Mrs. Brown has been moving into her new, three story, concrete hotel for several weeks on the installment plan. At last the change is complete. The building, formerly occupied by her has been rented to Mr. and Mrs. Daley of Bay City, who are now in possession. The Hotel Brown is furnished with new furniture, new matting and rugs and new shades throughout. The rooms are as well furnished as those of the Houston are other city hotels. The parlors are in the second story. There are bath rooms and all other modern conveniences. At night, with the three stories all lighted, the Hotel Brown presents a fine appearance.

Mr. Business Man, don't you think the HEADLIGHT is deserving of your patronage? Have you an advertisement in the paper that has at all times worked and pulled for the upbuilding of the town and the success of your business? If you haven't, then let one of your New Year's resolutions be "That I will place an advertisement of my business in the HEADLIGHT."

Miss Mattie Mersfelder of Glen Flora has been in town this week. She was on her return from Altair where she has contracted to teach the school which Miss Mahon of Columbus resigned, owing to sickness in her family. Miss Mattie's state certificate received from the Normal at Huntsville does not go in to effect until June when she will take the Glen Flora school. Her county certificate enables her to teach in the meantime in Colorado county. There's lots of "red tape" about school affairs these days.

**Eller's Big Show.**  
 W. A. Eller presents "Ralph R. Richardson in a new sensational five act western play, written expressly for him by the well known author, Hal Reid, entitled "King of the Cattle Ring." It is a charming story of love and adventure. The scenes are laid in the mining regions of the golden west, the play is rich in pathos and fairly bubbling over with fun, mirth and merriment. The members of the supporting company have been selected from the very best material which the dramatic market affords, and during the action of the play a number of pleasing specialties will be introduced. The scenery and all accessories are appropriate and abundant, and nothing has been neglected which may have a tendency to insure the success of the play. "The King of the Cattle Ring" will be presented at Eagle Lake on January 10th under a big tent.

The trustees of the Vineyard, Walker & Co. bank have rented practically all the rice land owned and controlled by that company, and same will all be put in cultivation this year.

Mr. Marcus Pruitt sends us the following poem from Jackson, Miss., which he says was read before the Mississippi Farmers' State Convention by one of the delegates:  
 The banker in his morbid greed,  
 Locked up the farmer's money,  
 And said, "Oh, yes, you old hayseed,  
 I've got you now, my honey.  
 You would not turn your cotton loose,  
 To enrich my brother Price,  
 So I thought I would play the deacon  
 And rake me off a slice.  
 He could not stand the farmer's gaze,  
 Who said, "You think it's funny,  
 So I will wait just sixty days,  
 'And then I'll have you money."  
 Again, you will not lock it up,  
 You say you are another;  
 For I intend, you greedy pup,  
 To load it to my brother.  
 Yes, lend it to him at low per cent,  
 Keep him from sinking deeper,  
 'Tis written in the Testaments  
 I am my brother's keeper.  
 Before you require me to make us soil,  
 For in cents, or cents,  
 The skylock will all be in hell,  
 'Tis written in the Testaments  
 The Apostles all in Heaven.  
 Hark you! Listen to the widow's cry!  
 'Twas in the bank she trusted,  
 But in a twinkling she had laid by,  
 Now the bank is busted.  
 Alas! old Shy, you've got your pound  
 Of widow's flesh at that;  
 Now let the Furies all come down,  
 And chase the old Hell-eat.  
 Yes, chase him round, and round, and round,  
 Then seize him by the nose,  
 And dash him down, and down, and down,  
 Where nothing ever grows.  
 A tickling cough, from any cause,  
 Is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heats the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses "The Sacred Herb." Always demand Dr. Shoop's Cough Cure.  GARWOOD, TEXAS.

Hon. Emanuel Roos has formed a partnership with Hon. W. S. Strickland of Eagle Lake and has gone there to assume his duties. Fayette County is constantly contributing her brain and brawn to other parts of the state and those of our citizens who have cast their lot with other sections of Texas have made good, and often, favorable reports of them come to their friends of this county. Emanuel will not be an exception to this rule. He has always been a faithful friend of Fayette county, and had the honor of representing the county in the legislature and will always have the good wishes of her citizens wherever he may go. As he has been to Colorado, and we take pleasure in commending him to the good people of Eagle Lake, where the writer grew to manhood. He will make you a good citizen. Schulenburg Sticker.

The HEADLIGHT, in common with the people of Eagle Lake, extends to Mr. Roos, a hearty welcome.  
 The Port Arthur Rice and Irrigation Company has sent out notices that they will still accept the same water rentals as heretofore—two sacks per acre—and that they will not require the rice farmers to pay cash rentals, as is being done by so many of the other irrigation companies. The old basis of rentals seems to be the most satisfactory to the planters, as a general complaint is being made against the new scheme of charging \$6 per acre flat rate for water. Rice Industry.

The HEADLIGHT hopes to see Mr. W. S. Strickland, our present mayor, re-elected to that office. We have not learned whether Mr. Strickland intends to be again or not, but he has made us a gift edge mayor and should he decide to be a candidate for re-election we feel safe in saying that the people will reelect him without opposition.

**Rheumatism**  
 I have found a tried and tested cure for Rheumatism. It is a remedy that will straighten the distorted limbs of chronic Rheumatism. It is a remedy that will give you back to health again. That is impossible, but I can now easily kill the pain and purge the diseased blood.  
 Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. With that has succeeded. I successfully treated many many cases of Rheumatism before at last I found a remedy that cured all curable cases of this horrible and painful disease. These and like granular wastes, found in Rheumatic blood, seem to disappear and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need of any other or more powerful remedy. Write, and in confidence we will help you.
