The Clarksville Times puts it thus: Following is a list of the Texas newspapers and voters of the State who favor the constitutional amendment increasing the salary of members of the legislature to one thousand dollars per annum:

A piece of property in Houston was rendered at \$11,000. It was valued by the equalizers (?) to \$10,000, although it had been sold a few months before for \$80,000. From our exchanges we learn that the majority of counties have assessed on the 50 per cent valuation. Taxes are higher in Eagle Lake than in Houston. The cities do not bear their share of the tax burden.

WE SAW a hay press turning out a bale every forty-two seconds that had seen heavy service on the big Marshall hay ranch of Dallas county for ten years. But when telling of this record of service, Mr. Marshall was careful to state that the press had never been exposed to a single rain. This press is hooded under an iron cover which the owner devised for the purpose. Whenever the press goes this protection from rain and sun goes too, for all is built together. How many pieces of valuable farm machinery receive the protection they deserve?—Farm and Ranch.

The Smile

that won't come off, appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine. Why not keep that smile on baby's face? If you keep this medicine on hand, you will never see anything else but smiles on his face. Mrs. S. Blackwell, Okla., writes: "My baby was peevish and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since. Sold by Eagle Lake Drug Co."

THE commissioners' court of Hays county placed full valuation on all property and then made assessments at 50 per cent of the full valuation. There is no uniformity in taxation this year.

Growing Aches and Pains

Mrs. Josie Sumner, Bremond, Texas, writes, April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. It is the best liniment I ever used." 25c, 50c and \$1.00. Sold by Eagle Lake Drug Co.

LAST year we had in twenty acres in cotton and by plowing late we got just fifteen bales, while the man just across the "burn row" had in about fifteen acres and got four or five bales and he quit plowing early. Farm and Ranch.

SPEAKING of the picking of boll weevil from cotton stalks Dr. Knapp says: We recall an instance in which this was done on a field of 100 acres at a total cost of \$75, and 75 bales of cotton made. The neighboring fields in which it was not done did not mature a lock of cotton.

The initiative and referendum has been adopted in New Jersey for the towns, cities and other municipalities. The principle has been adopted by the city of Wilmington, Delaware, the lower house of Pennsylvania has passed the bill, and Maine will vote upon it as a constitutional amendment.

Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, mail free Trial Boxes of Dr. Shoop's Catarrh Cure. Do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety, cream like Petroleum, imported by Dr. Shoop from Europe. G. B. Burhans Testifies After Four Years.

G. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." A LAD'S ingenuity in placing a metal collar with pendant bells on it upon the neck of a rat has succeeded in ridding a large machine plant in East Norwalk, Connecticut, of an army of rats that infested it, and of winning for himself a reward of \$75 which the company offered to any one who would accomplish the feat. "Tinkle," "tinkle," went the bells as the rodent went through the ceilings and walls. In fact, the rat acted as though he was proud of his musical adornment, but not so with his numerous cousins. They forsook both him and the plant.—Exchange.

THE Palestine Herald gives our sentiments in the following.
