Get their Eyes on Us.

The following letter which is self explanatory, was received by Postmaster Ziegler this week and handed to the HEADLIGHT for publication. After reading the letter, every public spirited citizen in Eagle Lake should write this firm a personal letter telling of our city's superior advantages:

"We are looking for a location to start a factory for the manufacturing of canvas gloves and mittens. Toledo has so many factories using female help that we are unable to secure enough help for the factory we already own and, naturally wishing to expand on the outside for growth. The location of your city has appealed to us as an excellent place for a factory. We are enclosing you a stamped envelope and would thank you to tell us whether the chances are good for getting help, how many people are in your town, and what kind of a farming community there is around it and especially whether there are other factories there, already absorbing all the female help. About what number of girls and women do you think could be secured? We would also request that you send us the names and addresses of three or four people, (either men or women) and their present occupation, who, in your judgment would be capable of managing a small factory and pushing it to success with our instructions and help. Thanking you in advance for the interest you take in our hopes to have an early reply, we remain,

Yours very truly,
McCHERRY MFG. CO.,
Toledo, Ohio."

Is your business going to be represented in the HEADLIGHT's special edition? Don't neglect the matter, but attend to it now, for if you are not in it you'll regret it after the paper is issued.

Mr. M. P. Shannon of Edna a week purchased the barber business of Mr. Abe Beakes and will continue the business at the same place in future. Mr. Shannon is a pleasant gentleman, a fine barber and comes to the Lake City highly recommended. Mr. Beakes has retired from the barber business and will devote his time to the city marshal's office. Mr. Barnett and Mr. Basler, two of the best barbers in the state who have been holding chairs at this shop for a long time, will continue under the new management the same as before.

The HEADLIGHT will be glad to have its readers phone it the comings and goings of their relatives and friends. Our friends in the country will do us a favor by dropping us a card, where no telephone is handy.

With cooler weather the church audiences are larger. Last Sunday morning Mr. Hart's discourse at the Episcopal church was on "The Impossibility of Knowing God save through the Gospel of Jesus Christ." In the absence of Mrs. Gynn Miss Ruby Watts acquitted herself with credit as organist. At night the reporter was at the Methodist Church where Bro. Morgan's sermon showed that "The Way of Transgressors is Hard." The preacher seemed almost overcome by the heat, having been to Chesterville in the afternoon. They sang the good old fashioned Methodist hymns and enjoyed the old time religion.

The HEADLIGHT notes with regret that the electric lights in the bag stand which have heretofore been burning brightly and prettily illuminating the business portion of our little city to such an extent that it created favorable comment from all passengers passing through on the night trains, have been cut out. The growing city of Eagle Lake for sometime enjoyed the distinction of being the best lighted town between Houston and San Antonio and this alone has been a big advertisement for our city. Just why the lights have been discontinued has not been made known to the HEADLIGHT, but the supposition is, to cut down expenses. This paper favors the reducing of the city's expenses as much as possible, but the cutting out of these lights seems to be a backward step in Eagle Lake's progress. There could be other ways than this found to lower expenses, and besides there is sufficient money in the city's treasury and the citizens pay ample taxes to keep the business portion of our town at least well lighted.

Mr. L. C. Hill, industrial agent for the Santa Fe railroad, spent several days here this week trying to persuade the farmers to put in some strawberry plants this year. Mr. Hill has great confidence in the Eagle Lake section as a strawberry producing country. Just as fine berries can be grown here as anywhere in the world, and Mr. Hill says if the farmers can be induced to set out a few plants this year as an experiment, that next season will find sufficient acreage planted in this community to afford shipments of the berries to the markets in the north.

We are receiving big shipments of Fall and Winter Goods every day. Drop into our store and take a look at them. B. H. DAILY.

Dr. F. O. Norris went up to Columbus Thursday to attend the funeral of Dr. Bowers which was held in that city at five o'clock that evening.

She Found Relief.
If you are troubled with liver complaint and have not received help read this. Mrs. Mary E. Hammond, Moody, Texas: "I was in poor health—with liver trouble—for over a year. Doctors did me no good and I tried Herbine, and three bottles cured me. I can't say too much for Herbine, as it is a wonderful liver medicine. I always have it in the house. Publish where you wish." Sold by Eagle Lake Drug Company.

Miss Mabel Brooks who has been visiting Mrs. H. W. Carothers and Miss Christine Davis of this city returned to her home in Columbus Thursday.
