

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either dyspepsia, the heart or the kidneys. Troubles of the stomach, heart or kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, bloatiness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. Restorative is sold by Eagle Lake Drug Co.

#### A Cure for Styes.

Styes are occasioned by the irritation of the hair follicle out of which an eyelash springs. They should be opened as soon as the pus is formed, for they will not get well as long as the pus remains. For inflammation of the follicles and scaliness add to an ounce of vaseline 15 grains of precipitated sulphur. In applying this ointment it is well to warm it a little, as it will not be so sticky then. A pomade to be rubbed on the lid and lashes to cure styes is: White vaseline, eight grams; white precipitate, ten centigrams; oil of birch, ten centigrams.

Kruger, ex-champion long distance foot racer of Germany and Holland, writes, Oct. 27, 1901: "During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Liniment to my greatest satisfaction. Therefore, I highly recommend Snow Liniment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c and \$1.00. Sold by Eagle Lake Drug Co.

A LOCAL newspaper is absolutely necessary to any community. It is the home paper that keeps the people of the community in touch with each other by giving them all the news of their own neighborhood and country. For that alone they are of value and worth far more than the subscription price. They keep the local pride and progressive spirit aroused and in various ways are worth far more to a community than a community ever spends on them. The daily paper, with its large news service and quicker facilities, may, in some instances overshadow the weekly, but the weekly home paper fills a place in the hearts of the people that a daily cannot fill. It comes to your home as an old and tried prince, while the daily enters as a stranger.—Sabinian Sentinel.

people who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. A MINISTER in a neighboring town while preaching on the significance of little things said: "The hand that made the mighty heavens, made a grain of sand; which made the lofty mountains, made a drop of water; which made you, made the grass in the field; which made me, made a daisy." His congregation bolted.

COMMUNITY of interest between the big trusts is plainly shown by the head of the lumber trust signing the bond of the oil trust for upwards of three million dollars. There is also something very suggestive in the fact that some, if not all the lawyers for the oil trust are strong Bailey partisans and that at least one of them represented the senator in the alleged legislative investigation. Evidence accumulates that Pierce, Bailey and Kirby are three of a kind, and that a number of their apologists would be in the same class should the opportunity permit. But the gulf yawns for all who think such thoughts as these.—Nordheim View.
