Weak Women

To weak and ailing women, there is at least one way to help. But with that way, the treatment must be continued. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Restorative is the local. The "Squire" is the constitutional. The former—Dr. Shoop's Restorative—acts upon the entire system, purifying the blood, and giving strength and vigor to the system. The latter—Dr. Shoop's Restorative—acts upon the system, purifying the blood, and giving strength and vigor to the system. For positive local help, use as well.

why your baby should be thin, and fretful during the night. Worms are the cause of thin, sickly babies. It is natural that a healthy baby should be fat and sleep well.
