I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas.

For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place, people and surrounding country. Will do all I can for the upbuilding of this city and section of country. I make farm lands a specialty and do not have any side issues such as loans, cattle, insurance or baggage. I have an organized force in the north seeking for me all the time bringing in purchasers. I know the power of printers ink, which now sells for about one million dollars. About two years ago I subdivided and land last year amount to, in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for about thirty thousand acres of land in Colorado and Wharton Counties owned by Mr. John Lindholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends today which will demonstrate that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed up in the trade to cover up profit. During the past two years I have furnished most of the purchasers for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific station in the Drummers Home Cottage. If you wish to list your land call on me or write me stating what you have and naming your very lowest price. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not look for me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Caney Valley plantation, the richest soil that I know of that does not overflow.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says:

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by importunities to invest. Every question has been answered fully and courteously, every opportunity given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Cheesterville and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an intending investor or just a tourist, his quiet courtesy is just the same. He never imposed on you, but is always ready to show you all about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

Have you tried Steiner's new soap? It's fine!

"But you see, I don't love you," objected the fair young woman.

"Then why," demanded the indignant youth, "did you eat a total of sixty pounds of candy at eighty cents a pound, that I bought you during the 'last year'?"

"Because," she answered softly, with a soulful expression on her lovely face, "I do love candy."

There is an old gentleman who has retired from business, and therefore has leisure to devote to his particular hobby—the invention of ingenious but impracticable mechanical devices. The old gentleman has, from time to time, sunk considerable sums in attempts to place his contrivances on the market, with the annoyance of his son, who is a very practical business man.

The son was recently accosted by a friend of the family with the question:

"How did your father come out with that last invention of his?"

"Fine," was the reply. "Why the patent office turned it down, and all he is out on it is patent application fee!"

What it Meant to Her.

"Yes, I am going abroad."

"And how are you going to arrange your itinerary?"

"Oh, passport. I think that will be most suitable for traveling."

John Mitchell, the labor leader, was discussing in Pittsburgh a labor struggle of the East.

"You see, they didn't give us a fair deal," he said. "It looked fair on its face, but really it was like the deal of Harvey Barr of Braidwood."

"Harvey Barr, a successful lawyer, had a wonderful talent for getting the best of people. Even at home he kept his talent in play. His wife said to him one morning:

"Harvey, dear, this is the fifteenth anniversary of our wedding. What are you going to give me?"

"This is what I am going to give you," Harvey answered, affectionately, and he handed his wife \$15 in crisp, fresh bills.

"Oh, thank you! And what shall I give you?" the gratified wife asked.

"That meerschaum pipe I've been admiring so long," Harvey promptly announced.

"In the evening on his return home the pipe awaited him. It had cost just \$15. He lit up and began to enjoy it carefully.

"But as the evening wore on his wife seemed ill at ease.

"Where is my present, Harvey?" she said at last, fretfully.

"Why, my dear," Harvey explained, "you gave me a pipe. I gave you \$15. Don't you see? We're both even."

WHY IT SUCCEEDS.

Because its For One Thing Only and Eagle Lake People Appreciate This.

Nothing can be good for every thing.

Doing one thing well brings success.

Doan's Kidney Pills do one thing only.

They cure sick kidney's. They cure headache, every kidney ill.

Here is Eagle Lake evidence to prove it.

E. P. Via, Cashier of G. C. & S. F. R. Eagle Lake, Texas, says: "Doan's Kidney Pills are no new remedy to me. I made use of them years ago and have always depended upon them since for relief from kidney disorders. I find that this remedy promptly removes languor and backache and acts as a general tonic to my system. I would advise anyone having kidney trouble to procure Doan's Kidney Pills at Calvert's drug store and give them a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

GRANDLATCHED SORE EYE CURED.

"For twenty years I have suffered from a bad case of granulated sore eyes," says Martin Boyd of Henrietta, Ky. "In February, 1901, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since." This salve is for sale by all druggists.

Ingenuous Johnnie.

Mother had a bright red apple which she wished to give to the children, at the same time teaching the little brother a lesson in generosity. Johnnie had a peculiar fondness for apples.

Calling him to her side, she said, "Now, dear, mama has a nice, rosy apple to give you, and she wants you to be generous."

That word "was not in Johnnie's vocabulary," so he said, "Mama, what do you mean by being generous?"

"Oh, dear, that means you are to divide the apple in two parts, and give sister the larger."

Johnnie was silent. Suddenly his face brightened as he handed the apple again to his mother, saying, "Mama, give it to sister and let her be generous."

The August Delineator.

A Matter of Time.

One day at school says a schoolmaster, "I know a boy a problem in algebra, and although it was comparatively easy, he couldn't do it. I remarked:

"You ought to be ashamed of yourself. At your age George Washington was a surveyor."

The boy looked me straight in the eyes and replied:

"Yes sir; and at your age he was president of the United States."
