

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure—Dr. Shoop's Local and Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—a topical Salvo's membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes, protects, infuses and strengthens the blood, local weakness and discharge while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

The Power of Cotton.

While cotton was cultivated fifteen hundred years before Christ by Hindoos and is cultivated to some extent by other countries, it is in the South that over three-fourths of the world's supply is raised.

With our youth skilled in every detail of cotton growing—seed selection, plant breeding, fertilizing, preparing the seedbed, cultivation we may confidently expect the South to hold a practical monopoly of the world's greatest staple crop, and at the same time continue to increase the yield to meet the ever increasing demand of civilization. Dr. Walter H. Page, of the World's Work, is correct in his prediction that "we are in sight of the time when the cotton grower of the old slave states will become the most prosperous tillers of the earth." It is a question of increasing the yield per acre, reducing the cost per bale, improving the fiber, and maintaining a fair price for the products.

And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other.
