

A Sailor's Christening.
The late bishop Potter once in his early days had occasion to officiate at a christening in a small fishing village on the Massachusetts coast," says a writer in the current issue of Harper's Weekly. "The proud father, a young fisherman, awkwardly holding his firstborn daughter, was visibly embarrassed under the scrutiny of the congregation, and his nervousness was not decreased by the sudden calling of the infant to the baptismal font."

When the time for the baptism of the babe arrived the bishop noticed that the father was holding the child so that its fat little legs pointed toward the font.

"Turn her this way," he whispered, but the father was too disconcerted to hear or understand.

"Turn her feet around," the bishop whispered again; but still there was no response. The situation was fast becoming critical, when an ancient mariner in the back of the church came to the rescue. Putting his weather-beaten hand to his mouth he roared across the room, "Head her up to the wind, Jack!"

GOOD COUGH REMEDY FOR CHILDREN.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sure reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starobor, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by all druggists.

"Judging From His Words."

"My dear," called a wife to her husband who was in the next room, "what are you opening that can with?"

"Why," he said, "with the can opener. What did you suppose I was doing it with?"

"Well," replied his wife, "I thought from your remarks you were opening it prayer."

The Modesty of Women

Naturally makes them shrink from the delicate questions, the questions examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription will, in objection of the cure which dispels the examinations and local treatments. I AM OPERATING IN THE COAST COUNTRY

With my headquarters at Eagle Lake, Colorado County, Texas,
For The purpose of Selling Farm Lands

If you have a good tract of land of any size that you wish to dispose of quick, list it with me and I will find you a cash buyer, no matter how many others have failed. I make the sale of south Texas lands a specialty. Have purchased the Drummers Home Cottage, have moved my family here to live because we like the place; people and surrounding country. Will do all I can for the upbuilding of this city and section of the country. I make farm lands a specialty and do not have any side issues such as loans, cattle, insurance or banking. I have an organized force in the country and I bring in purchasers. I know the power of printers ink, when, how and where to use it to the best advantage. My sales of south Texas land last year amount to, in round numbers, over one million dollars. About two years ago I subdivided and sold out and brought in new settlers for about thirty thousand acres of land in Colorado and Wharton Counties owned by Mr. John Linderholm. I have sold out of the King pasture in Nueces County, Texas, about forty thousand acres during the past four years and have placed settlers on these lands who are successful and they are my best friends today which will demonstrate that I can do business and at the same time treat my purchasers fairly. I do not want one cent of commission until I make the sale and give both the buyer and seller a square deal, with no third party mixed up in the trade to cover up profit. During the past two years I have furnished most of the purchasers for the lands, acreage and town lots for the Alamo Beach family health and pleasure resort. You will find my office opposite the Southern Pacific station in the Drummers Home Cottage. If you wish to list your land call on me or write me stating what you have and naming your very low-tage. I will go and look your property over and if I think I can sell it I will accept it for sale providing you will give me the exclusive sale of it in writing. Do not look for me on the streets but come direct to my office. I am subdividing and offering for sale in small tracts a Caney Valley plantation, the richest soil that I know of that does not overflow.

Mr. Francis Potter, Editor of the Herrington Kan. Sun, who made a trip South in January, says

"One is agreeably disappointed in the sort of land men that you meet down here. Not a man in this party has been annoyed for a minute by importunities to invest. Every question has been answered fully and courteously, every opportunity is given the intending investor to find out all he wishes to know, not from real estate men alone, but from the inhabitants and farmers themselves. Mr. Herbert D. Hurd, vice-president and manager of the Fidelity Immigration Company, a Texas corporation, with offices at Kansas City, Eagle Lake, Chesterfield and Houston is a special example of this sort of land seller. He has been with our party nearly all the way and not only the writer, but every member of the party, is indebted to him for courtesies and kindnesses that have added very materially to our trip. It makes no difference whether you are an investor or just a tourist; his quiet courtesy is just the same. He never importunes you to buy land, but is always ready to show or tell you about his propositions if asked. We are told he closes more deals than any other man in this section of the country, so it appears that his plan works well."

This editor of the Bloomington

Pantagraph recently made the following announcement:

"In these days when so many people go wrong, it may be well enough to remember how many there are who go right. The newspapers blazon all the bad breaks of humanity, but they do not pretend to keep track of all who behave themselves and are faithful to every trust." The reason is obvious. For one person who goes wrong a thousand or more go right. But, going wrong is sensational news, and doing right is taken for granted. The exception to the rule makes the story."

IT IS A WONDER.

Chamberlain's Liniment is one of the most remarkable preparations yet produced for the relief of rheumatic pains, and for lame back, sprains and bruises. The quick relief from pain which it affords in case of rheumatism is alone worth many times its cost. Price, 25 cents; large size 50 cents. For sale by all druggists.

Cost of Laying Telegraph Wires.

Putting up telegraph wires on poles costs \$155 per mile. Laying the same wire underground will cost more than ten times that sum—about \$1,850 a mile.

BEWARE OF FREQUENT COLDS.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy?

It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by all druggists.

She Butted In.

A little boy of seven years frequently accompanied his grandmother to church, the old lady having a habit of taking part in the meeting by saying, "Amen."

When he arrived home after one of these trips, his mother asked: "And how do you like to go to church with grandma, Robert?"

"Oh," he replied, "all right, if grandma would only stop buttin' in."

A DANGEROUS OPERATION is the removal of the appendix, by a surgeon. No one who takes Dr. King's New Life Pills is ever subject to this frightful ordeal. They work so quietly you don't feel them. They cure constipation, headache, biliousness and malaria. 25c. at Calvert's drug store.
