

Broke up in a Squabble.

The Eagle Lake baseball team with Manager John Gwynn in charge, left Monday morning for Yorktown for a series of three games with the team at that place but the first game ended in a squabble over a very rank decision of the umpire (a Yorktown man) and the Eagle Lake boys quit the field and took the first train out for Yoakum where they have since been playing a series of games. A special from Yorktown in the Houston Chronicle dated July 16th, has this to say of the game:

ment they received while in Yoakum, and they are anxious that the Yoakum boys come to Eagle Lake for a return series that they may have a chance to reciprocate.

The Eagle Lake baseball team left last night on the Cane Belt for Bellville where they play a series of games with the team at that place Saturday, Sunday and Monday. The boys from Luling will be here for three games Wednesday, Thursday and Friday. The three games with Luling promise to be the best that will be played on the local diamond this season and they should be attended by large crowds. Let everyone come out to these games.

"Frazar's Colts," the second nine of Eagle Lake under the management of Brahan Frazar, went over to Wallis yesterday by private conveyance to play a game with the team at that place.

The "Colts" were defeated by Wallis in a score of 6 to 3.

There will be an ice cream supper and lawn social at Lissie Wednesday evening, July 24th, the weather permitting, for the benefit of the new church at that place. All are cordially invited and the ladies hope for a big attendance from Eagle Lake.

Batteries: Yorktown, Hicks and Metc. Eagle Lake, 10 and 11. Sis. son. Hedges struck out 6 and allowed 7 hits. Hicks struck out 8 and allowed 7 hits. This makes the twelfth game our team won out of thirteen this season.

As we understand it, the "close decision" referred to by the correspondent at Yorktown was this: It was the last inning and the score stood 2 to 1 in favor of Eagle Lake. Yorktown was at bat with two outs and a runner on third base. There were two strikes on the batter when he bunted the ball which went foul (according to rules the batter is out) but the umpire called the runner safe at first, and the man at third scored which tied the score, 2 to 2. All that Eagle Lake asked for was that the decision at this critical stage of the game be made according to rules. This is the first time that the Eagle Lake team has ever quit the field in any bad game, but when it was plain to them that rules were not to be considered and that they were to be robbed of a game which they had "already" justly won, they did the only thing left for them to do—quit the field and forfeit the game.

incidents of war time days.

The Eagle Lake baseball team returned yesterday morning from Yoakum, where they had been since Tuesday, having played three games with the team at that place. Eagle Lake won all three games and got sweet revenge for that game in which Yoakum took it out of us to a tune of 2 to 0 here about two years ago before about three thousand visitors. The scores of the Yoakum games were: First game, Eagle Lake 8, Yoakum 2; second game, Eagle Lake 11, Yoakum 3; third game, Eagle Lake 11, Yoakum 2. Our boys are loud in their praise of the royal treat-

ment they received while in Yoakum, and they are anxious that the Yoakum boys come to Eagle Lake for a return series that they may have a chance to reciprocate.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either dyspepsia, the heart or the kidneys. Troubles of the stomach, heart or kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also, for pleating, billowing, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. Restorative is sold by Eagle Lake Drug Co.
