Mr. Nicholas Muchler of Newburg, Iowa, was a visitor in the city this week, having come down to look after his land investments in this section. Mr. Muchler paid the HEADLIGHT officers a pleasant call while here.

Stoermer does pipe repairing and plumbing.

In most cases consumption results from a neglected or improperly treated cold. Foley's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the unknown preparations and you should insist upon having the genuine in the yellow package. Sold by Eagle Lake Drug Co.

Mr. Geo. Herder, a prominent citizen of Weimar, was in the city the early part of the week en route to Bay City.

## Indigestion

Stomach trouble is but a symptom of, and not a true disease. We think of Dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that sweet and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no worth lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and salivary corrosion, try Dr. Shoop's Restorative—Tastes like Fruit—and see for yourself what it can and will do. We sell and cheerfully recommend.

Mr. Hughes of San Antonio will return to Eagle Lake to reside. This announcement was received with delight by the people of this city, and his large circle of friends, these about the section will welcome Lee and his family to their homes. He has been associated with H. Kempner, one of Galveston's largest bankers and cotton brokers, and will have the management of his interests in South Texas. Mr. Kempner owns and operates eleven large plantations in South Texas, and the supervision of all of these farms will keep Lee on the go most of the time, though he expects to make Eagle Lake his headquarters. Lee understands farming from a to zard, and Mr. Kempner could not have secured the services of a better man for the place, in the state.

Supt. Oliver Snyder of the Santa Fe was in the city Sunday from Galveston. From him we learn that the Sunday Whangtoodie train has been taken off, and also that as soon as the cane crop begins to move the schedule of this train will be changed. The train will then get in here some time late in the evening, will lay over here all night and go south early in the morning. This change will be made in order that this train may handle a portion of the cane shipments.

Rev. J. E. Morgan left Tuesday for Yaokum to attend the annual conference. It will be probably be Monday or Tuesday before Bro. Morgan will know what churches will be assigned him for next year, but the people of Eagle Lake, Chesterville, and Rock Island sincerely hope that he will again be returned to this pastorate.

Mr. Perry Clark last week bought from Rheinstrom & Greenbaum of Hallettsville twenty-five mules, which he shipped to the Brownsville country and will use same in the construction of canals. He says that country is being rapidly developed. Mr. Clark now resides in Houston, but is one of the old-timers of Eagle Lake and states that he will return to this place to reside again in December.

SOME FANCY SHOOTING.  
The advance notice says: How an honest old farmer tells the crafty postmaster of Round Hoop Ferry, Maine, and brings to justice the murderer of his brother and makes happy the hearts of an honest virtuous country girl and her crippled brother, it told in Powell & Cohn's greatest of all "rube" plays, Si Holler, which will be the attraction at Frazar's Opera House Wednesday, Nov. 6th. There have been many funny rural characters depicted on the stage but none compares with this eccentric old fellow with his new fangled handkerchiefs and wonderful revolver, which he has nicknamed his "exterminator." His adventures in the slums of New York where he encounters all kinds of tough characters is the limit of stage sensation and at the same time convulses the audience with laughter. "Si" brings with him his "High Grass" silver cornet band and orchestra. This is a musical organization second to none in the country. Buy tickets now, as seats are on sale at the Eagle Lake Drug Company.

CAPTAIN GEO. E. BARTLETT.  
William Tell, with his bow and arrow stunt, whose praises have been sung in the four corners of the earth, wasn't marker for the man who was out at the baseball grounds Wednesday and "busted" pieces of brick, sugar leaves, pieces of steel and what not, with as much ease and accuracy as a hungry tramp would gobble up hot buttered waffles. Captain Bartlett shot as if he could not miss. The game used by Captain Bartlett were a 30-06 and a 32 calibre. He represents the Peters Cartridge Company and uses the Peters cartridges.

The HEADLIGHT is in receipt of a pretty souvenir card bearing a picture of the students at the A. & M. College living in tents, from Lyle Phillips who is attending that college. Lyle says: "The HEADLIGHT's special edition was fine and did me as much good as a trip home."

A hard rain fell here Tuesday evening and night. The rain was accompanied by a severe wind and electrical storm. It is estimated that this rain put about 34 feet of water in the lake. The rain furnished plenty of water for stock purposes and the cattle men are once more resting easy.
