Those in charge of the flowers and shrubbery in the park are complaining of the children running over the flower beds and pulling switches from the small trees while at play during the band concerts, and take this means of asking the mothers to see that their children refrain from this nuisance in future.

I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas.

For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place, people and surrounding country. Will do all I can for the upbuilding of this city and section of country. I make farm lands a specialty and do not have any side issues such as claims, cattle, insurance or banking. I have an organized force in the north working for me all the time bringing in purchasers. I know the power of printers ink, when, how and where to use it to the best advantage. My sales of south Texas land last year amount to in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for thirty thousand acres of land in Colorado and Waukegan Counties owned by Mr. John Linderholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends today which will demonstrate that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed up in the trade to cover up profits. During the past two years I have furnished most of the purchasers for the lands, acreage and town lots for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific Station in the Drummers Home Cottage. If you wish to list your land call on me or write me stating what you have and naming your very lowest price. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not look for me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Caney Valley plantation, the richest soil that I know of that does not overflow.

Fidelity Immigration Company.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says:

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by importunities to invest. Every question has been answered fully and courteously, every opportunity is given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Chesterfield and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an intending investor or just a tourist; his quiet courtesy is just the same. He never importunes you to buy land, but is always ready to show or tell you about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

The HEADLIGHT has just completed the year books for the Ladies Literary and Civic Club. The book numbers twenty-six pages and the title page is done in green, white and gold, the club colors.

Rev. C. W. Crooke, who is traveling in the interest of the anti-saloon league, will preach in the Methodist church Sunday morning and evening. He will also address a meeting of men at the church at 4 o'clock Sunday afternoon. All are invited to attend the services.

Rev. J. W. King of Nottawa was in the city Thursday and had his name placed on the HEADLIGHT'S subscription list for a year. Mr. King is pastor of the Christian church at Rosenberg and is also growing rice at Nottawa, having ninety acres in rice, which, he says, is doing nicely. He says the rains have been of great benefit to rice planters, that he has had to run his pump but five days in the past fourteen, and would not pump again before Monday.

The interest in the meeting at the Christian church deepens with every service. The Evangelists are working not only to bring people to Christ, but also for the permanent good of the church. The Sunday School has been greatly revived. The church has been stirred up on the subject of missions. Without doubt, Spicer and Douthitt have done the best evangelistic work ever done in this town. To date Friday, the following have united with the church: Miss Kate Turner, Mrs. J. B. Stewart, Morgan Flowers, Jr., Miss Ollie Stralman, Mason McCarty, Bessie Pryor, Ralphe, Herbert D. Hurd, Mrs. C. S. Durham, Mr. Guest, J. L. Lovin, Mr. and Mrs. Lowrey, Mrs. Roberson and Mrs. S. Gorman.

Mr. E. W. Hanly was a business visitor to Columbus Wednesday.

Deputy Marshal Fielding Putney is doing some fine work on the streets this week, grading and ditching.

Miss Blanche and Master Bryan Baar, left Wednesday for their home in Weimar after a pleasant visit of a week to Mr. Jno. Matthews at Matthews.

"YOU KNOW 'EM"

Flirtation in a Car.

"She wasn't one bit like the girls who indulge in public flirtations, she was as cool and collected and stately," began the car conductor who observes things. "When she got in I saw her catch his eye immediately. He seemed indifferent and turned his head away. She squeezed herself into the seat next to him, and he became absorbed in looking out of the window."

"She went to all sorts of trouble to attract his attention, that girl. I saw her myself. Finally she jangled her chaine loudly and looked at him alluringly from beneath her long lashed eyes."

"Then he turned and gazed at her questioningly. She smiled a bright, unabashed smile, with the whole car looking at her. 'Something in that smile warned him, and here the conductor passed impressively and tried to hide the twinkle in his eye. 'He reached out the pink, chubby little hand to hers, her jangling chaine."

"Well sir, she kissed one of those chubby little hands, and pinched his little apple-red cheeks and then asked the woman who held him a question. Guess it was his mother, and she asked how old he was."—Jersey City Journal.

FOR A SPRAINED ANKLE. As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with rheumatism or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by all druggists.

A Man in a Million. Pittsburg is noted with pride to the fact that she is the home city of a most remarkable man, of the name of W. G. Park. Sufficient back Mr. Park was made receiver of a steel company that was financially embarrassed with heavy liabilities. After winding up the concern's affairs in a very able manner Mr. Park was told by the court that he might have a receiver's fee for his services of the sum of \$20,000.

"I don't want it," said Mr. Park. "I am very well fixed and do not need it. Some of the creditors of the concern are poor and need all they can get. Give it to them." And so it occurs that this very handsome fee will be distributed among the creditors. Naturally, Pittsburg thinks that there isn't another man like him in a million.—Savannah News.

Musing of a Cynic.

"Time is money, but we can't pay our debts with it. We've got to mind the money, or it won't happen so often."

Success merely means hard work, but then so does the lack of it.

The trusts demonstrate that many a profit is without honor. A man may feel that he is standing up for his rights when he keeps his seat in a crowded car.

The average woman is foolish about her age. It is better to tell it than have it guessed at.

Nothing is impossible, except some people.

Some men are born great, some achieve greatness and others put up a successful bluff.

It makes some people unhappy to think that other people are not as happy as they are.

Some people only want the best, but the happiest are those who make the best of what they have.

The only way a woman can successfully manage a man is to keep him from knowing she is doing it.

The man who really appreciates single blessedness is doubly blessed.

It's a pity that a self-made man doesn't always make himself agreeable.—Philadelphia Public Ledger.

IT'S ALWAYS BAD

The Best of Backs are Bad When They Ache, and Texas People Know It.

A bad back is always bad. Had at night when bedtime comes. Just as bad in the morning. Ever try Doan's Kidney Pills for it? Know they cure backache—cure every kidney ailment?

If you don't see people do? Read a case of it. Mrs. A. Sanderson, of Cleveland, Ohio, says: "I had kidney complaint and so for nearly three years, and it could only at times be described as excruciating torture. To sleep or to rise after stooping hurt severely and I could scarcely refrain from yelling. It was hard for me to go up or down stairs or even to lift a light bucket of water. I was always worse in damp and wet weather, or if I caught cold. I wore mustard plasters and tried home remedies, but never found anything to give permanent relief until I used Doan's Kidney Pills. I felt their direct effect on my kidneys the very first night, and in less than a week the pain in my back disappeared. A friend of mine was also benefited by using Doan's Kidney Pills. I never met with such a prompt, reliable and effective remedy."

For sale by all dealers. Price, 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Wonderful Scythe.

Pat was engaged to reap a field of hay, and the farmer, on giving him a scythe, told him that it was so sharp that he had only to put the blade in the hay and it would go around the field itself.

When the farmer went about dinner time to see how he was getting on he found Pat sitting on the fence with the point of the scythe in the hay; and just as the farmer began to blame him for having no hay cut he yelled out: "Kape back! kape back! Ye don't know the minute she's going to start!"

It is refreshing to find a man who is not a "swine." There are not many men who would have refused this fat fee, although ninety-nine out of every hundred would have to admit that the fee was not earned.

There is reform needed along the line of large fees for bringing money into court, handling receivership and bankrupt cases, etc.—Men are allowed large sums in the way of graft.

The Pittsburg man should be put in a glass case and exhibited as a curiosity.—Dublin Courier Dispatch.

Pointed Paragraphs. The thief has taking ways, but no bringing back ones.

The winter of our discontent is made up of melancholy days.

Look out for men who are always looking out for themselves. Take your watch to a watchmaker if you would improve your time.

At the age of twenty a girl thinks she ought to have a score of admirers.

It takes a pretty young widow to make a man make a fool of himself.

The chronic kicker should take a day off occasionally, and practice on himself.—Chicago News.

I knew it was a put-up job. I knew it all the while. But I had to take her home. Though I didn't like her style. She leaned upon the garden fence.

And whispered with a sigh. "I'll be at home tomorrow night."

I answered, "So shall I."
