

Subscribers who know themselves to be indebted to this paper on subscription, are requested to settle same just as soon as possible. On account of the big advances by the paper trusts in print paper, and all other classes of printing material, a number of the papers in the state have advanced their subscription rate. The HEADLIGHT has made no advance in its subscription price. It is still a dollar a year. But in order to continue the paper at this price, we must ask every subscriber on our books to settle up their back accounts and to keep their subscriptions paid in advance. We are not going to mail out any subscription accounts. This notice shall serve as a statement to all who are in arrears, and all who have not mailed us their subscription amounts by November 1st. (next Friday) will be drawn on through the nearest bank for the full amount with 25c additional for each year (our credit price) and the cost of the draft added. This is just a small matter that you have neglected from time to time but you will save money by remitting by check promptly on receipt of this issue.

BUGGIES! BUGGIES!
This is to give everyone a chance to have a buggy, backboard, Surrey, Rubber Tire or Carriage. My entire stock of 8 Car Loads of the most select and up-to-date styles, (and bought before the advance,) must be sold within the next 30 days, and will go at **Factory Prices**. Now is your chance. Send me your order if you can not call yourself.

Respectfully,
E. M. PATMARTEN,
Schulenburg, Texas.

Wednesday afternoon at 1 o'clock at the home of Mr. and Mrs. T. D. Davis in Houston, their daughter, Miss Mayme Howell Davis, was wedded to Mr. Ross Clinton Ellison in the presence of the relatives of the contracting parties. Palms, ferns and blossoms were used in simple yet effective adornment of the home. Miss Lizzie Davis, sister of the bride, rendered the wedding music to which the young couple took their places in the apartment allotted to the ceremony. The bride was mounted in a white French mull with hand made lace yoke and trimmings of Mechlin lace. She carried a shower bouquet of Bride roses fastened in her hair. Mr. and Mrs. Ellison are now at home to their friends at 109 Gray avenue. Ross was for some time a resident of Eagle Lake, being connected with the Advertiser, and has many friends here who join the HEADLIGHT in extending congratulations.

Representing the Houston Live Stock Insurance Co., we solicit your insurance on Horses, Mules and Cattle. This is the only Stock Company doing business in Texas incorporated under the insurance laws and required to maintain a legal reserve for protection of its policy-holders. See our solicitor.

The people of Eagle Lake, not only members of his congregation but of all other denominations in Eagle Lake, and non-church members as well, hope that Bro. Morgan will be returned to this city for another year.

The winter months, and the warming stove demand our attention; also the question of our home INSURED. If not, protect it with a policy. See our solicitor.

Monday saw the celebration of an event of many years past, at the lovely home of Rev. C. H. Brooks and his estimable wife, the venerable couple having past the fiftieth milestone in their married life. A few friends gathered to participate in the evening's pleasure of the celebration. Mr. Brooks is well known throughout Texas, having served in the ministerial work which he is now following since he was quite a young man. Mr. and Mrs. Brooks who reside at Elgin, are the parents of Mrs. Oscar Newsum, formerly of Eagle Lake. Both are enjoying the best of health, considering their age.

Number 811, one of the Sunset's large engines, passed here yesterday morning going east with a string of ninety-seven cars. The train left Glidden with one hundred cars, three having been set out before reaching this point. The string of cars was more than a mile long, and over ten minutes were required in clearing the crossing. The big engine moved off with this train as easily as if it had been only a dozen cars.
