

Constipation

There are many people who find prompt relief for Constipation. Many others, however, who have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation. The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Peppermint, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A soothing Candy, which is now made at the Dr. Rhoad Laboratories, from this ingenious and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Bad Breath, Salivary Complication, etc., is indeed prompt and satisfying. No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box. For something new, nice, economical and effective try a box of

The Clarksville papers say that in the fields where the punctured squares have been picked up and burned there are no weevils, while in adjoining fields where the squares have not been picked up the weevils are doing much damage. Eternal vigilance is the price all must pay who raise cotton in Texas, and the sooner the people learn the lesson the better.

Was in Poor Health for Years

A lady living near Perham, Minn., sent \$1.25 to a Chicago mail order house recently for a pair of slippers. When the slippers arrived she paid 25 cents more for express, and then found that the slippers were too large. She wanted to exchange them at one of the local stores, and found that she could have bought a better pair of slippers here for 75 cents. It is the nicely worded advertisements of the catalog houses that bring their trade. If the country merchants invested a little more time and money in judicious advertising they could put the catalog houses out of business. Store Trade Journal.

Don't be Familiar.

I have seen some young ladies who reminded me of a pup. You seldom meet with anything so familiar as an innocent pup, and there is nothing so often trampled on and kicked aside as this same harmless pup. The young lady who makes herself familiar with every young man that happens to come along is sure to be lowered in social circles. Her familiarity is disgusting and she is kicked aside. If the eyes now perusing these lines are sparkling from the face of a fair young woman may the truth hidden in the rough of this paragraph bury itself deep into her mind. You can't afford to shower a spirit of familiarity upon any young man. Exchange.

During the summer kidney irregularities are often caused by excessive drinking of being overheated. Attend to the kidneys at once by using Foley's Kidney Care. Sold by Eagle Lake Drug Company.

Don't fire the boy. Keep him and make a better boy of him. If you do he will be a better man. Boys are all right if you understand them. In every one of them rightly handled there is a germ of manhood and possibilities of mighty success in the future. Grown up under kindly influences the excess energy that made them enjoy their boyish escapades will be directed to the accomplishment of great things. So don't fire the boy. Talk to him. Get him interested in his work. Tell him of the things before him in life. Teach him thrift and industry. Remember he is just a little raw material, out of which you can fashion a better man than you are, no matter how good you are.—Ex.
