

A Pleasant Experience.
The other day two well-dressed lovers, evidently a "newly" married couple, boarded a Mineral Wells train at Weatherford, and amused the other passengers with their cooling. After a while the fair young bride leaned back in her chair and fell asleep. Her companion took advantage in her lull of affectionate demonstrations, and went in the smoker to enjoy a cigar. While he was gone a long, lean, lank, grizzly specimen of a man, came in and sat down in the vacant chair beside the sleeping beauty. Presently the young woman, half-asleep, turned and laid her head lovingly on the shoulder of the stranger and put her plump arm around his neck. The green, grizzly specimen was surprised at this unexpected familiarity, but made no desperate effort to escape.

grinned. Then the hilarity awoke the woman, opened her large blue eyes, and she saw her mistake. With flushed cheeks she stammered an apology. "You needn't apologize to me," drawled the stranger. "I didn't know you were a Mineral Wells index."

WATCHED FIFTEEN YEARS.
"For fifteen years I have watched the working of Bucklen's Arnica Salve, and it has never failed to cure any sore, boil, ulcer or burn to which it was applied. It has saved us many a doctor bill," says A. F. Hardy of East Wilton, Maine. 25c. at Calvert's drug store.

A few days ago the Banner man overheard a leading business man expatiating to a customer upon the folly and inconsistency of patronizing mail-order houses, or sending away from home for anything that could be bought at home, which was as well and right as far as it went, but upon an inspection of the stationery used by this firm it was discovered to have been lithographed and printed by Clark & Court's of Galveston. How inconsistent was this man's argument.—Brenham Banner.

SICK HEADACHE.
This distressing disease results from a disordered condition of the stomach, and can be cured by taking Chamberlain's Stomach and Liver Tablets. Get a free sample at drug store and try it.

Do You Think For Yourself?
Or do you open your mouth like a young kid and let other people's words or actions lead you? You may be misled.

Intelligent thinking woman.
In need of relief from nervousness, pain and aching then it seems much to you that there is one tried and true remedy for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula or list of ingredients of which it is composed, in plain English, on every bottle wrapper.

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any lady sending name and address, and enclosing the name of Dr. N. V. Pierce, Buffalo, N. Y.

I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas,
For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place, people and surrounding country. Will do all I can for the upbuilding of this city and section of country. I make farm lands a specialty and do not have any side issues such as loans, cattle, insurance or banking. I have an organized force in the north working for me all the time bringing in purchasers. I know the power of printers ink, when, how and where to use it to the best advantage. My sales of south Texas land last year amount to, in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for about thirty thousand acres of land in Colorado and Wharton Counties owned by Mr. John Linderholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends today which will demonstrate that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed up in the trade to cover up profit. During the past two years I have furnished most of the purchasers for the lands, acreage and town lots for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific station in the Drummers Home Cottage. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not look for me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Canga Valley plantation, the richest soil that I know of that does not overflow.

Fidelity Immigration Company.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by opportunities to invest. Every question has been answered fully and courteously, every opportunity is given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice-president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Chesterville and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an intending investor or just a tourist, his quiet courtesy is just the same. He never importunes you to buy land, but is always ready to show or tell you about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

An "Intellectual Job."

Two froxy but good natured and easygoing women were overheard while engaged in conversation on a tenement house door step.
"So you man has got a job already, has he? Didn't lay idle long, did he?"
"No, he ain't one to do that. A'ell hustle and find a job of some sort."

"Runnin' a' elevator now, ain't he?"
"Yes, he is."

"How does he like it?"
"Read well. Of course it ain't what you might call a real intellectual job like his last one was."

"Lemme see, what was he doin' last?"
"He was janitor in a readin' room an' as I say, it was considerable more of an intellectual job than runnin' a' elevator. Still, I ain't one to complain 'long as the work is stiddy an' they pay reg'lar," replied the woman placidly. Then she added with a languid drawl:

"Intellect ain't ev'rything, no how."

WHAT WOULD YOU DO?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by all druggists.

Famel—"See here, boy, what yer doin' up that tree?"

Boy—"One of your pears fell off the tree an' I'm trying to put it back."—Brooklyn Eagle.

The Tender Thought.

Harry is six years old. "Pa," he asked one day, "if I get married, will I have a wife like ma?"
"Very likely," replied the father.
"And if I don't get married, will I have to be an old bachelor like Uncle Tom?"
"Very likely," he said, after a moment of deep thought, "it's a mighty tough world for us men, ain't it?"

MIND YOUR BUSINESS.

"If you don't nobody will. It's your business to keep out of all the trouble you can and you can't and will keep out of liver and bowel trouble if you take Dr. King's New Life Pills. They keep biliousness, malaria, and jaundice out of your system. 25c. at Calvert's drug store."

Bagged Forty-Six Quail.

Messrs. L. Goldsmith and W. C. Guynn succeeded in bagging forty-six quail, (lacking only four from getting the limit) while out hunting last Sunday. This is the best record, of which we have learned, that has been made by any local hunters so far this season.

Many of our planters are engaged in cutting down and burning up cotton stalks, blood and noxious weeds on their premises to kill out the superabundant crop of boll weevils that have proved so disastrous in their depredations upon the cotton crop in this county this year. Smith, the two having worked cattle together in the Angelo country in days gone by, and their meeting here recalled many amusing incidents of by-gone days on the plains of Texas.
