DO YOU WANT TO BE CLASSED WITH THEM?

The HEADLIGHT congratulates Mr. Leland Montgomery of Columbus, who, on last Wednesday was checked in as manager of the telephone exchange at that place. Leland began work in the telephone office there some years ago as messenger boy, and has gradually been promoted, this week being made manager. Leland is one of the most popular young men of our acquaintance and we doubt if there is a young man in the county who possesses a larger circle of friends. He has worked hard for the best interests of the telephone company and is deserving of the promotion which he has received.

The HEADLIGHT has just learned of the recent wedding in Austin of Miss Mary Claiborne and Mr. E. E. Hill, both of that city. Miss Claiborne is related to the Waddell family and has spent much of her time in Eagle Lake. She is a most charming young lady and possesses a large circle of friends in this community who join this paper in wishing her every happiness.

Messrs. M. E. and John A. Guynn spent a couple of days the first of the week down in Wharton county on a quail hunt. Mr. Mentor Northington of Egypt accompanied them on the hunt. They report a big time and very good success.

Deputy Marshal Gray Payne arrested two young negroes, John Daughtry and Palmer Jones, here Tuesday afternoon on a charge of burglary and assault. The negroes are charged with attempting to burglarize the house of Fannie Correll, colored, and with attempting to assault a negro woman who was cooking at the house. Deputy Payne took the two negroes to Columbus at noon Wednesday, but bond in the sum of five hundred dollars each was furnished them and they returned to Eagle Lake on the afternoon train.

This paper is in receipt of a letter from a young lady in Austin who desires to come to Eagle Lake and get up a class in vocal. All who are interested will please communicate with this office, that we may so inform the young lady.

A little advertising in the columns of this paper will bring your business. It is bound to, for the paper goes into almost every home in this community. There's no mistake about it.

This paper will appreciate your job printing business. Give us your next order. We'll guarantee to please you, and we have three experienced printers in the office ready to serve you.

Don't wait until the first of the month to order bill heads and statements, but give the HEADLIGHT your order now and we'll have them ready for you in plenty of time for you to use on the first.

Mr. Albert Hall came in from the ranch near Columbus and spent a couple of days in the city this week.

Mr. Chas. I. Williamson of Fort Worth, owner of the Drummers' Horn property, was in the city this week.

Some new announcements for district and county offices will appear in this paper next week. Watch for 'em.

"Uncle Bob" Able of Garwood was a business visitor in the city Wednesday.

Mr. John Matthews paid our office on appreciated call while in the city on business Wednesday.

Mr. Ralph Ayers and wife and his father-in-law, Mr. Snyder, of Moweaqua, Illinois, spent several days in Eagle Lake this week. Mr. Ayers is a banker and an extensive land owner of his home town. He has also considerable investments here, owning about three thousand acres of fine lands in Colorado and Wharton counties.

Dr. and Mrs. A. S. Holley leave today for their new home in Brady. The genial doctor and his estimable wife are very desirable citizens, and while the HEADLIGHT regrets to see them move so far away from Eagle Lake, it wishes them health, happiness and abundant prosperity in their new location.

Miss Kate Turner, our pretty and popular night-telephone operator, left Wednesday for her old home in Schulenburg to attend a big leap year ball given there Wednesday night. She returned to Eagle Lake the following day.

Mrs. Theo. Bennett left Tuesday afternoon for a visit to relatives at her old home in Wallis. She was accompanied by her father, Mr. Belt of that place, who had been spending a few days in Eagle Lake.

Mrs. Lee Hughs and Mrs. H. Lee Johnson came over from Altair Tuesday afternoon for a few days' visit.

Mr. Lee Hughs is having a telephone line erected from Eagle Lake to his home at Altair. As soon as the line is completed, his home will be included in the local telephone exchange.

Mr. H. E. Holmes, the pleasant Whangdoodle engineer, is ill with yellow jaundice, and left Thursday night for the Santa Fe hospital in Temple. He was accompanied by his wife and daughter and Miss Cora Cooper.

Dr. A. Lampe, the veterinary surgeon from La Grange, spent Wednesday in the city. As usual, the doctor was busy every minute of his time while here.

He is a fine veterinarian and enjoys the confidence of the people in the North.
