### A Cheerful Hint.

Among the presents lately showered upon a Maryland bride was one that was the gift of an elderly lady of the neighborhood with whom both bride and groom were prime favorites.

Some years ago the dear old soul accumulated a supply of cardboard mottoes, which she worked and had framed and on which she never failed to draw with the greatest freedom as occasion arose.

In cheerful reds and blues, suspended by a cord of the same colors over the table on which the other presents were grouped,

"Fight on, fight ever," Aunt Carleton in Woman's Home Companion.

### The Smile

that won't come off, appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine.

Why not keep that smile on baby's face? If you keep this medicine on hand, you will never see anything else but smiles on his face.

Blackwell, Ohio, writes: "My baby was peevish and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since. Sold by Eagle Lake Drug Co.

All honor to Judge L. W. Monis of Toledo, Ohio, for sending twenty-one lumber dealers and two bridge contractors to jail for six months for violating the State anti-trust law. "Fines are of no use" the court declares, therefore he determined they should not get out of jail.

This will do more to inspire respect for the law than a thousand fines. Shelby (Mo.) Democrat.

Dr. Shoop's Health Coffee imitation is made from pure toasted grains of cereals, with malt, nuts, etc. Made in a minute. No tedious wait. You will surely like it. Sold by E. L. Mooney.

COMMISSIONER'S COURT has been busy, adding up totals all the week and on a basis of 50 per cent of actual value the assessment will reach twelve million dollars. This will probably be cut to seven or eight millions but the actual figures and the rate of taxation will not be known until next week. Seguin Enterprise.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either dyspepsia, the heart or the kidneys.

Troubles of the stomach, heart or kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves, the inside nerves—mean stomach weakness, always. And the heart and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy ever claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. Restorative is sold by Eagle Lake Drug Co.

The merchant who uses stationery decorated with gurgling oil, axle grease, chewing gum, or other cheap advertising matter, is to the home printer what the mail order house is to the home merchant.—Moore Model.

As a rule we pay cash for everything we buy; but several weeks since we violated this rule and opened accounts with several of our stores and at the same time requested that statements be sent us the first of the month. They, the bills, came and such a heterogeneous pile of ink on paper as littered our desk has never before been seen in any town or city in Texas. It would have made a Joseph's coat bush for once at the giddy colors. Out of the entire number, twelve, we found but one that had been printed by a local print shop. And yet we must yell ourselves black in the face about what a live progressive town and up-to-date merchants we have. Dr. Little Chronicle.

Growing Aches and Pains

Mrs. Josie Sumner, Bremond, Texas, writes, April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. It is the best liniment I ever used." 25c, 50c and \$1.00. Sold by Eagle Lake Drug Co.

In an opinion handed down on Saturday Judge Norman G. Kittrell of the Sixty-first judicial district, construing the Texas anti-pass law, upheld the right of contract in regard to railroad transportation, and declared "it beyond the power of the legislature to annul a valid contract, and that to do so would be to deprive the citizen of his property without due process of law."

Your Liver

is out of order. You go to bed in a bad humor and get up with a bad taste in your mouth. You want something to stimulate your liver. Just try Herbine, the liver regulator. A positive cure for constipation, dyspepsia, and all liver complaints. Mrs. F. W. Worth, Texas, writes: "Have used Herbine in my family for years. Words can't express what I think about it. Every body in my household are happy and well and we owe it to Herbine." Sold by Eagle Lake Drug Co.
