EVERY time our eyes have fallen on the Uvalde Press since it began to come to us, we have thought of its material beauty and of its editorial excellence.

It is not of any use, save to the thinker, we herewith "rise" and "speak" ourself.

IN SEPTEMBER the Houston Post and Galveston News lead off with special up to their usual high standard of excellence. The Schulenburg Sucker followed with a special exploiting the "Free State of Schulenburg."

On October 5th the HEADLIGHT will speak out for Eagle Lake. Into this work the editor for weeks, has put his labor by day and his dreams by night. Every citizen of Eagle Lake ought to purchase and distribute a score of copies.

Mrs. J. S. Bruce left Wednesday for Columbus to bid good-bye to her grandson, Bruce Mansfield, who has received an appointment to West Point through Congressman George F. Burgess. Bruce leaves at once for Austin where he will be coached for the examination which will be conducted in St. Louis and from there will go to West Point.

For Trespass.

For years we have submitted to the action of hunters who, in violation of the game laws, have entered our pastures wherever and whenever it pleased them, leaving gates open and tearing down fences. We now give notice to all persons, friends and strangers, that a watch will be kept for violators, and any one found hunting in any pasture under our control will be prosecuted to the full extent of the law. A reward of \$5.00 will be paid on conviction of any person violating the game law on said premises, or for trespassing.

No Hunting or Trespassing.

This is a warning that there is to be no hunting or trespassing on the farm of the Eagle Lake Rice Irrigation Company. Hunters are especially warned to keep of the place. This farm will be in charge of J. N. Lee of Lissie and any hunter caught on the place without a permit will be prosecuted to the fullest extent of the law. We take this means as a warning to all trespassers and hunters and will make no exceptions.

Mr. W. J. O. Zuber returned last Saturday from an extended visit to different portions of the state. He has been engaged in erecting cotton storage warehouses for the Farmers' Union at Mart, Karnos City, Georgetown and other places.

Mr. R. E. Eignus of Pontiac, Illinois, who, with his father Mr. M. G. Eignus of Forrest, Illinois, was a visitor in the city Wednesday, was a pleasant caller at our office while here. The Messrs. Eignus are visiting their son and brother, Mr. E. A. Eignus at Nottawa, having come down from the North about two weeks ago, and in company with Mr. W. G. Darby of Nottawa, spent Wednesday in Eagle Lake. Mr. R. E. Eignus is a newspaper man, a linotype operator on the Daily Herald at Pontiac, Illinois. They expressed themselves as being highly pleased with our section of the country and are very much interested in the same.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble, as it corrects irregularities and prevents the disease and diabetes. Sold by Eagle Lake Drug Co.

The Knock-out Blow. The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the fight the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce's bringing to the public a parallel fact, that the stomach is the most vulnerable organ of the body, is a revelation to the prize ring as well as to the public. We protect your nose, throat, feet and lungs, but the stomach is the most vulnerable organ of the body. Make your stomach sound and strong. The great secret of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad habit and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Shaw's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures nasal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, explaining its ingredients and explaining their curative properties. It is mailed free on request. Address: Dr. J. C. Pierce, Buffalo, N. Y. This booklet gives all the medicine from which it will be seen that it contains for a proper remedy, pure, pure, reduced glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Advisor will be sent free, paper-bound, for 25 one-cent stamps, or cloth-bound for 50 one-cent stamps. Address Dr. Pierce as above.
