How Times do Change.

"How the times have changed," remarked a Cleveland farmer in the Democratic office this week. "When I was young, people had bad colds; soaked their feet in hot water and got well. Now they have the grip, take quinine and feel sick all summer. Then they had sore throat, wrapped a piece of fat pork in an old sock, tied it around the neck at night and went to work the next morning. Now they have tonsillitis, a surgical operation and two weeks in the house. Then they had stomach ache and took castor oil and recovered. Now they have appendicitis, a week in the hospital and six feet due east and west and six feet perpendicular. They worked then, they labor now. In those days they wore underclothes; now they wear lingerie. Then they went to a restaurant; now they go to a cafe. Then they broke a leg; now they

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe, one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Divica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator and a stimulant for normal activity of the entire reproductive system. He continues: 'In Helonias we have a medicinal which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women, it is seldom that a case is seen which does not present some indication for this remedial agent.' Dr. Fyfe further says: 'The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhoea; stonic (weak) condition of the reproductive organs of women; mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and uterine (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medicinal properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and excessive dysmenorrhoea (painful menstruation). Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended."

I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas,

For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place, people and surrounding country. Will do all I can for the upbuilding of this city and section of country. I make farm lands a specialty and do not have any side issues such as loans, cattle, insurance or banking. I have an organized force in the north working for me all the time bringing in purchasers. I know the power of printers ink, when, how and where to use it to the best advantage. My sales of south Texas land last year amount to, in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for about thirty thousand acres of land in Colorado and Wharton Counties owned by Mr. John Linderholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends to-day. I will guarantee that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed up in the trade to cover up profit. During the past two years I have furnished most of the purchasers for the lands, acreage and town lots for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific station in the Drummers Home Cottage. If you wish to list your land call on me or write me stating what you have and naming your very lowest price. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not let me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Caney Valley plantation, the richest soil that I know of that does not overflow.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by importunities to invest. Every question has been answered fully and courteously, every opportunity is given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice-president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Chesterville and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an intending investor or just a tourist; his quiet courtesy is just the same. He never importunes you to buy land, but is always ready to show or tell you about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

fracture a limb. People went crazy then; they have a brain storm now. Politicians then paid good hard cash for support, now they send government garden seeds. Yes, times have changed; and we change with the times."

Don't be a Miser.

There can be no greater mistake that a business man can make than to be mean in business. Everybody has heard the proverb of penny wise and pound foolish. A liberal expenditure in the way of business is always sure to be a capital investment. There are people in the world who are short-sighted enough to believe that their interest can be best promoted by grasping and clinging to all they can get, and never letting a cent slip through their fingers. As a general thing, it will be found, other things being equal, that he who is most liberal is most successful in business. Of course we do not mean it to be inferred that a man should be prodigal in his expenditures; but that a man should show his customers, if he is a trader or those whom he may be doing any kind of business with, that in all his business transactions, as well as social relations, he acknowledges the everlasting fact that there can be no permanent prosperity or good feeling in a community where benefits are not reciprocal.

GOOD FOR BILIOUSNESS.

"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent better than I have for weeks," says J. J. Firestone, of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by all druggists. Samples free.

Fruit "Cocktail."

Verandas and porches afford opportunities for the most picturesque entertaining. A fruit cocktail in spite of its naughty name is not at all sinful, and if one is temperate no alcoholic liquors are used at all. One of the most popular of the year uses grape juice. It consists of strawberries, bananas, cherries, oranges and pineapples, all cut in to small pieces and mixed with grape juice, and served in sherbet glasses. Of course the cocktail must be thoroughly chilled before putting in the glasses. Grape fruit glasses may also be used. Grape fruit juice, lime juice, or orange juice should be kept on hand for occasions of this kind.
