Do you want one of the sets? If you do, begin soliciting subscriptions in your community at once and notify the Headlight that you have commenced doing so. Begin today—the set of dishes will be here waiting for you.

She was greeted with a hearty hug and was violently kissed. Throwing the covering from her shoulders and striking an indignant pose she confronted—the hired man. Tableau!

When the bill collectors come around on the first don't "stand them off" for another month just because you think the existing circumstances will permit it. Maybe the person to whom you are indebted needs the money worse than you do. To make times better you should pay your debts and in this manner give the other fellow a chance to pay his debts, thus keeping the money in circulation.
