Two Weepers.

Ray Brown, art director of Everybody's gave a story by Samuel Hopkins Adams to May Wilson Preston for illustration. Mrs. Preston made the pictures, which were fine, and sent them with the bill. On sending them she telephoned to Mr. Brown, saying:

"That's a fine story of Adams. It made me weep.

A few days later Mr. Adams visited Everybody's office.

"That story of yours must be a good one, Sam," said Brown. "It made two people weep."

"Indeed!" said Adams, much pleased. "Who were they?"

"May Wilson Preston, when she read the manuscript," replied Brown, "and me when I got her bill for making the illustrations."—Rebooth Sunday Herald.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought can be directly traced to the impurity of the blood. Pure, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cures and purifies the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist doesn't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition, as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas,

For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place, people and surrounding country. Will do all I can for the upbuilding of this city and section of country. I make farm lands a specialty and do not have any side issues such as loans, cattle, insurance or banking. I have an organized force in the north working for me all the time bringing in purchasers. I know the power of printers ink, when, how and where to use it to the best advantage. My sales of south Texas land last year amount to, in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for about thirty thousand acres of land in Colorado and Wharton Counties owned by Mr. John Linderholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends today which will demonstrate that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed in the trade to cover up profit. During the past two years I have furnished most of the purchasers for the lands, acreage and town lots for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific station in the Drummers Home Cottage. If you wish to list your land call on me or write me stating what you have and naming your very lowest price. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not look for me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Caney Valley plantation, the richest soil that I know of that does not overflow.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by importunities to invest. Every question has been answered fully and courteously, every opportunity is given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice-president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Chesterville and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an intending investor or just a tourist; his quiet courtesy is just the same. He never importunes you to buy land, but is always ready to show or tell you about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

A HEALTHY FAMILY.

"Our whole family has enjoyed good health since we began using Dr. King's New Life Pills, three years ago," says L. A. Bartlet, of Rural Route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does you good. 25c. at Calvert's drug store.

'Yer Up In a Balloon.

Of Baldwin, the ill-fated aeronaut, a Cleveland man said recently:

"He once took me with him a-ballooning. The experience was odd and frightening. A gale came up, and I became airsick—a condition worse than seasickness. It was now necessary to descend, but Baldwin wanted to know in what part of the country we floated."

"With our glasses we swept the landscape, but in the falling light only one house was visible, and near by a man worked in a field. Baldwin, with great skill, brought down the balloon till it was only about a hundred feet above the man's head."

"Hi!" he shouted. "Hi!" "The workman looked up in amazement."

"Where are we?" cried Baldwin, as we darted onward.

"Where are ye?" repeated the man in his slow, dull way.

"Yes. Where are we?"

"Why," came the reply, almost inaudible, we were now so far past—"why, yer up in a balloon; hain't ye?"

LAME BACK.

This ailment is usually caused by rheumatism of the muscles of the small of the back, and is quickly cured by applying Chamberlain's Liniment two or three times a day and massaging the parts at each application. For sale by all druggists.

Under Other Circumstances.

Pat had a job of moving some kegs of powder and to the alarm of the foreman was discovered smoking at his work. "Gracious," exclaimed the foreman. "Do you know what happened when a man smoked at this job some time ago? There was an explosion which blew up a dozen men." "That couldn't happen here," returned Pat, calmly. "Why not?" "Cos there's only me and you," was the reply.—London News.

Chapped skin whether on the hands or face may be cured in one night by applying Chamberlain's Salve. It is also unequalled for sore nipples, burns and scalds. For sale by all druggists.
