The Princess is All Right.

The Princess moving picture theater is growing in popularity each night. Large crowds are attending the shows, which are excellent in every particular. The pictures are plain and clear and do not hurt the eyes. The managers are giving their patrons the very best films obtainable. The Princess has its own gas light outfit and should the electric lights be off, the moving picture show goes on just the same. A piano has been placed in the Princess building which adds greatly to the entertainment. Mrs. Bessie Dunbar sang beautifully "Just One Word of Consolation" and "Somewhere" at the show last night, the songs being illustrated in colored pictures. The Princess is all right! It is a nice thing for Eagle Lake, and is deserving of the patronage of Eagle Lake's citizens.

The Literary and Civic Club met with Miss Fannie Williams Thursday afternoon, with an unusually large number present. The program was quite interesting: A paper on the life of Nathaniel Hawthorne was read by Mrs. Felt; little Miss Jessie Vineyard sang two songs and the discussion of the war of 1812 was led by the hostess. Delightful refreshments of turkey salad, olives, crackers, chocolate and whipped cream were served. Next meeting will be with Miss Corn Brown.

High Grade Tailoring.

Only good tailors are real tailors. Their garments are always distinctive. They bear the stamp of craftsmanship. They are never extreme, never exaggerated. Merchant tailoring is a trade which is an art. The impulse which leads men to prefer an original painting to a lithograph reproduction will always keep merchant tailoring rooted to its place of leadership. It cannot be displaced except by a logical substitute, something which up to now has not appeared.

GEO. REDFORD, Merchant Tailor.

A meeting of the stockholders of the Frank Stephens Co. was held in the offices at that store Thursday afternoon at which the same officers and directors were elected for another year. The officers are Frank Stephens, president and manager; Hayes Stephens, vice president; Fox Stephens, secretary and treasurer. The three Messrs. Stephens compose the board of directors for the company.

STOMACH TROUBLE CURED.

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Kluge of Edina, Mo., says: "I have used a great many different medicines for stomach trouble, but for Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." For sale by all druggists.
