the product of the Price Cereal Food Co. of Chicago.

Weimar Mercury. Mrs. S. S. Newson left Saturday afternoon for a visit to relatives and friends at Eagle Lake.

While visiting in this section last Saturday Mrs. J. F. Lessing of Columbus had the misfortune to lose six gold rings, some of them very valuable and set with precious stones. It is supposed that she lost them at or near the Weimar cemetery.

Yonkum Times. Rev. D. P. Airhart was in the city at train time Tuesday on his way to Shiner from Range. Rev. Airhart has just closed a successful revival meeting in Range.

Weimar cor. In Colorado Citizen: We dislike to be too complimentary, for fear Bruce McCarty would think we were piling it on too thick, but we cannot help saying that the HEADLIGHT improves with every issue. Last week's number was bristling with newsy locals, and contained a good deal of outside news; also that it is growing in advertising patronage. Eagle Lake people seem to appreciate a good paper—city Columbus and Weimar will not do likewise.

San Antonio Light. The San Antonio & Aransas Pass Eagle Lake band arrived in this city this morning, numbering 20 strong. The leader, J. C. Reister, is the mayor of Eagle Lake, and takes great interest in the welfare of the band. They will be present on Alamo Plaza this afternoon and will take part in the parade. This band is composed of leading citizens of Eagle Lake. The band has been taken in charge by the management of the "Sap" and a good time is in store for them. They were served with a Mexican dinner and escorted around the city to see the sights since they came in. In addition to having the band in the parade, the Aransas Pass road has a fine float that will attract much attention this afternoon. It is 30 feet long and comprises a miniature of the famous "Davy Crockett" train in the way of a fine oil painting. The management of the Aransas Pass railway deserves much praise for the fine work it has done in preparing both a fine float and furnishing the band for this parade.

Sealy News. Mr. Bruce McCarty, the genial and popular editor of the Eagle Lake HEADLIGHT, was in the city yesterday and favored the News office with a most pleasant call. Mr. McCarty has made the HEADLIGHT one of the best local papers in the State and is naturally reaping just and deserving rewards for the application of ability in an unobtrusive and energetic way.

San Antonio Express. One of the best musical organizations that appeared at the carnival was the San Antonio & Aransas Pass band from Eagle Lake. This band consists of twenty pieces and makes real music. In addition to being good musicians the members of the band are well set up and wear handsome uniforms. The president of the band is J. C. Reister, who is also mayor of the city of Eagle Lake. The band attracted attention wherever it appeared in the city yesterday and several beautiful serenades were given.

San Antonio Light. Under the paternal guidance of Fred Daggett, the "Sap's" brass band from Eagle Lake tendered a serenade to the Light yesterday. Mr. J. C. Reister is leader of the organization, as well as of the community of Eagle Lake. He is the popular mayor of that thriving town. It was a brave bunch of bandmen that stood in the cutting wind and, in spite of faces and fingers blue and benumbed, gave emphatic evidence of their ability to render creditable music. From the style of the leader, it is safe to congratulate the young men of the organization upon being in such safe and musically hands, and the town of Eagle Lake upon having a good mixer for mayor.

Lockhart cor. Houston Chronicle: The most delightful social function of the season was the forty-two party given by Mrs. A. G. Reynolds on Saturday evening of last week. The home, sweet and cozy, had for its color motif green and pink. The drawing room was decorated in ferns and beautifully shaded pink roses. The library in roses of a deeper hue, palms and other potted plants; the dining room, beautiful in its appointments, had artistically placed a profusion of meteor roses, which were reflected in the handsome French plate mirror. The guests were graciously received by the hostess and Mrs. Ed. B. Coopwood. They were then ushered to the sparkling punch bowl, roseate, served by Mrs. J. P. Cardwell and Miss Floy McCurdy. Little Misses Dallas Reynolds and Alma Cardwell distributed the unique Gibson girl score cards. The place markers were letters, which bore upon their covers a

pretty scene from the same artist who revels in black and white pictures. After a series of animated games the scores showed that Miss McCurdy, Madeline M. O. Flowers and A. McDowell had tied. In drawing Mrs. McDowell was the winner. The contestant, receiving a lovely cut glass napkin. Miss Birdie Kate McDowell was consoling with a set of handsome dominoes. Most appetizing refreshments of chicken salad, olives, wafers and iced tea were served.

Caldwell cor. Galveston News: W. A. Dallas of Eagle Lake, came here last night to lecture for the Masonic lodge and to give instruction to a class. This evening and tonight a trio will have the degree of Royal Arch Mason conferred on them. The Warren Lodge No. 56, A. F. and A. M. is a very strong one and is getting stronger every year.

San Antonio Gazette. The Sap Eagle Lake band, which is here for the carnival, paid the Gazette a nice compliment this afternoon by serenading the office. The band is a fine one and it played a number of its best for the Gazette.

Mr. J. D. Carver is rehearsing for "another local talent play," "Charles's Aunt," which it is his intention to put on at the opera house next Friday night for the benefit of the cemetery association.

Messrs. Henry Cord of Austin, J. R. Westmoreland and A. C. McClanahan of this city, are holding an option on 5,000 acres of fine timber land in Sabine County, a mention of which was made in last issue of this paper. The title is being investigated and if it is found good, these gentlemen propose buying this tract and erecting a sawmill. We understand the price to be paid is \$200,000 cash.

Our sympathy is extended Mr. G. A. Stoerner in the death of his sister, Mrs. E. H. Kuenastler, which occurred at Sweet Home last Sunday morning. Mr. Stoerner left over the Aransas Pass Sunday for that place to attend the funeral.

A fine, soaking rain fell here all day and all night Sunday. The only objection to the rain was the cold weather which accompanied it, but the farmers tell us that the recent cold snaps have done no material damage to the growing crops.

Editor F. A. Norman of the Rock Island Enterprise was a business visitor in the city Tuesday and paid the HEADLIGHT office a very pleasant call. He reports the Rock Island country in a flourishing condition. Mr. Norman is a most pleasant gentleman and we were indeed glad to form his acquaintance.

The editor returns thanks to his friend, Mr. H. W. Rayner, for the following invitation, and regrets exceedingly that he was unable to be present: "The Seabrook Fishing and Hunting Club will entertain its members and their friends at its club house at Seabrook Monday, April the twenty-second, nineteen hundred and seven. You are cordially invited to be present."

The San Antonio & Aransas Pass west bound passenger train due to arrive here at 11 a. m., did not reach Eagle Lake last Sunday until after 3 o'clock in the afternoon on account of the engine breaking down between here and Chesterville. The morning papers arrive on this train and last Sunday no daily papers were obtainable until after 3 o'clock in the afternoon. Another engine was ordered from Yoakum to complete the run.

In the HEADLIGHT today will be found notice of election for school trustees to be held Saturday, May 4th. The retiring trustees are Messrs. W. S. Strickland, T. J. Roberts, P. F. Gordon and J. R. Thatcher. All four of these gentlemen have made fine trustees, and especially so has Mr. Strickland, as president of the board. He has been untiring in his efforts in building our school up to its present high standard. While none of these gentlemen have made public their intention to become candidates for re-election, the HEADLIGHT believes it will be a wise move on the part of the school patrons to induce the same four to become candidates for re-election, and then to elect them without opposition, in order that they may continue the good work which they have been doing without an interruption.

The cold weather of Saturday, Sunday and Monday brought coats and wraps into evidence again, and fires felt comfortable.
