I will mail you free to prove merit, samples of my Dr. Shoop's Restorative, and my book on either dyspepsia, the heart or the kidneys. Troubles of the stomach, heart or kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also—for blotching, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. Restorative is sold by Eagle Lake Drug Co.
