WILD DUCKS are becoming a great menace to the rice farmers, and thousands of dollars worth of rice has been destroyed this season by them. Great droves of them light on the shocks and mash them down into the mud and water, destroying the grain and making it unfit to thresh.

J. D. CASEY & SONS, who have a farm across the river from Brazoria, have lost more than \$3000 worth of rice by ducks this fall.

REPRESENTATIVE ALDERMORPH of Ellis county has announced as a candidate for state superintendent of instruction. He claims the "honor" of being the father of the new compulsory county superintendent law, hence should be defeated. Supt. Cousins also had a big hand in it, and he, too, should be defeated for reelection. Comanche Exponent.

THE HEADLIGHT returns thanks to exchanges for kindly mention of its Christmas issue. Having so recently enjoyed more than a page of complimentary notices of the October special we feared our reputation for modesty might be lost if we reproduced our Christmas compliments. We hold them in remembrance though and regard them as our most valued Christmas gifts. Many of our exchanges were out in holiday garb, among them the Carthage Register in a beautiful and artistic Christmas dress.

ATTORNEY General Davidson was criticized because he used information received from a former employe of the oil company, but it seems that others can't it proper for them to rely upon information received from the ex-employe of another oil company. Galveston News.

The unfortunate part about the action of his critics is that their man did not make good with the facts. The books of the company to which he referred as being a part of the Standard are open to inspection and do not sustain the allegations set forth in his bill of complaint, while, to the reverse Davidson's man backed up his statements with the documents stolen though they were. Foolish spending is the father of poverty. Do not be ashamed of hard work. Work for the salary and wages you can get, but work for half price rather than be idle. Be your own master and not let society or fashion swallow your individuality—hat, coat and boots. Do not eat up all you can earn. Compel your selfish body to spare something for your profit's sake. Be stingy to your own appetite, but merciful to others' necessities. Help others and ask no help for yourself. See that you are proud. Let your pride be of the right kind. Be too proud to wear a coat you cannot buy, too proud to be in company that you can not keep up with in expenses, too proud to lie or steal or cheat, too proud to be stingy, in short, be a man of integrity and individuality. Rheumatism

I have found relief and tested this Rheumatism Remedy. It is a remedy that will straighten the distorted limbs of chronic cramp, not turn body back to flesh again. That is impossible. I can only say all the pains and pangs of this deplorable disease.

In Germany with a Chemist in the City of Darmstadt I found the last ingredient with which the doctor's Rheumatism Remedy was made a perfectly dependable prescription. Without many cases of Rheumatism; but now, at last, Rheumatism droned disease. Those said like granular matter, found in Rheumatic Blood seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous waste matter pass from the system, and the cause of Rheumatism is gone forever. There is no real need of actual exposure to suffer longer without help. We sell, and in confidence recommend.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, indigestion, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung disease, except consumption, accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root, and Queen's root—all of which are highly prized as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholinus of Jefferson; Med. Officer; Prof. Hays of the Univ. of Pa.; Prof. Finner of Harvard; M. D. of Johns Hopkins Med. College, Chicago; Prof. John King, M. D. of Cincinnati; Prof. John M. Sedgwick, M. D. of Cincinnati; Prof. Edwin M. Ziegler, M. D. of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

The Golden Medical Discovery is the only medicine put up for sale through channels of the greatest purity and professional endorsement, with more than any medicinal preparation of its kind the positive guaranty of its merits.

A glance at this potent formula will show that it contains no harmful or habit-forming drugs and no alcohol. Chemically pure, triple distilled, and free from every impurity, glycerin is entirely objectionable and besides is a most useful agent in the cure of all stomachic as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The Discovery is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities endorsing its ingredients mailed free on request. Address Dr. J. C. Hatcher, Buffalo, N. Y.
