How to Tell Pure Water.

People not infrequently come home from a summer vacation, if not with typhoid, at least with bad malaria or stomach disorders.

This is often caused by impure water, and it is well, especially in going into the country, where wells are used, to know a few simple tests by which the condition of the water can be told.

About the simplest is one that is well known, called the Hirsch test. Buy a pint bottle of clear glass, preferably with a glass stopper. Fill it two-thirds full with water, to which is added a half teaspoonful of granulated sugar.

Cork the bottle tightly and stand in the light in a warm room for forty-eight hours. If at the end of that time the water is cloudy or milky-looking, it is unfit for use. —Washington Herald.

WHY JAMES LEE GOT WELL.

Everybody in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For cough and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at Calvert's drug store, 60c. and \$1.00. Trial bottle free.

Nearly Through.

A stranger entered a church in the middle of the sermon and seated himself in the back pew. After awhile he began to fidget. Leaning over to the white-haired man at his side, evidently an old member of the congregation, he whispered:

"How long has he been preaching?"

"Thirty or forty years, I think," the old man answered.

"I don't know exactly."

"I'll stay then," answered the stranger, "he must be nearly done." —Everybody's Magazine.

DIARRHOEA CURED.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him, and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by all druggists.

"No," said the higher critic. "I don't believe everything in the Bible. For instance, I don't believe there was any snake to tempt Eve."

"You don't?"

"No; I feel pretty sure it was just an apple worm and she magnified it." —Philadelphia Press.

CHRONIC DIARRHOEA RELIEVED.

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes: "Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by all druggists.

Doctor—Well, Mrs. O'Brien, I hope your husband has taken his medicine regularly, eh?

Mrs. O'Brien—Sure, then, doctor, I've been sorely puzzled. The label says, "One pill to be taken three times a day," and for the life of me I don't see how it can be taken more than once!"
